School Goals

KHLA's goal is to provide an alternative learning option for our students with the same academic rigor that is found in a brick-and-mortar school. Our motto is "Education Your Way for an Ever-Changing World."

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

At KHLA's online program, all students are partnered with a teacher so that no matter where students are accessing their learning, they still have access to a safe and welcoming learning environment.
