MITCHELL HIGH SCHOOL EMPLOYEE SPOTLIGHT

Janesa VandenHoek

English Teacher/2nd Chance

3 Years at MSD

Where did you go to High School and what kind of student were you?
MHS! I was pretty quiet and kept to myself, but I loved theater and art and was quite active in both.

What advice would you give your 16 year old self?
It's okay to be outspoken and stand up for yourself.

If you weren't working in education, what career path would you have taken?
Before deciding on education, I wanted to be a freelance artist/writer.

What is your favorite part about working at Mitchell High School?
My favorite part about working at MHS is the community among the staff. The support we give one another is truly amazing.

What's your favorite thing to do on weekends?
My favorite thing to do on the weekends is to curl up with my cat, Sushi, and read a book or draw. Though Sushi's not always helpful in those endeavors.

MITCHELL HIGH SCHOOL
EMPLOYEE SPOTLIGHT

Kamden Miller

Social Studies Teacher

4 Years at MSD

Where did you go to High School and what kind of student were you?

I attended Plankinton High School, and was a good student but introverted (still am). Tried hard and didn't want to let down my teachers or coaches.

What advice would you give your 16 year old self?

Be patient (and don't trade away your Star Wars figures).

If you weren't working in education, what career path would you have taken?

Something in the world of Art.

What is your favorite part about working at Mitchell High School?

Greeting students in the hall. I enjoy those quick friendly interactions with students.

What's your favorite thing to do on weekends?

Trying out new hobbies.

MITCHELL HIGH SCHOOL EMPLOYEE SPOTLIGHT

Kate McEntee

School Nurse

4 Years at MSD

Where did you go to High School and what kind of student were you?

I am a Kernel through & through, MHS class of 2010. I was a big nerd, very focused on academics & student groups. I was the sophomore, junior, and senior class president, president of FBLA, newspaper editor, volleyball player, shot put & discus thrower, & boys basketball statistician.

What advice would you give your 16 year old self?

Do what you enjoy, hang out with friends, & don't date that loser.

If you weren't working in education, what career path would you have taken?

If I were not a school nurse (and not in the school system), I would likely be a nurse at a clinic. I had considered goingon for more behavioral analyst training.

What is your favorite part about working at Mitchell High School?

I love getting to work with Katie & Shaniah ;). I also enjoy getting to see students moving through their school career & watching them excel.

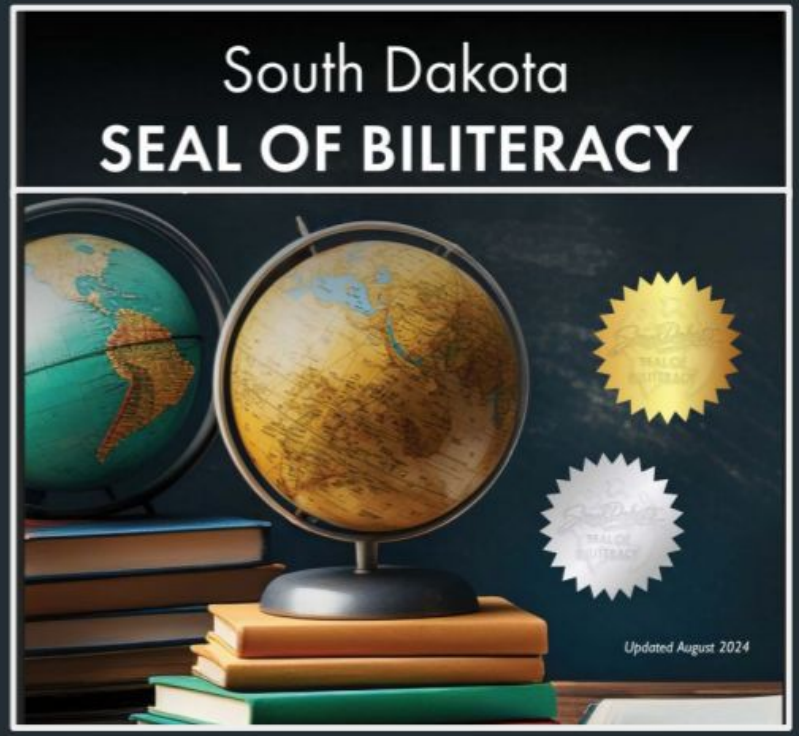

What's your favorite thing to do on weekends?

My current fixations are reading & quilting. Check out my quilted projects in the nurse's office.

Do you speak more than one language?

You may be eligible for the SD Seal of Biliteracy!
