Mission Statement: Empower All Students to Achieve

Mrs. Beaudette – Superintendent, lbeaudette@ldne.org
Mrs. Totten – Elementary Principal, btotten@ldne.org
Mr. Swanson – Secondary Principal, wswanson@ldne.org

Absence Reminder:
If your student is ill or will be absent from school for any reason, the school requests that you call (402) 687-2363 or email: attendance@ldne.org before 8:30 a.m. that day to let the secretary know. When your student returns to school, please send a written excuse or doctor's excuse. All students must check in at the Principal's Office when entering or leaving the building during school hours.

LDNE Reunification Plans
Parent and/or Guardian Expectations

Student and Parent Reunification:
Circumstances may occur at the school that require parents to pick up their students in a formalized, controlled release at an alternative location. This process is called Reunification and may be necessary due to weather, power outage, hazmat, or if a crisis occurs at the school. The standard reunification method is a protocol that makes this process more predictable and less chaotic for all involved. **The designated reunification location for Lyons-Decatur Northeast is the Lyons Community Center at 335 N. Main Street in Lyons.**

Notification:
Parents and Guardians may be notified in several ways. We may broadcast a phone or text message, or we may request a student to text his or her parents. A reunification message may look something like this: "LDNE has closed the school. Please pick up your student at 3:30 p.m. at the Lyons Community Center at 335 N. Main Street. Please bring your ID."

Parent/Guardian Expectations:
If students and staff must evacuate the building, they will walk to the Lyons Community Center as a group. Once there, the staff will set up for the reunification process and will not allow parents or guardians in the building until given permission by the Administration and/or Law Enforcement.

Parents will be asked to form a line and enter through the North doors on main street. We will limit the number of parents in the building at one time and parents will be guided through the building until reunited with their student. We will expect parents to be patient and cooperate as we work to reunite each student with his or her parents and/or guardians. *Students will be held until parents and/or guardians are able to pick them up.*

We hope the standard reunification process we have established here at LDNE will provide a successful reunification process for students and parents in the event of an emergency.

Thank you to all who have supported our Cougar Athletes! The Cougar Booster Club continues to invite all parents and supporters to become Booster Club Members.

School Visitation:
Parents/guardians and Patrons are reminded of the handbook procedures on visiting classrooms. All visitors are advised to call ahead and contact the teacher ahead of time about visitation. You are directed to stop at the main office to register.

Drop Off/Pick Up:
Please use caution during student drop-off and pick-up, while paying special attention to children who may be crossing the street. At no time should you pass the buses while they are loading or unloading students. We ask that you utilize the drop off lane if you plan to stay in your vehicle and that you park in either the west or south parking lot if you plan to get out of your vehicle and walk your child inside.

Title I Parent Meeting:
Lyons-Decatur Northeast Schools is a schoolwide Title I program. This means that all students can be served by Title I. All elementary parents are invited to attend our annual Title I meeting. The meeting will allow time for parents to ask questions about the Title I program and provide input on possible changes for future services. The meeting will be held on Wednesday, September 30th, in the Title I Room (132) at 5:30 p.m., in conjunction with Parent-Teacher Conferences.

Student Progress:
Parent Teacher Conferences are on September 30th from 2-7pm.
Secondary Parents will be informed weekly by mail if your son or daughter is having difficulties or failing in a specific class. Mailings will only be sent for students who are receiving a D or F for their grade. A student will be put on probation for their first offense and will get one probationary week each semester. All subsequent offenses will result in ineligibility of the student for all activities the following week. Should a student's name be placed on the ineligibility list, the student shall be ineligible for all co-curricular and extra-curricular activities from Monday morning through Monday morning of the following week.

PowerSchool:
PowerSchool continues to be a great place for parents to watch the progress of their 7-12 students. When parents log into PowerSchool, those with more than one student should be able to see all their students. If you are not seeing all your students, please call the principal's office and we would be happy to assist you with that.

PBiS (Positive Behavior Interventions and Supports)
PBiS is used to improve school safety and promote positive behavior at Lyons-Decatur Elementary. Teachers and paraprofessionals teach students about behavior, just as they would teach about any other subject. PBiS recognizes that students can only meet behavioral expectations if they know and are taught the expectations. Throughout the school day - in class and in all areas of the school, students have been taught what is expected of them and are recognized for positive behaviors.

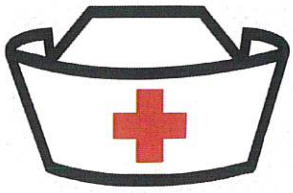

High Ability Learners:
The State of Nebraska and Lyons-Decatur Northeast Schools defines a learner with high ability as "A student who gives evidence of high-performance capability in such areas as intellectual, creative, or artistic capacity or in specific academic fields and who requires services or activities not ordinarily provided by the school in order to develop those capabilities fully." The purpose of the High Ability Learner program is to provide an inclusive environment and create opportunities for students to develop talents in their domain of strength while focusing on the specific affective, social, and academic needs of gifted and talented students. If you would like more information about our program, please contact the school at 402-687-2363.

Weather Alerts:

The sources we will use to notify people of any changes in our school schedule:

1. Direct phone call and text message to those families with students enrolled in school
2. The LDNE App, Facebook, and Twitter

Notes from the Nurse:

Saving the Lives of Nebraska's Children

Asthma has reached epidemic proportions over the last 15 years and is the most common chronic childhood disease. Nearly one in thirteen school-aged children have asthma, causing increased rates of school absenteeism, hospitalizations and even death. Life-threatening allergic reactions are also becoming more common, resulting from exposure to certain foods, stinging insects, medications and latex rubber. Anaphylactic shock can turn deadly in a matter of minutes.

All schools in Nebraska – public, parochial and private – are now prepared to respond to life-threatening asthma and anaphylaxis emergencies. The protocol *Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (Anaphylaxis)* trains school staff members to identify signs and symptoms of a "breathing emergency" and respond by calling 911, and administering EpiPen® followed by nebulized albuterol. All emergency response team members must be trained in CPR.

In a partnership with the Nebraska Department of Education, AIRE Nebraska (Asthma/Allergy Intervention, Resources & Education Nebraska) is the non-profit organization assisting schools with education, training and procurement of medications and supplies.

What do community members need to know?

- Nebraska Department of Education requires schools to follow the protocol through *Rule 59, Regulations for School Health and Safety* (Title 92, NAC, Chapter 59).
- The protocol addresses life-threatening emergencies and is meant to **prevent asthma or anaphylaxis deaths at school.**
- The school's EpiPen® and Albuterol do not replace a child's own prescribed medications for asthma/allergy control and management. Parents are expected to ensure their children continue to have school-day access to MDI's, EpiPen®, etc. and to have an Asthma/Allergy Action Plan or emergency medical plan on file with the school.
- Education and training developed by AIRE Nebraska includes general information on asthma and anaphylaxis to increase awareness among all school staff, so a child's breathing problems are taken seriously and referred to a healthcare provider for proper diagnosis and treatment.
- AIRE Nebraska supported Nebraska legislation (NRS 79-224) that protects students' right to self-carry and self-administer prescribed asthma and anaphylaxis medications at school and at school-related events. AIRE Nebraska recommends that these students maintain backup medications at school.

If your child has diagnosed Asthma or Allergies, a "Student Asthma/Allergy Action Plan" must be completed by your child's physician and provided to the school nurse. Please obtain a form from the school.

LDNE One-Act Season is Upon Us!

This year's one-act play is a comedy titled "Kochenderfer's Dracula" written by Tim Kochenderfer. LDNE has not done a true comedy since "Drama Geeks vs. Zombie Cheerleaders" in 2019! But, in true LDNE style, expect some darkness, fun costumes, and interesting charcters. We currently have 35 actors on stage and 19 in the tech crew.

This year EHC One Act competition will be hosted in West Point at the Nielsen Center. Be sure to put it on your calendars. I'd LOVE to fill the gym for our performance. We perform at 2:45 PM. Please check out the rest of our competitions below!

*Note: These are the current times that Lyons-Decatur performs. Most competitions begin about 9:00 AM. Check social media prior to competitions for updates.

News from the Guidance Office

College Visits: Seniors and juniors planning to continue their education beyond high school should be thinking about arranging a college campus visit. Campus visits are an important part of selecting a college, and parents are encouraged to accompany their son or daughter whenever possible. Campus visits are arranged through the Guidance Office. We need 48 hours notice to get your student a green sheet. Thank you.

What's Happening In High School:

Seniors:

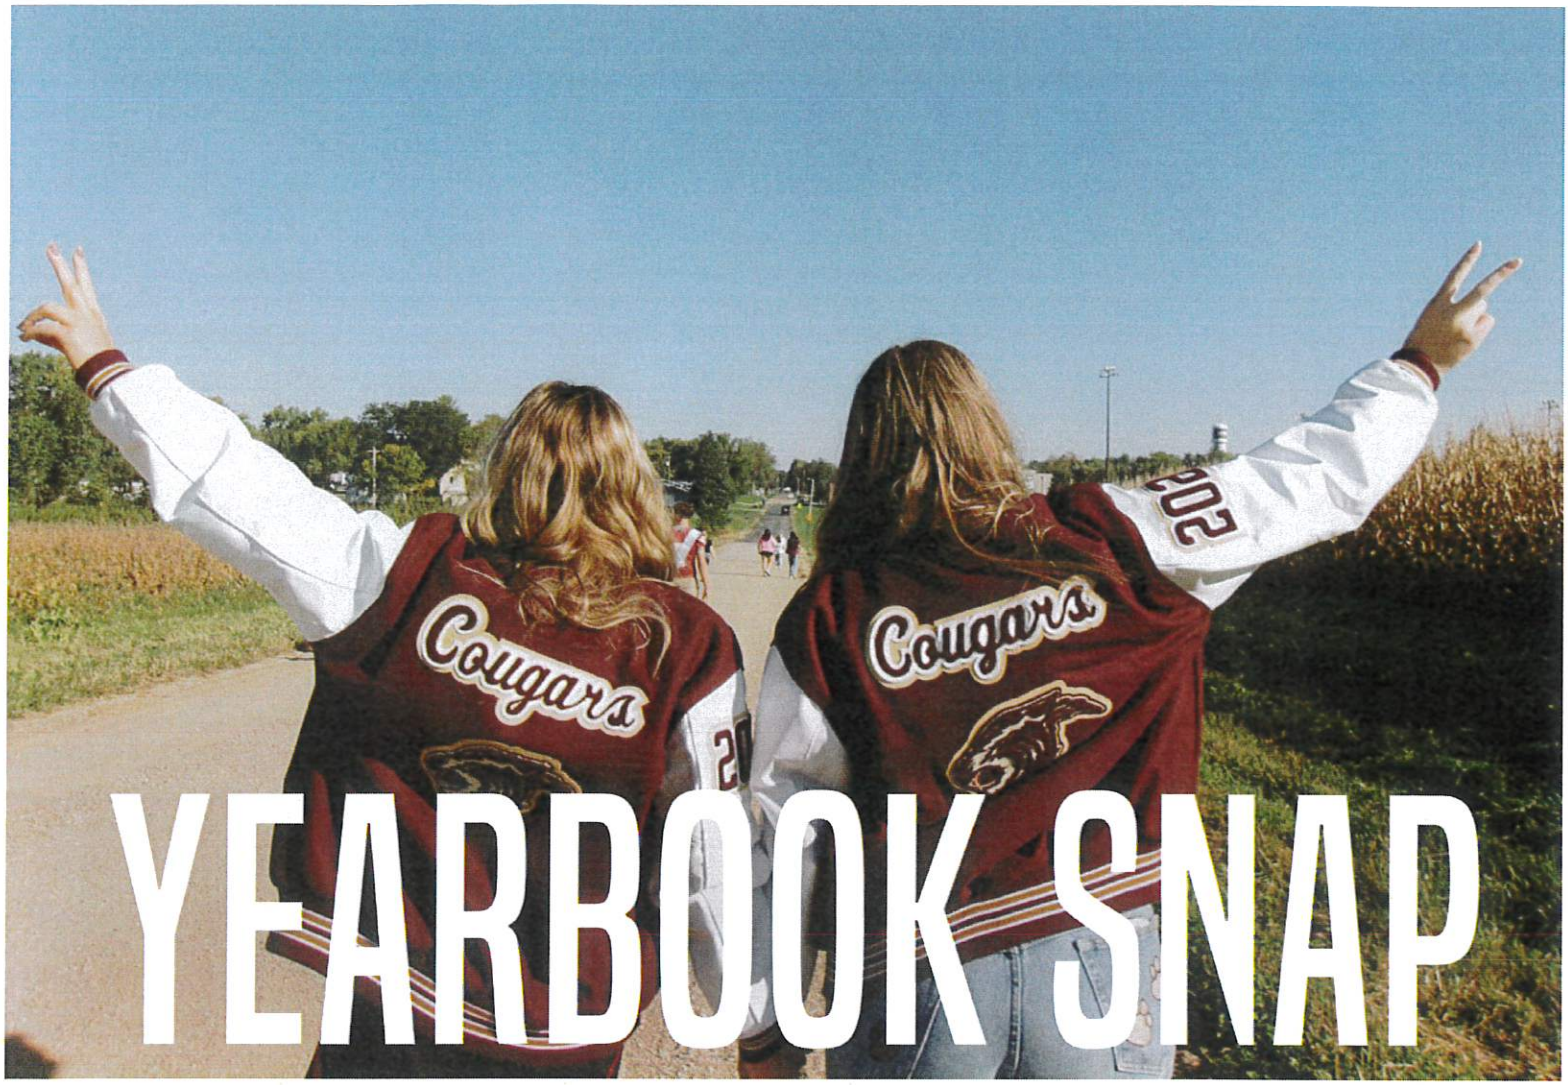

- October 1st: FAFSA Opens
- ACT Dates: October 17th (Registration Closes 9/29) December 12th (Registration Closes 11/29)

Juniors:

- You can take the ACT too! ACT.org to register.
- Juniors have started a resume on Education Quest Website. We will continue to work on them in October & November during Guidance time.
- Juniors will take the ASVAB on October 1st. Results will be explained on October 5th. Location: LDNE
- College Visits: Wayne State, October 7th, Army National Guard, October 5th, Northeast Community College, October 14th

Sophomores:

- Sophomores visited UNL College Access Day in September.
- Sophomores have started a resume on Education Quest Website. We will continue to work on them in October & November during Guidance time.

2026–2027 LDNE Assessment Schedule

Lyons-Decatur Northeast Schools uses a variety of assessments throughout the school year to monitor student progress, measure academic growth, and ensure students are on track to meet grade-level expectations. The information below explains the purpose of each assessment, who participates, and when testing will occur during the **2026–2027 school year.**

Assessment	Purpose	Who Takes It?	Testing Dates
MAP Growth	Measures growth in reading and math and helps teachers tailor instruction to meet each student's needs.	**Kindergarten–Grade 10**	**Fall:** Aug. 24–28, **Winter:** Dec. 7–11
mCLASS Literacy	Measures foundational reading skills and identifies students who may need additional support.	**Kindergarten–Grade 6**	**Fall:** Aug. 17–19, 2026 **Winter:** Dec. 11–15 **Spring:** Apr. 21–28
mCLASS Math	Measures math understanding and helps teachers monitor growth throughout the year.	**Kindergarten–Grade 6**	**Fall:** Aug. 17–19 **Winter:** Dec. 11–15 **Spring:** Apr. 21–28
NSCAS	Measures how well students are meeting Nebraska's academic standards in reading, math, and science.	**Grades 3–8**	**Grades 7–8:** Apr. 12–30 **Grades 3–6:** Apr. 19–30
PreACT	Provides an early measure of college and career readiness while preparing students for the ACT.	**Grade 10 (Sophomores)**	**Mar. 22, 2027**
ACT	Measures college and career readiness and may be used for college admissions, scholarships, and career planning.	**Grade 11 (Juniors)**	**Mar. 23, 2027**

Note: Assessment dates are subject to change if adjustments are made to the school calendar or Nebraska Department of Education testing windows.

LDNE Music

Happy Fall, Music Lovers!
It's Butter Braid year, so get those pens & checkbooks ready - What better way to prepare breakfast over the holidays than with a delicious Butter Braid? Hosted by the LDNE Music Boosters.

Congratulations to Angel Sandoval, Jalynn Redding, Jenaveev Myers, and Cassidy Miller for being selected to attend the EHC Honor Choir in November. Auditions for other honor bands and honor choirs are being shared with students as those dates approach.

Though this year is slightly different from years past, I have high hopes that we can continue the growth and excitement for music at LDNE. Thank you for your patience and continued support for the LDNE music department!

Important Notes

- Decatur shuttle leaves Lyons at 5:15.
- Please make sure your child is picked up on time to avoid any late policy suspensions.
- Due to grant requirements, we ask that students stay at the program for at least 1 hour daily. We know this isn't possible every day, but the grant only covers the cost of students who stay at least 1 hr.

More Details

Kids for Christ will be on October 7 & October 14 and November 4 & November 11.

October 21 will be our family day!
Please join us for our Fall family fun, anytime between 3:30-5:30.

Please make sure your student has cold-weather gear so we can continue going outside as much as possible.
