SINKING FUND UPDATE

Greenville Public Schools continues to make steady progress on facility improvements made possible through the community-supported 2025 Sinking Fund. To date, two roof-top HVAC units have been replaced, one at Lincoln Heights and one at Cedar Crest. This summer, a large section of the roof at Greenville High School will be replaced, along with the oldest section of the roof at Walnut Hills. The district has also begun a technology replacement schedule to refresh district devices purchased in 2020-21 with funds from the 2017 bond.

In addition, a district team of staff members has been providing valuable input on the next phase of projects scheduled to begin in the summer of 2027. Planned improvements include replacing classroom heating units at Cedar Crest with new systems that will also provide air conditioning to classroom spaces; remodeling and reconfiguring areas at Walnut Hills to create additional space for student interventions and special education services; replacing aging fire alarm systems at all elementary buildings, beginning with Cedar Crest; and a modest expansion of the Greenville High School weight room.

These projects are all funded through the Sinking Fund, and Greenville Public Schools is grateful for the community's continued support. We look forward to continuing the 10-year facilities plan shared during the sinking fund campaign. Please visit our district website later this summer for photos and updates as these projects move forward and are completed.

ANNUAL LEGAL NOTICES:

Wellness

Greenville Public Schools recognizes good nutrition and regular physical activity affect the health and well being of students. The District has set goals in an effort to enable students to establish good health and nutrition habits. These goals focus on:

- Nutrition Education
- Physical Activity
- School-Based Activities
- Nutrition Promotion
- Meeting USDA Competitive Food Regulations

The District's Food and Nutrition Director is responsible for facilitating and verifying the District implements and meets the goals established in Policy 8510. For more information, please visit www.gpsjackets.org or call 616.754.3686.

Helping Homeless Students

In accordance with the McKinney-Vento Homeless Assistance Act, students who meet the federal definition of "homeless" will be provided a free and appropriate public education in the same manner as all other students of the District and will not be stigmatized or segregated on the basis of being homeless. No homeless student will be denied enrollment based on the lack of proof of residency. No board policy, administrative guideline, or practice will be interpreted or applied in such a way as to inhibit the enrollment, attendance, or school success of homeless children.

Allyson Bradley is the liaison at Greenville Public Schools; she may be reached at allyson.bradley@gpsjackets.org or 616.754.1996.

Services available include:

- transportation services;
- educational services provided under Title I of the Elementary and Secondary Education Act or similar state and local programs, educational programs, education programs for children with disabilities and educational programs for students with limited English proficiency;
- programs for vocational and technical education;
- programs for gifted and talented students;
- school nutrition programs.

If a parent/guardian is not satisfied with a placement decision, the dispute resolution procedure outlined in Board Policy 5111.01 shall be followed.

Protection of Pupil Rights Amendment (PPRA)

The Protection of Pupil Rights Amendment (PPRA) requires Greenville Public Schools to obtain consent or allow you to opt your child out of participating in certain school activities, including a student survey, analysis, or evaluation in an applicable program. This opt-out right also applies to the collection, disclosure, or use of student information for marketing purposes, and to certain physical exams and screenings. The opt-out option request must be submitted in writing. For a schedule of activities requiring parent/guardian notice and consent or opt-out for the upcoming school year, or to exercise the opt-out option, contact the appropriate building principal.

Parents and students 18 years of age or older are advised that they have the right to review the student's record and that permission must be granted before confidential information is given to a third party. Pertinent policies and information about filing complaints may be obtained at Central Services Facility, located at 1414 Chase Street, Greenville, MI 48838.

Michigan Freedom of Information Act Procedures and Guidelines - Freedom of Information Act (FOIA)

The Michigan Freedom of Information Act (FOIA), MCL 15.23115.246, provides for public access to certain public records, permits the charging of prescribed fees and deposits, and provides remedies and penalties for noncompliance. A person has a right to inspect, copy, or receive copies of certain requested public records. Some public records are permitted or required not to be disclosed. The school district is a public body that must comply with the FOIA. The school district has established the following procedures and guidelines to implement the FOIA effective July 1, 2015. For purposes of these procedures and guidelines, terms have the same meaning as defined in the FOIA. A complete copy of the FOIA is available on the Michigan Legislature's website at www.legislature.mi.gov. FOIA procedures and guidelines can be obtained at www.gpsjackets.org/page/foia, or paper copies are available upon request at the Central Services Facility, located at 1414 Chase Street, Greenville, MI, 48838.

Annual Notice of the Right to Request a Personal Curriculum Modifying Michigan Merit Curriculum Requirements for Graduation

What is a personal curriculum? The personal curriculum (PC) is a process to modify specific Michigan Merit Curriculum (MMC) high school credit requirements and/or content expectations based on a student's unique learning needs and post-secondary goals. It is designed to serve students who want to accelerate or go beyond the MMC requirements and students who need to individualize MMC requirements to earn a high school diploma.

Who may request a personal curriculum?

A personal curriculum may be requested by:

- The parent or guardian of a student for whom a personal curriculum is sought.
- The student if the student is of the age of majority.
- An emancipated minor.
- A teacher who is currently teaching the student (who currently teaches in, or whose expertise is in, a subject area proposed to be modified by the PC, or who is determined by the principal to have qualifications otherwise relevant to developing a PC).
- A school counselor or school employee qualified to act in a counseling role.

If the request for a PC is made by the student's parent or legal guardian or, if the student is at least age 18 or is an emancipated minor, by the student, the school district shall develop a PC for the student pursuant to the parameters outlined in 320.1278b(5).

When may a personal curriculum be requested?

If the student has an Individualized Education Program (IEP), the personal curriculum request may be submitted prior to 9th grade. (Note: Any resulting PC may not be implemented until the student begins/enters 9th grade.) If the student does not have an Individualized Education Program (IEP), the personal curriculum request may be submitted after the student has completed 9th grade.

For more information on the Personal Curriculum (PC), or to make a request for a PC, please contact your student's principal or counselor, or visit the district's website at www.gpsjackets.org.

Nondiscrimination

Greenville Public Schools does not discriminate, in admissions or employment, on the basis of any legally protected characteristics including race, age, disability, or sex.

It is the policy of the Board of Education to comply fully with the requirements of Title VI, Title IX, Section 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act and all accompanying regulations.

If additional information is needed, please contact Lisa Steed at lisa.steed@gpsjackets.org or Brian Zdanowski at brian.zdanowski@gpsjackets.org or 616.754.3686.

We're an *OK2SAY* School!

P: 855-565-2729

Text: 652729

www.mi.gov/ok2say

OK2SAY is a student safety initiative available to Michigan students in grades K-12 that enables students to confidentially report potential harm or criminal activities aimed at students, teachers, staff or other school employees.

The program is operated through a partnership between the Department of the Attorney General, Michigan State Police, state agencies, schools, parents, law enforcement, and community leaders.

Anyone can confidentially submit tips 24/7 using the **OK2SAY** app, online at www.ok2say.com, texting 652729 (OK2SAY), or by calling 855.565.2729.

Behavior & Bullying Policy

To promote a safe and civil environment for staff and students, GPS has board policy regarding behavioral expectations for students and staff. Policy includes expectations and consequences regarding bullying. It states, "Bullying toward a student or staff member, whether by other students, staff or third parties, including Board members, parents, guests, contractors, vendors and volunteers is strictly prohibited." The policy directs each school to "implement a system of positive support strategies in order to encourage proactive, positive, skill-building approaches for the teaching and learning of successful student behavior and prevent inappropriate behavior, including bullying." See the District's website for more information on this policy.

Directory Information Disclosure

The District may disclose "Directory Information" from the educational records of a student. "Directory Information" is designated by the District as:

- student's name, address and telephone number;
- student's class designation (i.e. 1st grade, 10th grade, etc.);
- student's extracurricular participation;
- student's achievement awards or honors;
- student's weight and height if a member of an athletic team;
- student's photograph;
- student's dates of attendance;
- student's electronic mail address;
- student's projects, artwork, web pages, and photographic or video images created by the district or students in conjunction with school-sponsored activities may be used for information and/or instructional purposes including, but not limited to: video and audio playback, internet and print publication and cable television transmission.

The District may disclose any of the above without prior written consent unless the building principal is notified to the contrary in writing by September 1. Each building administrator maintains a list of student names wherein disclosure has been refused. These lists are reviewed yearly.

Federal and Michigan law require Greenville Public Schools to provide military recruiters, upon request, the names, addresses and telephone numbers of high school students. This information can only be used to provide information to students concerning educational and career opportunities available in the U.S. Armed Forces or service academies. A parent/guardian or 18-year old students may exercise the option to withhold consent for the release of this information to military recruiters by submitting a signed written request to that effect to the high school principal.

Integrated Pest Management System

Greenville Public Schools has adopted an Integrated Pest Management program. Inherent with this are the district's efforts to reduce pesticide use as much as possible. While it may occasionally be necessary to apply a pesticide, this will only be used as a last resort. This program does not rely on routine pesticide applications to resolve problems. We use various techniques such as habitat alteration, sanitation, mechanical means, exclusion, etc. to prevent pests from becoming a problem. Parents may view the school's IPM program and records by contacting the Facilities Department at 616.754.4436.

You will receive advance notice of the application of a pesticide, other than a bait or gel formulation, at your child's school. This advance notice will be given 48 hours before the application. The law requires us to do this notification by using two methods. The first method required by law is the posting at entrances to your child's school. The second method we will use is the posting in a common area located by the main office of the school. Parents are also entitled to receive this notice by first-class United States mail postmarked at least 3 days before the application. If you would like to be notified by mail, please contact the Facilities Management Department at 616.754.4436. Please give the Operations Administrative Assistant your name, mailing address and the school your child attends. In an emergency (i.e. bees' nest), pesticides may be applied without prior notice, but you will be provided notice following such application.

Please contact Justin Rees, Director of Facilities, at 616.754.4436 or by email at justin.rees@gpsjackets.org if you have any questions regarding this program.

Video Surveillance & Electronic Monitoring

In order to protect District property, promote security, and protect the health, welfare, and safety of students, staff, and visitors, the District uses video surveillance and electronic monitoring equipment on school property, and in school buildings and school buses.

Asbestos Program Notification

In accordance with the U.S. Environmental Protection Agency's (EPA) Asbestos Hazard Emergency Response Act (AHERA), Greenville Public Schools is required to notify parents, staff, and building occupants annually of the presence and status of asbestos-containing materials in our school buildings.

As part of our compliance with AHERA, Greenville Public Schools has conducted inspections and developed Asbestos Management Plans for each school building. These plans identify the locations of known or assumed asbestos-containing building materials (ACBMs), assess their condition, and outline our response actions.

Key components of our asbestos management program include:

- Regular Surveillance: Every six months, a periodic surveillance of all known or assumed ACBMs is conducted to assess their condition and ensure they remain in good, non-hazardous condition. The last periodic surveillance was conducted in June 2026. The next periodic surveillance will be conducted December 2026.
- Triennial Re-Inspection: Every three years, a comprehensive re-inspection is conducted by an EPA-accredited inspector to update our asbestos records and ensure compliance with AHERA. The three year reinspection within each of our buildings was conducted May 2025. The next reinspection will be conducted in May 2028.
- Project Notifications: Any response actions or abatement projects that disturb ACBMs are performed by properly licensed professionals and are communicated to affected building occupants.

As of the most recent inspections, all asbestos-containing materials in our school buildings are in good condition and pose no known risk to the health of our students, staff, or visitors when left undisturbed. Copies of these inspections are included in each buildings' Management Plans. These Management Plans are available for review in the administrative office of each building. A copy of each building management plan is also located in the Facilities Office.

Michigan's Secure Firearm Storage Law

Michigan's secure storage law (Public Act 17 of 2023), effective February 13, 2024, requires individuals to keep unattended firearms unloaded and locked with a locking device or stored in a locked box or container if it is reasonably known that a minor is likely to be present on the premises. To learn more, please visit <https://www.gpsjackets.org/page/annual-notices>.

IMMUNIZATIONS

GPS works cooperatively with the Mid-Michigan District Health Department (MMDHD) in an effort to prevent, control and contain communicable diseases in schools. Students are expected to be in compliance with required immunizations and to have current immunization records on file with their school. Before an exemption from this requirement will be granted, a certified non-medical waiver from the MMDHD will be required. If you have questions about your child's immunizations, please contact the MMDHD at 989.831.5237.

SPEECH AND LANGUAGE CONCERNS

Are you concerned your child may not be meeting their speech and language developmental milestones?
Greenville Public Schools may be able to help! If you have concerns regarding your child’s speech and language development, or other developmental delays, please contact Fran Johnson at fran.johnson@gpsjackets.org or 616.754.1996 for more information. Children must be residents of GPS for further evaluation.

2 YEARS	3 YEARS	4 YEARS
- Minimal attempts to communicate with gestures or words - No first words - Difficulty following simple directions - Inconsistent response to "no"	- Limited use of speech - Speech is not understandable - Limited understanding of simple questions - Difficulty naming objects - Frustration related to communication	- Uses only 3-word phrases - Speech is not understandable to parents - Takes a long time to understand others - Difficulty asking questions and finding words to express thoughts

FOOD & NUTRITION DEPARTMENT

Greenville Public Schools serve breakfast and lunch at all of our buildings each school day. The GPS Food & Nutrition Department is pleased to share that we have once again qualified the entire district for the Community Eligibility Program (CEP), which means all students will receive a complete breakfast and lunch free of charge for the entire school year. **Parents MUST complete and submit the Education and Nutrition Benefits Form through the online enrollment or reverification process.** The CEP program only covers complete meals; any extras or add-ons (à la carte purchases) to the meal must be paid for through the student's lunch account.

- @ greenville.familyportal.cloud is the provider for our student meal deposits. When opening an account, you will need your student's ID number.
- @ greenville.nutrislice.com is the department's online menu tool. Download the app on Google Play or the App Store – search "School Lunch by Nutrislice".

If a doctor has determined your child has dietary restrictions that prevent them from eating a regular school meal, we will make substitutions prescribed by the doctor at no extra charge. The doctor’s statement, including diet and/or required substitutions, must be submitted to the School Office or the District Nurse.

Charge Policy: At no time will students be denied meals. Students may not purchase à la carte items if their account is not current.

Contact the GPS Food & Nutrition Department at 616.754.3686 or email foodservice@gpsjackets.org for more information or questions. *This institution is an equal opportunity provider.*

MENTAL HEALTH RESOURCES

Does your child need mental health support, outside of school, but you are struggling to find a provider?

Greenville Public Schools has partnered with Care Solace to revolutionize mental healthcare access for our students, families, and staff. Care Solace will quickly connect students, families, and staff to community mental health and substance abuse providers — at no cost to you.

Connect in 3 Easy Ways:

1. **Call 888-515-0595** — Available 24/7. A dedicated Care Companion will help research options, secure appointments, and follow up to ensure a good fit.
2. **Search anonymously** to get matched with an extensive list of care providers at caresolace.com/gpsjackets.
3. **Talk to your school’s key contact** Typically building administration, counselors, and social workers can submit a referral on behalf of a family or staff member.

Other specialized mental health resources could be available for your child. Please contact Allyson Bradley at allyson.bradley@gpsjackets.org or 616.754.1996.

Your mental health matters — let us help you find the right support.

GPS App Alerts

If you would like to receive GPS alerts, but do not have a student enrolled, please download the free GPS app from the Apple App Store or the Google Play store.

GPS Text Alerts

Parents/guardians of current GPS students will receive district and building text alerts (max of 2 per student). If you are not receiving text alerts, please contact your student's school building to ensure your contact information is accurate.

SCHOOL CLOSING & DELAY PROCEDURES

The decision to close school is made cooperatively by the Superintendent and the Director of Transportation. Although not always an easy decision or a popular one, school will remain open if road conditions are safe for bus travel. Parents always have the option of keeping children home if they are concerned about weather conditions.

When it is necessary to delay or close school due to inclement weather, the decision will be announced as quickly as possible on the district's website, app, Facebook page and the following television and radio stations:

WOOD-TV 8 · WXMI-TV 17 · WZZM-TV 13 · WWMT-TV 3
M-106.3 WGLM · WOOD-AM/FM
