TABLE ROCK CAREER CENTER

FALL 2026 Community Education Class Schedule

Welding

This class is designed for beginning and progressing welders. After the first night of safety and introduction the class will transition into the shop. Students will work on skills in the booth for the remainder of the class. Several types of welding processes will be touched upon including SMAW, GTAW, GMAW and FCAW. Fixed shade welding hoods will be available for those who need one. The instructor would advise an auto darkening welding hood for beginners. All students must provide their own welding gloves. If needed, TRCC will provide a pair for $25. All other needed PPE will be covered during the first night of safety.

Instructor: Jordan Lewallen
Sessions: 8
Dates: Thursdays, 9/24-11/12
Time: 6:00-9:00
Location: TRCC (Welding Lab)
Tuition: $260

Please Note:
If Reeds Spring Schools are dismissed early or canceled, night classes will NOT be held.

Basic Car Care Workshop

Have you ever wished you had an opportunity to learn what it takes to make sure your car is always ready for the road? If so, this class is for you! In this workshop car owners will have an opportunity to learn the ins and outs of one's personal vehicle. Space is limited. All tools will be provided. Students can register for one of the two sessions available.

Students will bring his/her car to the class and learn the following:

- Change/check one's oil
- Check fluids, belts, and filters
- Navigate on a automotive parts databases
- Change wiper blades
- Essential things one need to keep in his/her car
- Pre-trip inspection
- What to do while you pump gas
- Where to find your jack, spare, and tire tools
- Change a flat tire
- Plug a flat tire
- How to inspect brakes
- How to replace headlights and other lamps
- How to replace a battery
- Important information about one's particular car
- How to use the basic tools needed for these basic tasks

Two opportunities to take this class!

Dates: Tuesdays, 10/13-10/20
Time: 6:00-9:00
Location: TRCC Commons
Tuition: $53

Introduction to Pickleball

See what all the fuss is all about! Pickleball is the fastest growing sport in the world. This introductory course is designed for people with little to no exposure to pickleball. We will cover the basics which includes: rules, scoring, basic shots and strategies. Students will receive on-court instruction, participate in structured drills, and actually play games with oversight by the instructor to help with questions. Balls and paddles will be provided. Athletic attire and court shoes are highly recommended.

Instructor: Bob Brandt
Sessions: 6
Dates: Thursdays, 9/17-10/22
Time: 5:30-7:30
Location: Wolf Pack Park
Cost: $53

Yoga for Everyone

This class focuses on developing fundamental yoga skills, increasing strength and flexibility, and using the breath to quiet the mind and find peace. Suitable for beginner to intermediate level. Everyone can experience the physical and mental benefits of yoga. Wear comfortable workout clothing and bring a bottle of water and a yoga mat. Relax, reduce stress, find balance.

Instructor: Cassie Maddox
Sessions: 8
Dates: Thursdays, 10/1-11/19
Time: 6:00-7:00
Location: RSMS Weight Room
Tuition: $53
