

Creating PowerSchool Parent Account

PowerSchool Parent Portal allows parents to access real-time information including attendance, grades and detailed assignment descriptions, school bulletins, and messages from teachers.

Here are the steps to create an Account:

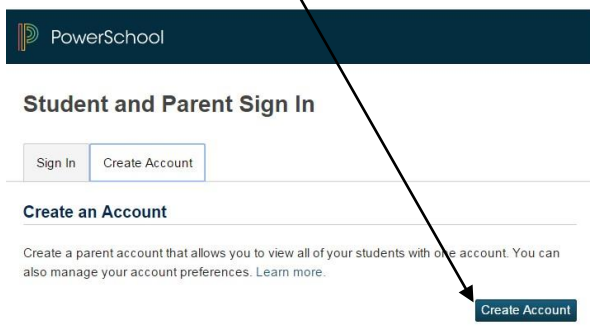

1. Create an account by using the following link: <https://ps.shasd.org>
Click on "Create Account".

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". Below these are input fields for "Username" and "Password", and a "Sign In" button. A link "Forgot Username or Password?" is also present. A black arrow points to the "Create Account" button.

If you have already created an account, enter your username and password and click on the "sign in" button below the page.

2. Click on "Create Account"

The screenshot shows the PowerSchool login page. At the top is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". Below these is a section titled "Create an Account" with a sub-heading "Create an Account" and a paragraph of text: "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. Learn more." A "Create Account" button is at the bottom right. A black arrow points to this button.

3. Enter your Name, Email and desired Username and Password.
Please note your password must be at least 6 characters long.

The screenshot shows the 'Create Parent Account' form on the PowerSchool website. The form includes the following fields: First Name, Last Name, Email, Desired Username, Password, and Re-enter Password. Below the password fields, there are four password requirements listed in a grid:

Password must:	•Be at least 7 characters long	•Contain at least one uppercase and one lowercase letter	•Contain at least one letter and one number	•Contain at least one special character
----------------	--------------------------------	--	---	---

4. Scroll down the page and complete the “Link to Students Accounts” portion

The screenshot shows the 'Link Students to Account' form. It contains two identical sections for linking a student's account. Each section starts with a numbered box (1 and 2) and a text prompt: 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. The fields for each student are: Student Name, Access ID, Access Password, and Relationship (a dropdown menu with '-- Choose' selected).

You can contact the school for this information.

Please use the Parent access ID when linking your child’s account. You can add multiple students at the same time.

5. Once all Access ID's and Passwords have been entered, hit enter at the bottom of the page.
6. You will be brought back to the sign in page. Enter the username and password you created.
