School Environment

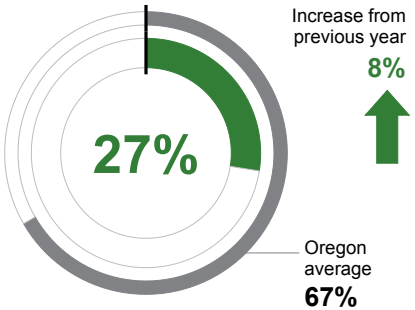

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

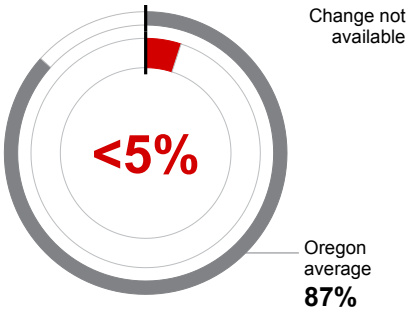

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

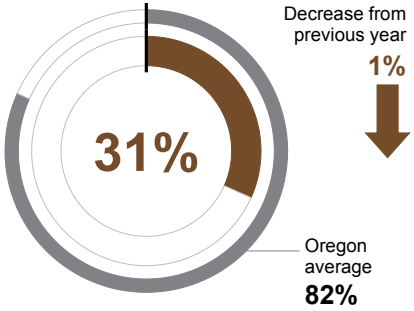

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

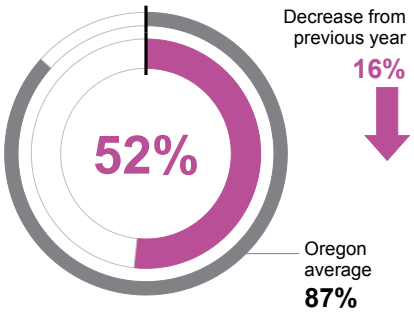

ON-TIME GRADUATION

*Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2020-21 graduating in **2023-24**.*

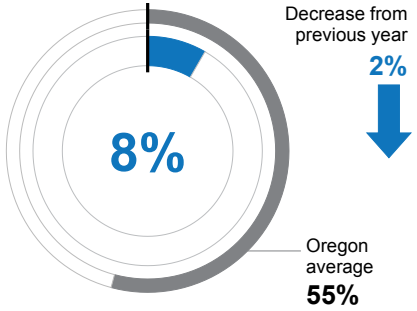

FIVE-YEAR COMPLETION

*Students earning a high school diploma or GED within five years. Cohort Includes students who were first-time ninth graders in 2019-20 finishing in **2023-24**.*

COLLEGE GOING

*Students enrolling in a two or four year college within 12 months of completing high school in **2022-23**. Data from the National Student Clearinghouse.*

School Goals

KLC is a small alternative high school designed to meet the unique educational needs of those who struggle in more traditional school settings. We provide students with the opportunity to complete their high school diploma or GED requirements. We emphasize a growth mindset and prepare all students for future success in college, career, and life.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

KLC works to ensure that all students and their parents feel welcome. We provide free meals to each of our students so there is no differentiation between socio-economic classes. Parents are encouraged to drop by the school at any time and are provided a parent portal so that they can keep up with their student’s progress. We communicate through mail, phone calls, email, and texting daily, and have bilingual staff on-site to translate and interpret as needed.

About Our School

ADVANCED COURSEWORK

KLC works with the local university and community colleges to offer dual credit options when appropriate. We inspire student success by offering the career pathways option at our local community college. We assist students in achieving GED scores that will qualify them for post-secondary scholarship opportunities.

CAREER & TECHNICAL EDUCATION

KLC offers CTE opportunities within our curriculum. This includes CTE courses in Agriculture/Natural Resources, Business Management, Health Sciences, Hospitality/Tourism, Human Services, Information Technology, Law, and Corrections/Public Safety. KLC students also have the opportunity to concurrently participate in CTE courses at our other district high schools and on our community college campus.

EXTRACURRICULAR ACTIVITIES

KLC students can participate in all extracurricular activities offered at the local comprehensive high school.

PARENT & COMMUNITY ENGAGEMENT

KLC encourages consistent communication with parents and partners with them whenever possible. Parents are contacted daily regarding tardiness, absences, student behavior, and academic progress. We have an open house and parent conferences where food is provided. We work with several different agencies, educational institutions, and neighboring school districts to help build a strong educational foundation and wraparound services. Partnerships include Operation School Bell, Klamath Promise, Klamath County Juvenile Department, Reengaging Youth, and Klamath Basin Behavioral Health.
