

8th Grade Supply List

General Supplies:

-LOTS of pens and pencils. Teachers are **NOT** responsible for supplying students with pens, pencils, paper, etc. Students should keep extra writing supplies in their locker or a pencil case to use throughout the year. Students are responsible for having their own writing supplies in all classes each day.

- small package of colored pencils

-Ruler (with both inches and centimeters)

-Highlighters

-Pencil Case for in binder

-Either (4) 2" binders or 1 extra-large Zip-Up Binder, lined filler paper and twin pocket folders for each Academic class

-Highly Recommended-Chromebook protective sleeve **and** an extra USB mouse- because the track pads on chromebooks glitch often

-1 Box of tissues (this is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)

- 1 Container of germ killing cleaning wipes (this is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)

- 1 Bottle of Hand Sanitizer (this is brought to their homeroom teacher during the first week of school for all students to use over the course of the year)

Math:

-twin pocket folder

-lined paper

-ruler

-TI-84 Calculator (not required, but recommended)

Social Studies:

-1½" - 2" 3-ring binder

- lined filler paper

- twin pocket folder & dividers

- 3 hole pencil case filled with lots of pens, pencils and highlighters

- Colored Pencils and Markers (thin)

Language Arts:

-twin pocket folder

-composition notebook

-sticky notes

Science:

-Composition notebook

-twin pocket folder

3 Ring Binder w/lined paper

Note: Students are responsible for being prepared **DAILY** with the above supplies for all classes. If and when these items are lost, broken, or run out, it is important that students have replacements so that they can continue to be successful.

Use of a computer/internet at home- this is very important, because most teachers have students complete many assignments, homework, and projects on the computer, requiring the use of the internet.
