Plumstead Christian School

Investing in the Mission of

Our School

At Plumstead Christian School, we believe that educating children is about far more than academic achievement. Our mission is to ***think biblically, serve effectively, and lead Christ-centered lives.***

Your investment in PCS is an investment in that mission.

We recognize that fulfilling this mission requires the generous partnership of families, grandparents, alumni, businesses, churches, and friends of PCS. Tuition provides the foundation for our operating budget, but philanthropic support allows us to do more—to strengthen academic and co-curricular programming, provide tuition assistance, improve facilities, invest in faculty and staff, and pursue new opportunities that enrich the educational experience of our students.

Every day, **we seek to honor God through excellence** in the classroom, on the athletic field, on the stage, in the arts, and in the many other experiences that shape our students.

2026 - 2027 Year of Giving

At a Glance

We encourage everyone within the PCS community to participate in one or more of our fundraisers and "friend-raisers" throughout the year. Each of these opportunities is designed to strengthen our community, support the school financially, and, in many cases, simply have fun together.

Some opportunities offer tangible benefits such as meals, tickets, golf, or other experiences. When the fair market value of the benefits received is less than the amount contributed, a portion of the contribution may be tax-deductible. Donors should consult their tax advisor regarding the deductibility of any gift.

Our Newest Initiative

The ABCs of Spiritual Formation

This year, our fundraising efforts are increasingly informed by a significant new initiative: The ABCs of Spiritual Formation.

The ABCs represent three areas of intentional spiritual formation throughout the PCS experience:

A **Apologetics:** Equipping students to understand, articulate, and defend the Christian faith.

B **Biblical Leadership:** Developing students who understand leadership as an opportunity to serve others and advance God's purposes.

C **Critical Life Skills:** Preparing students with practical skills, wisdom, discernment, and resilience for life beyond the classroom.

Together, these initiatives reflect our desire to graduate students who are not only academically prepared, but also spiritually grounded, intellectually confident, practically capable, and ready to lead.

Upcoming projects or programs we are raising support for include:

1. **Outdoor Learning Environments** on both campuses
2. An annual **Apologetics Conference** for Middle & Upper School students
3. An outdoor experiential **Leadership Program** in partnership with Camp Haycock
4. A **new computer lab and STEAM space** at the Middle & Upper School

EITC Program

Educational Improvement Tax Credit

Best for: Individuals, businesses, and families looking to maximize the impact of their charitable giving.

Pennsylvania's Education Improvement Tax Credit (EITC) program provides an extraordinary opportunity for eligible individuals and businesses to redirect a portion of their Pennsylvania tax liability toward Plumstead Christian School's tuition assistance program.

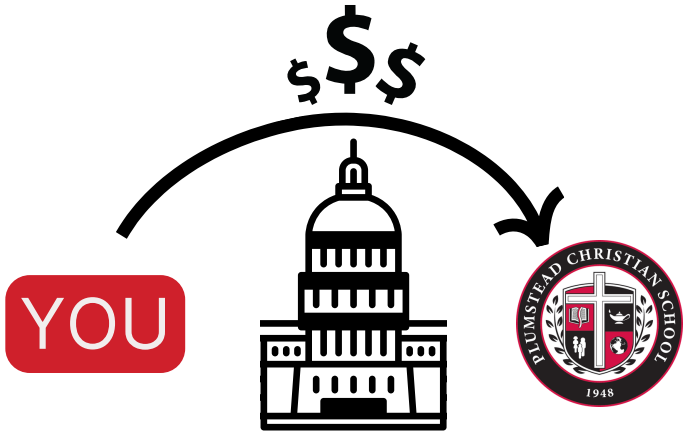

For eligible contributions, 90% of the contribution may be returned to the donor in the form of a Pennsylvania tax credit. For example, an eligible $1,000 contribution can result in a $900 Pennsylvania tax credit, making the effective cost of the gift as little as $100, subject to eligibility and program requirements.

EITC is an especially powerful way to support PCS families who otherwise might not have the opportunity to experience a Christian education.
There are opportunities to participate in EITC during both the fall and spring.

Why participate?

- Help make a PCS education accessible to more families.
- Direct Pennsylvania tax dollars toward Christian education.
- Make a potentially significant impact at a relatively low net cost.
- Businesses may have particularly attractive opportunities through the program.

Ask us how EITC can work for you or your business.

Founders Forum

Captain Butch Wilmore *The astronaut who was stuck in space!*

Tuesday, October 27, 2026

What is Founders Forum?

An annual event where we bring a nationally recognized Christian leader to Plumstead Christian School whose faith has shaped the way he or she lives, works, serves, and leads.

Purpose #1:

Inspire people to live boldly for Jesus Christ. We want our students and our broader community to hear from individuals whose faith has informed their lives at the highest levels.

Purpose #2:

Introduce PCS to the broader Christian community. By inviting families, pastors, business leaders, educators, and friends from throughout the region, this is an opportunity for people to experience our school and consider PCS as an educational option for their children and grandchildren.

The Fund for Plumstead

Best for: Families, grandparents, alumni, businesses, churches, and friends who simply believe in the mission of PCS.

The Fund for Plumstead is the heart of our annual giving program.

Although gifts are welcomed throughout the fiscal year, the annual campaign is generally launched with a mailing and email communication in November, followed by additional reminders during the spring.

PCS operates on a fiscal year from July 1 through June 30, and therefore the Fund for Plumstead's annual goal is based on our fiscal year rather than the calendar year.

Unlike fundraising events in which donors may receive tickets, meals, merchandise, or other benefits, gifts to the Fund for Plumstead are given simply because the donor believes in the mission of Plumstead Christian School.

Why give to the Fund for Plumstead?

The Fund for Plumstead gives donors the opportunity to say:
"I believe in what PCS is doing, and I want to help make it possible."

These unrestricted or broadly designated gifts provide the school with flexibility to respond to the needs and opportunities of the moment.

Your annual gift helps us honor God with excellence today while preparing PCS for tomorrow.

What does the Fund for Plumstead support?

- Tuition assistance
- Academic and co-curricular program enhancements
- Faculty and staff initiatives
- Facility improvements
- Strategic initiatives
- Endowment growth
- Emerging opportunities that strengthen the PCS experience

Athletic Boosters

PCS Athletics is about more than competition—it's about building character, developing leadership, fostering teamwork, and giving students opportunities to grow through sport. The Athletic Boosters Club helps provide the resources, experiences, and support that allow our athletes and teams to thrive.

Your support helps strengthen PCS Athletics and enhances the experience for student-athletes, coaches, and families across our programs. When you invest in our athletes, you're investing in the character, confidence, and Christ-centered leadership being developed both on and off the field.

Sponsorship Opportunities:
Friend of PCS Athletics Sponsorship: **$1,000 / annually** - *includes banner in MAC Gym, recognition on main school and athletic social media accounts, ad on digitial screen at MAC entrance*

Banner in the MAC Gym and/or Baseball Field: **$500 / annually**

To place an ad in our annual printed Basketball Program, contact marketing@pcspa.org.

Spring HSP Event

Ladies' Basket Bingo

Friday, March 12, 2027

Planned and put on by the Home & School Partnership (HSP), Ladies' Basket Bingo is designed to be both a fundraiser and a friend-raiser—an opportunity for women within our community to gather, connect, laugh, and enjoy an evening together. Funds raised through Basket Bingo are used to bless our faculty and help make Teacher Appreciation Week special.

Sponsorship Opportunities:

Event Sponsor - $500

Have your corporate or family name included as the event sponsor in event promotions and on the evening of the event.

Teacher Table Sponsor - $300

Sponsors of a teacher table allow us to invite PCS teachers to attend the event at no cost!

Table Sponsor - $300

A great opportunity for a family or business to sponsor a table and help make the evening possible.

Gift Basket Sponsor

Businesses and families may donate goods, services or provide a monetary donation to sponsor one or more of the gift baskets featured during the evening.

Race for Education

Wednesday, May 12, 2027

The Race for Education is our Lower School students' annual gift to the Fund for Plumstead.

Students gather commitments from family members, friends, neighbors, and others who pledge financial support in exchange for the student's participation in the Race. On race day, students run or walk for a full hour. The event teaches students that they can play an important role in supporting their school community. It also makes giving personal and joyful.

Capital Campaigns

Investing in the Future of Plumstead Christian School

The future of Plumstead Christian School is filled with opportunity. As PCS continues to grow, so do the opportunities to invest in the people, places, and programs that will shape our students' experience. We have exciting plans to expand and enhance our facilities, strengthen our programs, and create new opportunities for learning and discovery.

These investments will foster environments that inspire innovation and creativity, strengthen safety and belonging, and equip PCS to serve generations of students well into the future. Every gift is an investment in the mission of Plumstead Christian School—and in creating a place where students are taught to think biblically, serve effectively, and lead Christ-centered lives.

If you are interested in investing in future capital campaigns, please contact Head of School, Pat Fitzpatrick, at pfitzpatrick@pcspa.org.

Plumstead Christian School

Additional
Opportunities to Give

Throughout the year, families may encounter additional opportunities such as:

- Charleston gift wrap fundraiser
- Poinsettia sales / Senior mission trip fundraisers
- Other Home & School Partnership initiatives
- Class-specific or program-specific fundraising
- Special giving opportunities connected to strategic initiatives

The PCS Gala & Auction will return in the Fall of 2027, and will bring exciting support and sponsorship opportunities.

We are grateful for every form of participation, whether it is a major sponsorship, a $25 gift, a volunteer commitment, a purchase at a fundraising event, or simply inviting a friend to learn more about PCS.

At the end of the day, fundraising at Plumstead Christian School is not really about fundraising.

It is about mission.

Every gift helps us pursue our calling to educate students who think biblically, serve effectively, and lead Christ-centered lives.

Every sponsorship helps us provide experiences that challenge students to grow.

We want to honor God with excellence in everything we do. That means pursuing excellence not merely for excellence's sake, but because we believe the gifts, talents, resources, and opportunities entrusted to us by God deserve our very best.

Our goal is to continue strengthening the academic and co-curricular programs that make a PCS education distinctive while deepening the spiritual formation that gives those programs their purpose.

Thank you for investing in Plumstead Christian School.
