

GRADES 6-12 APPROVED ENGLISH LANGUAGE ARTS SUPPLEMENTAL BOOKS

The supplementary books listed below are approved for use in addition to the district adopted textbooks for middle and high school English Language Arts classes. Any book chosen for class use, including books studied in small groups or literature circles, must be approved by the Board of Trustees. Books identified for independent reading do not need Board approval.

Supplementary texts used for advanced credit courses reflect the curriculum of the credit-granting university and may not appear on this list, as they are subject to frequent change. Whenever possible, teachers are encouraged to work with universities to choose district approved books for advanced credit courses.
