Klamath Early Childhood Development Center

Little Learners Preschool

2025–2026

Welcome to a new school year at the Klamath Early Childhood Development Center (KECDC)! We're thrilled to begin another year of learning, laughter, and growth with our youngest learners and their families.

At KECDC, we support student success through Preschool Promise and Early Intervention/Early Childhood Special Education (EI/ECSE) programs designed to meet the unique needs of every child. Each year brings new opportunities to connect, explore, and celebrate the incredible progress of our students.

We believe every child deserves a strong start—and that begins with meaningful relationships among families, educators, and community partners. Our center provides a safe, nurturing, and inclusive environment where every child can learn and thrive.

Throughout the year, we'll embark on a joyful journey filled with discovery, enriching experiences, and endless opportunities for growth. We also host monthly family events that bring our community together—we hope you'll join us!

Families are at the heart of everything we do. We encourage parents and caregivers to stay connected through classroom updates, newsletters, and special events. Together, we can ensure every child's early learning experience is joyful, engaging, and full of discovery.

Warm Regards,
Holly Mancebo, Principal
Joelene Grande, Assistant Principal
