Technology Engagement Goals for 2025-2027

Technology Engagement Goal for 2025-2027

1. Students will have the opportunity to choose from a variety of digital projects to demonstrate their learning at the end of a unit. This offers them a chance to showcase their understanding in a creative and personalized way.

EXAMPLES

- ➔ Digital Storybook
- ➔ Virtual Museum Exhibit
- ➔ Interactive Map or Timeline
- ➔ Design an infographic
- ➔ Virtual Diorama
- ➔ Make a “How to” Video

EDUCATION
DIVERSITY • SUCCESS

Timeline

- 2025-2026 School Year
  - Work with grade level teams to pick one unit in reading to allow for students to create a digital project as the end of unit assessment.
- 2026-2027 School Year
  - Students will complete their end of unit digital project and share.

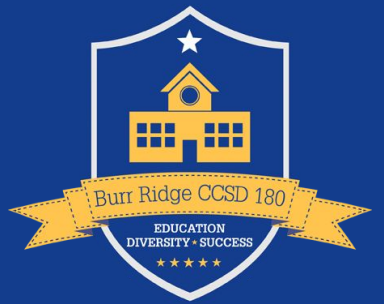

Technology Engagement Goal for 2025-2027

2. Revitalize the use of the recording and podcasting studio room.

Timeline

- 2025-2026 School Year
  - Semester 1
    - The Innovative Teaching Coach alongside the Technology Director, will coach Principal Hernandez on using the the recording and podcast studio to create morning announcements to share with students.
  - Semester 2
    - Principal Hernandez will utilize the recording and podcast studio for his morning announcements and have weekly “Guest Students” to promote this newly revitalized technology space.
    - Involve students in Grades 5-7
- 2026-2027 School Year
  - Students will lead the morning and or weekly announcements utilizing the recording and podcast studio.

Reading for Enjoyment

Library Focus

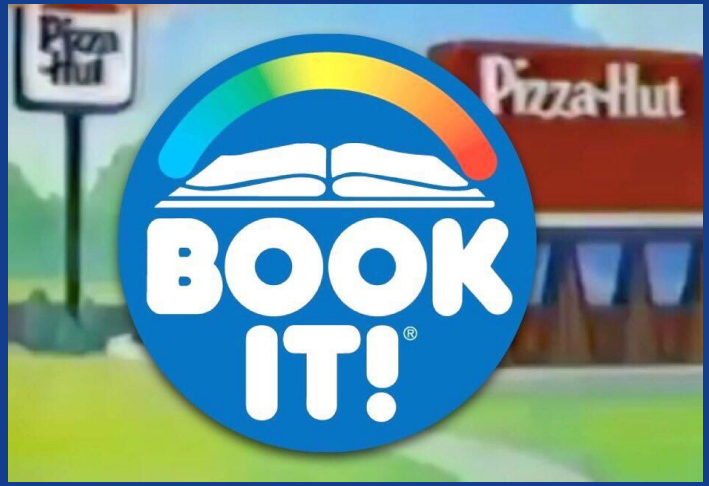

- **Weekly checkout times**
  - Every AMJE classroom signed up for a weekly time
  - Every student at BRMS is scheduled to visit each week
- **Monthly Themes**
  - September - New Books
- **Student Book Recommendations Form**
  - Visible around both buildings
  - Posters and links to the form sent to all teachers
- **Annual Book Order**
  - AMJE - focused on early readers and fiction
  - BRMS - last year about 80% of requests were fulfilled

Reading for Enjoyment Goals for 2025-2027

Reading for Enjoyment Goal for 2025-2027

1. Students will regularly visit the library to check out books of their own choosing. They will check out more books year over year.

Timeline

- 2025-2026 School Year
  - Work with grade level teams to sign up for weekly library timeslots and ensure they're coming regularly.
- 2026-2027 School Year
  - Work with grade level teams to sign up for weekly library timeslots and ensure they're coming regularly.
  - Advertise real world applications for reading in the libraries.
  - Work with students to demonstrate the real world application of reading by reading the morning announcements using the recording studio.
  - Keep track of books checked out to ensure we're progressing towards reading more books than in 2025-2026.

Reading for Enjoyment Goal for 2025-2027

2. More than 60% of students will participate in our reading programs.

Timeline

- 2025-2026 School Year
  - Pilot Book It! Reading Program
  - Continue the Winter Reading Program
  - Work with grade level teams to encourage students to participate in our reading programs. Teachers and the Innovative Teaching Coach will work to ensure that more than 50% of eligible students participate.
- 2026-2027 School Year
  - Roll out Book It! Reading Program district-wide (K-6th Grade)
  - Continue the Winter Reading Program
  - Work to ensure that more than 60% of students participate in our reading programs.
