

SCHENECTADY HIGH SCHOOL

High School Information Sessions for 8th Grade Families

To ensure a smooth and successful transition to high school next year, we are hosting a series of student and family information sessions.

Our goal is to help students plan a well-rounded and engaging freshman experience that aligns with their specific interests. The sessions will introduce 8th graders to the programs, opportunities, and leadership academies available at the high school.

Choosing the right path is important, and parental engagement is essential throughout this selection process. We look forward to partnering with you to prepare your student for high school success.
