◀ Construction Trades

This is a free construction trades program designed to provide local residents with an opportunity for education and training in a skilled trade in preparation for employment.

Upon completion of the program, students will receive OSHA 30 certification, Employability skills training, Life Skills training, NCCER Core national certification (National Center for Construction Education and Research), along with hands on experience in framing, sheetrock, taping, and painting by our Master Trainers in collaboration with local contractors.

Students should plan on a 6-8 month commitment to the program. Classes are Monday-Friday from 8 a.m. - 2 p.m. (following the school calendar). Students without a high school diploma will be expected to enroll in a high school equivalency prep class as well.

To Register

Perspective students should apply in person at Washington Irving Educational Center at 80 Nott Terrace, in Schenectady.

Classes are forming now. Students do not need any paperwork, but should allow approximately 2 hours for registration and a math/reading assessment.

The success of this program and our students is a direct reflection of the collaborations between educational programming (Schenectady City Schools, Universal Concepts), non-profit support and leadership (Schenectady's Help Yourself Win), and local contractors (JAFJR Construction). Students that successfully complete this program are prepared to begin their journey in the construction trades field with experience, mentorship, and the confidence to be an asset to any employer.

◀ Literacy Tutoring

Literacy Volunteers Capital Region

Offering individual and small group instruction at no cost to eligible learners. The classes help individuals learn to read, write, speak English, and improve their math and computer skills. Tutoring is free and confidential for students. Tutors and students work together for an average of 1 to 2 hours per week to meet students' goals.

◀ Our Mission

The mission of the Schenectady City School District Education Foundation is simple: provide funding for the enhancement of learning opportunities not otherwise available to the students in Schenectady Public Schools.

Since 2006, grants totaling over \$600,000 have been awarded for a multitude of projects: a green house, musical instruments, technology, field trips and more.

How to Donate

All donations, large and small, are appreciated and tax deductible as permitted by law. We are grateful for your support as we continue to provide additional funding and support for our local Schenectady City School District students. Make a Donation via Major Credit Card or Paypal after scanning the QR code above.

What We Support

- Enhancing visual & performing arts opportunities that enrich school course offerings.
- Creating projects and programs that allow students to understand and utilize state-of-the-art advancements in STEM.
- Continuing to support teachers to develop innovative instructional experiences supporting a rigorous curriculum at all levels.
- Reaching out to professionals to inspire students to find their passion. These professionals include authors, artists, musicians, philosophers, scientists, and athletes to name a few. These professional's goals are to increase student's love of learning and help students at all grade levels to realize the value of learning.
- Providing greater opportunities for students to participate in performing arts and developmental programs requiring the use of resources that are not usually funded by the school.
- Allowing students to engage in activities that promote learning about their communities and engaging students in opportunities to improve their communities.
- Encouraging students to engage in activities that provide them with the skills and values needed to live healthy lives.
- Supporting students in their efforts to develop literacy and communication skills and to appreciate the value of those skills for leading richer lives.
- Assisting students in developing the skills needed to explore career opportunities now and in the future.
