Week of September 14th to September 18th

Hello St. Joseph Community School Families,

Happy Friday! Here are this week's updates and a look at what's coming up at St. Joseph Community School!

God of love we place in your loving arms the thousands of innocent lives that were lost on that unforgettable morning of September 11, 2001. We also remember the courage of the countless men and women who put their lives at risk in order to rescue, alleviate and bring solace to the afflicted. Help us to continue to work for a world free from every form of hatred, violence and ignorance. May terrorism -- in all its forms -- disappear from the face of the earth. Amen.

- Fr. Alberto Cutie

God Bless,

Communication

Please call the school office if you have not received communication from the school. We have sent text messages, emails, and notifications.

Farewell

We would like to share that Mr. Will Miller has submitted his resignation from his custodial position at St. Joseph Community School.

We are grateful for the time and care Mr. Will has given to our school. Maintaining a safe, clean, and welcoming environment is an important part of our school community, and we appreciate the contributions he made during his time with us.

We wish Mr. Will all the best in the next chapter.

Faith and Mission

TAILGATING FRIDAY

- On Wednesday, our students and staff reflected on the Gospel's powerful message of forgiveness during Mass. Jesus reminds us to forgive again and again: "Not seven times, but seventy-seven times." May we carry that message into our homes by choosing forgiveness, mercy, and love.
- Tailgate Friday – It doesn't matter what team you are rooting for...everyone loves a tailgate! Teachers enjoyed celebrating another great week by bringing in their favorite tailgate snack to share with the rest of the staff on Friday. Thank you to Mr. Larsen for the great idea! But just in case anyone was wondering...🎵"The word is 'Fight! Fight! Fight! for Iowa,'"🎵

FAMILY

Reminders

- Although school has just started, the "sick" bug has been going around. Please do your best to follow the guidelines and keep your child home if they have a fever. Otherwise we would like kids to be at school as much as possible. If they have an appointment, have students attend before and after the appointment if possible. What we do during the day is important and we want all kids in school to learn. 😊

PANTHER

Pride

- Ask your child(ren) about PAWS tickets and how students can earn them at school. The PAWS store is open and students are excited about spending their tickets!
