I have read and understand that student parking on the Valdosta High campus is a privilege, not a right. I understand that this privilege will be revoked if the rules and/or instructions given by school officials are not followed. I also understand that keeping my grades at a satisfactory level is a condition for parking on the campus and those privileges will be revoked at the end of each semester if my grades drop below the guidelines stated in the rules above.

NOTE: All vehicles parked on the VHS campus are subject to be searched by school officials. Students will be held responsible for ALL contents of their vehicle. There will be no reimbursement for lost decals, confiscated decals, or withdrawals for any reason.
