

Centennial High School

Senior Course Selection Worksheet

2026-2027

Student Name: _____ Date: _____

Students are STRONGLY ENCOURAGED to go through the West Ada Course Description Book during course selection to accurately select senior courses.

CHOICE	A = SEMESTER 1 - COURSE TITLE	CHOICE	B = SEMESTER 2 - COURSE TITLE
1. English Required	English 12 A (Check One) English 12A _____ College Intro to Literature A _____ AP English 12A _____	1. English Required	English 12 B (Check One) English 12B _____ College Intro to Literature B _____ AP English 12B _____
2. Math Required	Math (Check One) (Placement will be reviewed by teacher) HS Math III A _____ College Algebra A _____ College Pre-Calc A _____ College Trigonometry A _____ College Brief Calc A _____ AP Calc AB A _____ AP Calc BC A _____ AP Stats A _____ Math Modeling A _____ Statistical Reasoning in Sports A _____	2. Math Required	Math (Check One) (Placement will be reviewed by teacher) HS Math III B _____ College Algebra B _____ College Pre-Calc B _____ College Trigonometry B _____ College Brief Calc B _____ AP Calc AB B _____ AP Calc BC B _____ AP Stats B _____ Math Modeling B _____ Statistical Reasoning in Sports B _____
3. Social Science Required	American Government (Check One) American Gov A _____ College American Gov A _____ AP US Gov A _____	3. Social Science Required	American Government (Check One) American Gov B _____ College American Gov B _____ AP US Gov B _____
4. Science 6 credits required to graduate	Science (Check One) Anatomy A _____ Astronomy A _____ Chemistry A _____ AP Chemistry A _____ Conceptual Physics A _____ Physics A _____ AP Physics I A _____ AP Physics II A _____ Oceans A _____ Forensic Science A _____ Geology A _____ Idaho Ecology _____ AP Environmental Science A _____ AP Biology A _____	4. Science 6 credits required to graduate	Science (Check One) Anatomy B _____ Astronomy B _____ Chemistry B _____ AP Chemistry B _____ Conceptual Physics B _____ Physics B _____ AP Physics I B _____ AP Physics II B _____ Oceans B _____ Forensic Science B _____ Geology B _____ Wildlife Biology _____ AP Environmental Science B _____ AP Biology B _____
5. Economics Required	Economics (Must take 1 ECON credit-check choice(s)) Economics _____ AP Microeconomics (S1) _____ AP Macroeconomics (S2) _____	5. Health Required	Health (Check One) *IF NOT YET COMPLETED* HS Health _____ Health Professions A/B _____
6. Speech Required	Speech (Check One) *IF NOT YET COMPLETED* Speech _____ Competitive Speech & Debate A/B _____ College Speech _____	6. Elective Required	
7. Elective Required		7. Elective Required	
8. Elective Required		8. Elective Required	

Please choose Alternate Electives carefully, space in all electives is limited. Do NOT duplicate choices from electives listed above.

Alternate Elective <i>Strongly Recommended</i>		Alternate Elective <i>Strongly Recommended</i>	
Alternate Elective <i>Strongly Recommended</i>		Alternate Elective <i>Strongly Recommended</i>	

GRADUATION REQUIREMENTS – CLASS OF 2027

Each class = 1 credit per semester e.g., English 12A = 1 credit and English 12B = 1 credit

Course	Credits	Course	Credits
English (4 years)	8	American Government (1 year – 12 th grade)	2
Speech (1 semester) or Debate (2 semesters)	1	Economics (1 semester – 12 th grade)	1
Math (2 years and two credits required senior year)	6	Physical Education (2 semesters)	2
Science (3 years in 2 content areas)	6	Health (1 semester)	1
Eastern Geographical Perspectives (1 semester)	1	Fine Arts and World Language	2
US History (2 years – US History 10 and 11)	4	Electives	22+
Complete and Pass Future Readiness Project	Y	Complete and Pass Civics Exam	Y
Total Required Credits to Graduate			56

MATH		PHYSICAL EDUCATION		SOCIAL STUDIES	
HS Math III A/B	2	Advanced Fitness	1	American Government A/B	2
College Algebra A/B	2	Advanced Weightlifting	1	AP US Government A/B	2
College Trigonometry A/B	2	Cardio Fitness	1	College American Government A/B	2
College Precalculus A/B	2	Fitness Walking	1	AP Human Geography A/B	2
College Brief Calculus A/B	2	Intro to Fitness	1	AP Psychology A/B	2
AP Calculus AB A/B	2	Team and Individual Sports	1	History of Rock & Roll	1
AP Calculus BC A/B	2	Yoga Fitness	1	Idaho History	1
AP Statistics A/B	2			Introduction to Criminal Justice	1
Statistical Reasoning in Sports A/B	2	VISUAL AND PERFORMING ARTS		Military History	1

Math Graduation Requirement (Policy 603.2)

Graduation Requirement:

6 credits of HS math are required to include:

- 2 credits of HS Math I (or higher level, encompassing and exceeding Algebra standards).
- 2 credits of HS Math II (or higher level, encompassing and exceeding Geometry standards).
- 2 additional Math credits.

12th Grade Math Exemptions:

Students do not have to take a math class their senior year of high school if they qualify for one of the following exemptions:

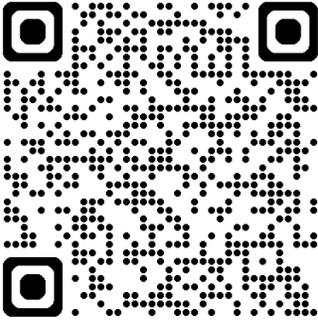

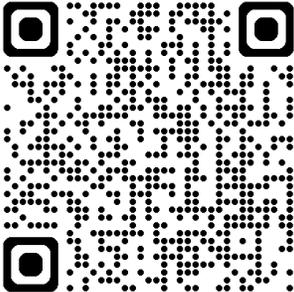

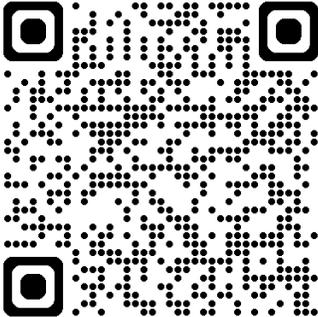

- Completed 6 math credits including AP Calculus or College Brief Calculus.
- Completed 8 math credits including Math III/College Math III/College Algebra/Pre-Calculus (equivalent of Algebra II).
- Current enrollment in, or prior completion of a 2-credit CTE capstone course (see list below of the capstone courses that qualify).
- Current enrollment in, or prior completion of Physics/AP Physics OR Chemistry/AP Chemistry.
- Your counselor will not automatically drop your senior math class if you qualify for an exemption. You must contact your school counselor and make an appointment to discuss this.

Please Note: For those students seeking their college associate degree, you are bound by those institutions' requirements, so the exemptions mentioned above may not qualify.

CTE CAPSTONE COURSES

Accounting II – Computerized Accounting (CHS, EHS, MHS, MVHS, OHS, RMHS)	Digital Photography III (EHS, MHS, MVHS, RMHS)
Advanced Culinary Arts (RHS)	Emergency Medical Technician (RHS)
Advanced Early Childhood Education (MHS)	Education & Training II (MHS)
Advanced Welding (MHS)	Engineering Design and Development (RHS)
Animal Science IV (MHS)	Fire Services II (RHS)
Automotive Technology III (MHS)	Graphic Design III (MVHS, OHS)
Broadcast Technology (CHS)	Greenhouse III (MHS)
Business Ownership Entrepreneurship (EHS, MHS, OHS, RMHS)	HSB Principles of Management and HSB Business Strategies (MVHS)
Certified Nursing Assistant (RHS)	Law Enforcement, Detentions and Corrections II (RHS)
College Computer Science II (RHS)	Occupational and Career Experience – Media Technologies (OHS)
Collision Repair III (MHS)	Pharmacy Technician (RHS)
Construction Trades III (RHS)	Power Sports III (MHS)
Cyber Security III (RHS)	Principles of Business Management and Business Ownership Entrepreneurship (EHS, MHS, OHS, RMHS)
Database Design and Programming (RHS)	Sports Medicine III (CHS)
Diesel Technology III (MHS)

<p>2026-27 Aide Request Form: <i>*Form closes Fri April 10th @ 3:00pm</i></p> 	<p>STEM Diploma & Seal of Biliteracy Information:</p> 	<p>CHS Course Selection Website:</p> 

Other Important Items:

- The purpose of the course selection worksheet is for parents and students to plan their course selection together. Your student will then add the course selections from their worksheet into Class Choice on the computer at school, with assistance of school counselors. If parents want to participate in the Class Choice course selection, join us for the “Your West Ada High School Journey: Academics, Activities, & Athletics” event on March 10, 2026 at Centennial High School from 6:00-8:00pm. During this event you will learn about activities, athletics, clubs, academic course, graduation requirements, and advanced placement classes.
- Please complete all required parts of course selection as all senior students (grade 12) must be full-time West Ada students (6 of 8 periods). If you are not, you will not be eligible to participate in cocurricular/extracurricular activities, participate in graduation, and would be considered a less than full time student. (Policy 500.1)
