

Paint the Town Purple

Show your school pride by getting a wildcat painted in your driveway!

The Student Council would love to paint a wildcat in your driveway for \$15. All proceeds will help us attend conferences and sponsor events. All logos are approximately 26 inches wide and 17 inches tall and will be placed on the corner of your driveway close to the street. If you don't have a cement driveway, it may be painted on your sidewalk. For those of you who already have a wildcat painted in your driveway touch ups are \$5.
