Joint School District No. 2 (also referred to as West Ada School District), provides public education for 39,139 students in grades K through 12. The district includes the communities of Meridian, Eagle, Star, parts of Garden City, west Boise, southwest Boise, and the rural areas between these communities. It is the largest and fastest growing school system in Idaho.

Meridian High School (MHS) was founded in 1904 and is currently home to 1820 students enrolled in grades 9-12, representing a suburban and agricultural community of diverse socio-economic families. The student body is comprised of 68% white, 12% Latino, and 10% students of other ethnicities. 23% of the student population qualifies for free and reduced lunch. MHS is an AVID school, and benefits from the TRIO: Upward Bound grant.

Accreditation: MHS is fully accredited by AdvancED Northwest Accreditation Commission.
