

CLMS & MHS 6th-12th Grade Present

Whimsical Winter CONCERT!

6:00 PM, WEDNESDAY, DECEMBER 10TH
IN THE MHS GYM

DIRECTED BY AMANDA ROSENDALE

Before you take your seat...

- Please take care of all restroom needs.
- Leave all food, drink, and gum outside the concert hall/gym.
- Silence all cell phones, pagers, watch sounds, alarms, or anything that might make a noise.
- The only sounds that should be heard are the ones that appear in the musical score (and the audience reaction after the music).

Once you take your seat...

- Watch the conductor carefully to see the cues they give the performers to get them to play the music they have rehearsed.
- Remain seated and quiet while the musicians are playing. Be sure to sit without fidgeting so you don't distract your neighbors or the performers on stage.
- Sometimes the conductor may ask you to participate by clapping along or singing along. Take your cue on this from the conductor, just as the performers do.
- Show appreciation by applauding at the end of a musical performance. If you really like a particular musical selection, it is also acceptable to stand as you clap. This shows the performers that you thought their performance was very well done.
- We invite you to take photos and video, but please stay seated as to not block other audience members.
