#ShineYourLight

A huge thank you to Lynae (7) and Reese (7) for volunteering some of their time to help at our Learning Connections Open House Night. We appreciated their help to guide our little friends through the obstacle course, as well as helping with setting up and tearing down. Many hands make light work!

Communication

Attached you will find a letter explaining conferences and how to sign up. Please also consider signing up to help bring items for teacher meals.

Panther PAWS Day

The end of the quarter is approaching on October 16th. To celebrate all of the hard work the students have done and meeting our building wide expectations, we will have our first Panther PAWS Day– Community Adventure Day. We will spend time at the Carnegie Cultural Center, Foxriver Outpost, NH Public Library, and the CWC. A permission slip has been sent home in student folders. Please return on **Monday, October 12th.**

FAMILY *Reminders*
