lheishman@crestridge.org

Dear Crest Ridge Families,

On behalf of all of the teachers and staff here at Crest Ridge Elementary, we are very excited to have you as part of the Crest Ridge family. It is important that you familiarize yourself with our student information system: Infinite Campus. You can check your student's grades, meal balance, and attendance along with paying for meals online. You can also get timely information on our CRE google site <https://sites.google.com/crestridge.org/cre/home>. You can also get to this site through the Crest Ridge website and look for the CRE Home link.

As we begin this new year, we hope that you and your child will embrace the idea of "Learn. Apply. Achieve". We will be emphasizing learning that builds students skills in problem solving and being able to apply their knowledge. We understand that this can only happen with support from both the home and school. We look forward to partnering with you in the education of your child.

We ask that you guide and support your child's learning by ensuring that he/she:

- ★ Attends school daily and arrives on time, ready to learn
- ★ Reads daily to develop a love for reading and to improve literacy skills
- ★ Shares school experiences with you
- ★ Asks questions and communicates anytime he/she needs additional help
- ★ Knows that you support him/her in their educational efforts

At CRE, your child is part of a safe and respectful learning community where student goals are met through personalized instruction, creative learning opportunities and a strong support system. We are here to provide a quality educational experience for every student and look forward to celebrating your child's many achievements with you.

All of the CRE staff welcomes you and look forward to getting to know you and your child during the upcoming year.

Sincerely,

Mrs. Linda Heishman, Ed.S.
Elementary Principal
