MITCHELL HIGH SCHOOL EMPLOYEE SPOTLIGHT

Katie Murphy

Spanish 1 & 2 Teacher

18 Years at MSD

Where did you go to High School and what kind of student were you?
Coon Rapids High School in Minnesota. I graduated with 800 students in my graduating class. I was very shy and just wanted to blend in.

What advice would you give your 16 year old self?
Just go for it!

If you weren't working in education, what career path would you have taken?
I have no idea. I think this is what I am meant to do.

What is your favorite part about working at Mitchell High School?
Every day is different.

What's your favorite thing to do on weekends?
Relax, eat out, and hang out with my family

MITCHELL HIGH SCHOOL EMPLOYEE SPOTLIGHT

Amanda Lynch

Science Teacher & Track Coach

5 Years at MSD

Where did you go to High School and what kind of student were you?

Unity Christian High School- I worked hard and was busy in sports and music extracurriculars.

What advice would you give your 16 year old self?

Most decisions in life aren't a matter of right or wrong, and you can make the best out of most choices.

If you weren't working in education, what career path would you have taken?

I wanted to be a dentist before teaching, but if I chose now, I'd want to be a National park Ranger.

What is your favorite part about working at Mitchell High School?

I taught at a small school before so I love having other science teachers to problem solve with. But my favorite is always the kids, they are weird and funny and I'm laughing most days!

What's your favorite thing to do on weekends?

Stay-at-home days with my kids! I also like to read and work out.
