

7th Grade Supply List

This supply list gets our incoming 7th graders started for their new adventure at Wooster. Once they have visited all their classes the first week of school, they will most likely be given lists of more specific supplies needed in their core classes. **ALL STUDENTS MUST HAVE THEIR OWN SUPPLIES ON THEM EACH DAY, INCLUDING THEIR CHARGED CHROMEBOOK.**

- **ONE large Zip-Up Binder or (4) 2" Binders** (one for each Academic class): If you can find one that fits the chromebook inside, that would make it easier to carry from class to class.
- **Side Mouse**: to be used with your Chromebook-chromebook track pads glitch all the time and a side mouse would make things easier. Nothing expensive needed. **ALSO Recommended**: chromebook protective sleeve.
- **4 Twin Pocket Folders with holes**: To be placed into the front of the binder to hold homework for core subjects. (suggestion: get 4 different colors!)
- **2 Packs of Loose Leaf Filler Paper**: To be used to complete classwork and homework.
- **2 Bound Composition Notebook (NOT A SPIRAL NOTEBOOK!)**: This will be for Language Arts and Science class.
- **1 Box of Tissues** (This is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)
- **1 Container of germ killing cleaning wipes** (this is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)
- **1 Bottle of Hand Sanitizer** (this is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)
- **ONE pencil pouch**: with the 3 holes is best to clip into your binder

The following should be placed into a pencil pouch:

- **Colored Pencils, thin markers and highlighters**
- **LOTS of pencils and pens (black or blue ONLY)** - Students are NOT allowed to use colored or pastel pens on their assignments – only black or blue.
- **One inexpensive calculator** - students are NOT allowed to use their phone calculators.

⇒ **Use of a computer/internet at home:**

- *The daily use of Google Classroom will be required in all classes.*
- *Students should charge their chromebooks every night, like they do with their cell phones. But just in case they forget, students should bring their charging cord to school each day with their Chromebook, just in case it needs to be charged.*

REMINDER: Students are responsible for being prepared DAILY with the above supplies for EVERY class, ESPECIALLY A PEN OR PENCIL. If and when any of the above materials are lost, broken, or have run-out at any point throughout the year, they will need to be replaced. **Teachers are NOT responsible for supplying students with pens, pencils, paper, etc.**
