

## ON THE WATER

### WATER & BOAT SAFETY

All aspects of boating and water safety will be covered. This course will cover new and existing laws along with safety tips. All ages are welcome to attend. This certificate meets the Missouri State boating requirements. Tuition covers manual cost. **Please note:** There are two opportunities to take this class. Each class offered will fulfill the Missouri State boating requirements. If you have any questions please reach out to Steve Larson at (712) 210-2123 or [tablerock132@yahoo.com](mailto:tablerock132@yahoo.com).

**Instructor:** Coast Guard Academy

**Cost:** \$20 (paid on first day of class and lunch is included)

Sessions #1 - Saturday 3/14 ..... 9:00-3:00

Location: ..... Extreme Outdoors  
(16957 Highway 13, Branson West)

Sessions #2 - Saturday 5/2 ..... 9:00-3:00

Location: ..... Extreme Outdoors  
(16957 Highway 13, Branson West)

### INTRODUCTION TO FISHING WORKSHOP

Have you ever wanted to learn to fish from an area expert? If so, now is your chance to learn the basics and cast your line. Students will be introduced to the following: Tackle, baits, knot tying, casting, fish handling, and promoting conservation. Students will learn about what types of tackle are needed for targeting different species of fish and learn basic information on where and how to locate fish in any body of water. Students will need to bring their own rod and reel and bringing additional tackle is optional. TRCC will provide hooks, weights, bobbers, and nightcrawlers.

1 session: Saturday 5/9 ..... 8:00-12:00

Instructor: ..... Sam Poulos  
Location: ..... 72 Irish Boulevard • Kimberling City  
Tuition: ..... \$40

## BUSINESS & COMPUTERS

### MICROSOFT OFFICE

Learn the basics of Microsoft Office applications, specifically Microsoft Word, Microsoft Excel, and Microsoft PowerPoint. Delve into formatting documents, choosing themes, and learning all kinds of tips in Word. Learn formulas, graphing, and organization in Excel. Amaze with colors, presentation styles, and implementations of PowerPoint. The teacher is open to answering any questions, and enjoys giving tips and tricks along the way.

3 sessions: Tuesday 4/14-4/28 ..... 6:00-9:00

Instructor: ..... Natalie Miller  
Location: ..... Table Rock Career Center (Room 203)  
Tuition: ..... \$53

### GOOGLE WORKSPACE FUNDAMENTALS

The class will provide hands-on training in the core applications of Google Workspace (formerly Google Suite), designed to help participants improve productivity, communication, and digital organization. Students will learn how to confidently use Gmail, Google Calendar, Google Drive, Docs, Sheets, and Slides through guided instruction, real-world examples, and interactive practice.

- Navigating and organizing Google Drive
- Creating, editing, and sharing documents in Docs
- Building spreadsheets and using basic formulas in Sheets
- Designing professional presentations in Slides
- Managing email efficiently in Gmail
- Using Calendar for scheduling, reminders, and time management
- Collaboration tools such as comments, permissions, and version history.

3 sessions: Tuesday 3/24-4/7 ..... 6:00-9:00

Instructor: ..... Natalie Miller  
Location: ..... Table Rock Career Center (Room 203)  
Tuition: ..... \$53

# LANGUAGES

## LEARN ENGLISH THROUGH LITERATURE

This Read classic American literature recently brought to new life on both stage and screen. We will be reading *The Wonderful Wizard of Oz* (Baum, 1900). The book is free at <https://www.gutenberg.org/ebooks/55>. This book is written at 7th grade reading level and a Penguin Reader level 2. The 24 chapters are only a few pages each. The class is intended for speakers of other languages who want to broaden their foundational English skills.

8 sessions: Thursday 3/26-5/14 ..... 6:00-7:30  
Instructor: ..... Gavin Selzer  
Location:.....Table Rock Career Center  
(Conference Room)  
Tuition:.....\$53

## ARTS & CRAFTS

## INTRODUCTION TO PICKLEBALL

See what all the fuss is all about! Pickleball is the fastest growing sport in the world. This introductory course is designed for people with little to no exposure to pickleball. We will cover the basics which includes: rules, scoring, basic shots and strategies. Students will receive on-court instruction, participate in structured drills, and actually play games with oversight by the instructor to help with questions. Balls and paddles will be provided. Participants can expect a moderate level of physical exertion. Athletic attire and court shoes are highly recommended.

6 sessions: Thursday 4/16-5/21 .....5:30-7:30  
Instructor: ..... Bob Brandt  
Location:.....Wolf Pack Park Pickleball Court  
Tuition:.....\$53

## PHOTOGRAPHY

### INTRODUCTION TO PHOTOGRAPHY

This course covers essential camera and photography basics, including exposure, focus, composition, and camera settings. Participants will gain practical skills to move beyond auto mode and confidently capture well-exposed, engaging images in everyday situations. Students will be introduced to the three elements of an image (aperture, shutter speed, and ISO light sensitivity) and how each one works and how they work together. Students will then dive deeper into the artistic side of the photograph and learn about composition, style, and more. Students are encouraged to bring their cameras to class every week and participate in the hands-on demonstrations. Cameras, tripods, and shutter release triggers will be used if you have them.

4 sessions: Tuesday 4/7-4/28 .....6:00-8:00  
Instructor: ..... Jane Ballard  
Location:.....Table Rock Career Center  
(1st Floor Collaboration Area)  
Tuition:.....\$53
