Is there anything else you want us to know about you or your child's experience at school this year?*

- The teachers are able to get him to engage for a longer period of time.
- Aside from one student bullying my student, school is a positive place.
- I've never heard them ever say that they didn't want to come to school. They've always had a good experience and felt supported even when challenges occur.
- *(Student name)* has had an amazing year this year. *(They have)* improved so much from last year. I really feel like *(their)* teachers are doing a wonderful job. Thank you
- *(Student name)* is doing well at school. *(They are)* improving all the time.
