Just in time for Halloween, the third grade students spent Friday morning with Matt Crayne, Chickasaw County Conservationist, learning about bats. He spent time sharing lots of information from what bats eat to the size of the smallest and biggest bats.

Thank You
Thank you to New Hampton Lions Club for visiting our preschool to do vision checks. Their support for our young students' health and well being is appreciated. So much learning takes place from what students see.

FAITH & *Mission*

This year the staff has been learning about St. Faustina and the Divine Mercy. Each day our morning prayer and reflection focuses on one of St. Faustina's diary entries. As a staff we are continuing to learn to keep our eyes on God's will. Jesus, I trust in You.
