CORE BELIEFS

- **Health & Wellness:** Providing opportunities that promote positive social, emotional, physical, and mental well-being for all members of our school community.
- **Learning Environment:** Prioritizing a safe, flexible, and stimulating learning environment by building strong relationships with all district stakeholders, ensuring district resources meet the needs of our students and staff, and fostering a culture of consistent discipline and accountability to support positive behavior and academic growth.
- **Budget:** Sustaining a fiscally responsible budget that prioritizes school safety, student programming, and continued professional learning.
- **Community Partnerships:** Creating partnerships with families and agencies to create opportunities for our entire community.
- **Family Engagement:** We strive to offer the best customer service by engaging all families in the educational process by providing them with the necessary resources and supports to help them succeed.
- **Academic Achievement:** Improving the proficiency and performance of all students.

MISSION STATEMENT

The mission of Corinth Central School District, located at the gateway to the Adirondacks, is to spark lifelong curiosity in every student through inspired teaching that builds on the strengths of each student and creative partnerships so that our graduates excel in a rapidly changing world.

OUR BOARD OF EDUCATION

Meet our Board of Education Members
President: Danielle Freebern
Vice President: Kelly Gilbert
Board Members:
Travis Bills, Shane Crooks, Tyler Ecuyer, Matthew Richardson, Lorraine Tefft

Attendance Expectations and Procedures

Attendance Policy

Attending school regularly helps create an environment which helps our students foster subject competency, continuity of learning, and responsibility, all of which are integral parts to the educational process. Regular attendance also helps students build stronger relationships with peers, faculty and staff and helps students maintain a positive attitude during their time in school. It should be noted that the district's attendance policy considers class participation as a vital component to a student's grade. Excessive absences from school (18 or more) could result in the loss of course credit. The New York State Education Department defines chronic absenteeism as missing 10% or 18 or more days over a school year for any reason (excused or unexcused).

Attendance Facts

Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.

By 6th grade, chronic absenteeism is one of three signs that a student may drop out of high school.

By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.

Missing 10%, or 2 days a month, over the course of the school year, can affect students' academic success.

Please visit attendanceworks.org for more information.

Excused Absences and Tardiness

The following reasons for pupil absences, tardiness, and early departure shall be considered by the Board of Education to be excused:

- Illness and/or death in the family
- Unsafe travel conditions
- Religious observance
- Medical appointments
- Required court appearances
- Participation in a school-sponsored activity
- Approved college visits
- Approved cooperative work programs or job shadows
- Military obligations
- Other reasons as may be approved by the Commissioner of Education and/or the building principal

Elementary/Middle/High School

Tardiness: It is very important to arrive to school on time. Tardiness to school causes a disruption to the educational process. Students who are frequently late to school will meet with the building principal to discuss their tardiness and may be subject to disciplinary actions.

Good Academic Standing

The school district defines "a student in good standing" as one who has no failing grades on the student's most recent report card. Thus, if the student's report card, at the time that the data is being collected, indicated that the student is passing all of the student's courses, then the student is in good academic standing and such documentation will be shared with the employer as called for in the New York State Labor Law Section 143 as amended by Chapter 642 of the Law of 1991. The attendance record of the student will be included with the data sent to the employer.

Child Find Notice

Schools are required to locate, identify and evaluate all children with disabilities from birth through age 21, including children who attend private schools, public schools, highly mobile children, migrant children, homeless children, and children who are wards of the state. Corinth CSD utilizes a district-wide Multi-Tiered-Support-System (MTSS) to identify struggling students early on, so that they may receive assistance in the general education setting. If you suspect that your student may have a disability adversely impacting his/her ability to be academically successful, please contact your building principal to discuss options. A parent can also directly initiate a referral to the Committee on Special Education or the Committee on Preschool Special Education for children ages 3-4 in writing outlining specific academic concerns to Corinth CSD, 105 Oak Street., Corinth, NY 12822. Attention: Jill Cheney-Bovee, Assistant Superintendent of Pupil Personnel Services.

If you have enrolled your child in a private school and you suspect he or she may have a disability, you need to work with your child's school, along with the CSE of the district that private school is located in, to pursue any possible eligibility for services. For example – Kings School is located in Corinth. This makes Corinth CSD responsible for any special education eligibility and services for Kings School.

Student Insurance Program

Expenses for school-related injuries: balances unpaid by parent's insurance carrier may be submitted to district's business office.

Don't forget to follow us!

Transportation

Our Transportation Department offers safe and reliable student transportation. The most important element of school bus transportation is the safety of students. We strive to deliver students to school ready to learn and home safely when the day is through. We live and work in a community we love.

Please observe the following rules:

1. **Observe same conduct as in the classroom**
2. **Be courteous, use no profane language**
3. **Do not eat or drink on the bus**
4. **Keep the bus clean**
5. **Cooperate with the driver**
6. **Do not smoke**
7. **Do not be destructive**
8. **Stay in your seat**
9. **Keep head hands and feet inside the bus**
10. **Bus driver is authorized to assign seats**

Be sure the bus driver can see your house number!

While waiting for the bus, stand 15 feet off the edge of the roadway.

Students must be at the bus stop 5 minutes before the bus arrives.

Drivers are not permitted to make bus stop changes without written authorization from the Transportation Office. For alternate drop-off or pickup requests during the school year, please complete an Alternate Transportation Request Form, available on the district website at corinthcsd.org/page/transportation.

Questions can be sent to the transportation departments email at: **routing@corinthcsd.org.**

Students who cross in front of the bus must wait for the driver's signal before crossing and should be 15 feet in front of the bus where the driver can see the child and the child can see the driver.

Food Services

Our Food Services mission is to provide nutritious and delicious meals that support students' health and academic success. We prioritize fresh, locally sourced ingredients and well-balanced meals while promoting healthy eating habits and a positive food environment.

All CCSD students will receive a free breakfast and lunch meal in the 2026-2027 school year.

Menus are available on the district website and through My School Menus at myschoolmenus.com, where you can view your student(s)' daily meal choices, nutritional information, and ingredients to support allergy awareness.

LINQ Connect

Securely send money to school anytime, anywhere.

Safely access your **LINQ Connect** account through the app or online and find all the features you need including automatic payments, low balance notifications and detailed reports.

Go to **linqconnect.com** to set up your account.

NYS Regents Testing Days

Health Services

As mandated by the New York State Public Health Laws, students will not be allowed to attend school unless their immunization records are complete.

New York State requires physicals for students:

- Upon entering the District
- Entering Grades K, 1, 3, 5, 7, 9 & 11
- Participating in interscholastic sports
- Applying for working papers
- Being evaluated for Committee on Special Education

Medications will be administered by the school nurse only in instances where a written order from a physician and parent/guardian is submitted. This includes prescription as well as over-the-counter medications. Medications will be stored in the health office. Only under certain circumstances are students allowed to "self carry" medication. This requires prior approval from a physician and the school nurse.

Updates on your child's medical condition, allergies, medications, and immunizations are essential to their safety. It is also very important that the school be provided with a completed EMERGENCY INFORMATION AUTHORIZATION FORM at the start of each year and any time contact information changes.

For more information, please contact:

Elementary	518-654-2960, ext. 1115
MS/HS	518-654-9005, ext. 3445

Student Health Services

Our district has partnered with Saratoga Hospital to offer a Student Health Services initiative.

An advanced practice provider is now available in our district to offer FREE medical care for all students. Some of their services include: care for minor injuries and illnesses; acute care prescription medication; and sports physicals. These professionals will share their time between the Elementary School and the Oak Street campus.

In order for students to take advantage of this great opportunity, parents/guardians must sign and return the consent form to the health office. If you would like to learn more about this service, please go to our website under "Menu"> "Documents"> "Support Services"> "Health Office"> "Student Health Services Consent Form". Should you have questions regarding this service, please call 518-654-9005 or 518-654-2960 Extension, 3445 or 3446.

Asbestos Management Plan

In accordance with the Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA) of 1987 (40 CFR Part 763), the district conducts periodic asbestos surveillance and a required triennial inspection. Asbestos projects shall be conducted according to all applicable local, state, and federal regulations.

The Asbestos Management Plan for each building is available for review during normal business hours in the Director of Facilities Office. For more information, please contact Kevin Templin, Director of Facilities, at (518) 654-9005 or at templink@corinthcsd.org.

Pesticide Notification

Pesticide Notification

New York State Education Law Section 409-H and State Education Department Commissioner's Regulation 155.24, effective July 1, 2001, require all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. The Corinth Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:

- A school remains unoccupied for a continuous 72-hours following an application;
- Anti-microbial products;
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children;
- Silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children;
- Boric acid and disodium octaborate tetrahydrate;
- The application of EPA designated biopesticides;
- The application of EPA designated exempt materials under 40CFR152.25;
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your school, please complete the pesticide notification form located on the District website-Menu-About Us-Notification & Public Notices and return it to Kevin Templin, Director of Facilities, 105 Oak Street, Corinth, NY 12822. Kevin Templin, the school pesticide representative, can be reached by phone at (518) 654-9005 Ext: 3406 for further information on these requirements.

New York State's Distraction-Free Schools Law

Corinth Central School District is committed to maintaining a distraction-free learning environment for all students. Every student has the right to a school experience where academic achievement and positive peer interactions are prioritized and respected.

New York State's Distraction-Free Schools Law (S.3006 / A.3006) prohibits the use of internet-enabled devices during the school day, including instructional time, passing periods, and lunch. These devices include, but are not limited to, cell phones, tablets, smartwatches, gaming systems, and earbuds.

The easiest way to comply with the new law is to simply leave personal devices at home, and we strongly encourage all who are able to do so. Students who bring a device to school must have it securely locked in the appropriate storage location for the entire school day. Under the law, students are not allowed to have devices on their person or in their backpacks during the school day.

Families who need to reach their student during the school day should call the school office. A staff member will deliver urgent messages to students or help arrange for the student to return the call when appropriate. Families may also drop off a written note at the appropriate school office, and staff will ensure it is delivered.

Students may request to use a school phone during non-instructional times or in the event of an emergency to contact home. Phones are available in each main office for student use.

CORINTH RIVERHAWKS

Rooted in Responsibility. Rising in Results.
