

Crest Ridge Elementary

Field Trip Procedures

1. All students must ride to and from the field trip on the school bus. Only students and employees of the school district can ride the bus to and from the field trip.
2. Only parents and/or guardians can attend or serve as chaperones (no siblings, we want the focus on your student).
3. When the number of parents/guardians is limited, the following procedures will be followed:
 - a. All parents/guardians wishing to attend must fill out the required paperwork and return by the due date.
 - b. Parents/guardians will be chosen by a drawing randomly/raffle style.
 - c. One parent per student, until all slots are filled. If there are still open slots, a second parent from the same family may be drawn.
 - d. Any parent/chaperone must pass a background review with the appropriate volunteer form approved by the Crest Ridge Elementary office.
4. If the field trip is to a public venue, teachers will provide information where parents can purchase tickets on their own. They will not be recognized as an Crest Ridge Elementary official chaperone, but may accompany their child with their child's assigned chaperone.
5. Students may bring a sack lunch or they may sign-up for a sack lunch from the cafeteria (regular lunch charge procedures will be followed).
6. Anyone who attends the field trip should be considerate of all students.
7. At no time are parents who are attending the field trip allowed to consume alcohol or be under the influence of drugs.
8. We will check to see if the bus driver will need a ticket.
