YOUR VOICE MATTERS IN OUR MATH CURRICULUM REVIEW

Bernalillo Public Schools is reviewing state-approved HQIM math materials for grades 7–12, with adoption planned by April 1, 2026. No materials have been selected yet.

Community members and families can review resources digitally and will also have opportunities to view materials in-person. Click **HERE** for times and locations of in-person public viewing. Families and community members are encouraged to share feedback and attend public meetings.

Grades K–6 will continue using SAVVAS Math (English/Spanish) with the 2027 update. The district remains committed to transparency and providing high-quality instruction for all students.
