Finishing the Semester with Ganas

Dear BPS Community,

As we move into the final weeks of the semester, I want to pause and thank you: our students, families, teachers, staff, and the communities we are proud to serve. Your commitment is what makes Bernalillo Public Schools strong.

We have only a few weeks of school left in this semester, and this is an optimal time for us to finish strong. Every day of instruction counts right now. Lessons are being completed, skills are being solidified, and students are showing what they have learned. That is why I am asking all of us to maximize our instruction and our attendance.

For our students, being in class matters. Every day you are here, you are growing, learning, and building the future you deserve. For our families, thank you for getting your children to school each morning, and please reach out to us if there is anything we can do to help remove a barrier. For our educators and staff, thank you for the care, creativity, and energy you bring to our classrooms every day. Let us make these remaining weeks count.

This is where Ganas comes in. As we say, all we need is ganas: the desire, the heart, and the determination to keep going when the finish line is in sight. Our students have already shown us what they can do. Now is the time to finish what we started, together. ¡Sí se puede!

Thank you for everything you do for our students. Let's make every day count between now and Christmas break.

Best,

Matt

Message from School Board President, Paul Madrid

Dear BPS Community-

Folks, our community trusts this school board to make sure every classroom delivers a good education. For twenty years, the results just weren't where they ought to be, and we decided not to keep admiring the problem. We started holding ourselves to a clear standard, and some have called that disrespectful. That's not how it's meant. We value every year our teachers have given, and we're grateful for each one.

Around here, we know how an acequia works. Nobody owns the water alone. The mayordomo doesn't clean the ditch by himself. Every family shows up for the limpia with a shovel, because if one stretch is clogged, everybody downstream goes dry. Our schools are no different. We will only reach our potential when this whole community comes together and works the ditch side by side.

Our people come from traditions of stewardship. Whether it's families who have shared the water for generations or communities who have cared for this land for countless generations before us, we were all taught to look after what we've been given so it can be passed on better than we found it. Our children are the next thing we have been trusted to tend.

As a school system, we have transformed ourselves, not to forget our history and tradition but to live up to it. We have not always honored the strength and resilience of this community, and as a board, we chose to change that. Our schools must rise to the beauty of the community they serve. A good rancher's first loyalty is to the herd, and ours is to our students. If the fence is down, you mend it, no matter how long it's stood. Change is uncomfortable, like breaking in new boots, but it beats walking around with a blister for twenty years.

The scores are climbing, which tells us clear expectations and real support are working. We have made this happen, and we'll keep listening and keep working alongside our educators. The water is flowing. Let's keep it going.

Best regards,

Paul

Harvest Festival

Our Harvest Event was a wonderful success! 🌽🍂 It was a beautiful opportunity to bring our community together, celebrate the season, share smiles and laughter, and create lasting memories. We are incredibly grateful to everyone who participated, volunteered, and helped make this event so special. Thank you for making our Harvest Event a celebration to remember!

2026 Midnight in Rio Homecoming Parade

2026 Midnight in Rio Homecoming Parade

Algodones Elementary

Algodones Elementary School: Small Moves, BIG Impact!

October has been a month filled with celebrations, student achievements, teamwork, and Mustang pride at Algodones Elementary School! From the cross-country trails to our classrooms, our Mustangs continue to demonstrate that small moves really do lead to BIG accomplishments. As we continue "Charting Our Course to Excellence," our students and staff are embracing opportunities to grow academically, build character, and strengthen our school community.

Our Kindergarten through third-grade cross-country runners wrapped up an incredible season, demonstrating perseverance, determination, and outstanding sportsmanship. Throughout the season, our young athletes improved their times, encouraged their teammates, and learned the importance of never giving up. We were especially proud of our second- and third-grade boys, who earned a team award at the championship meet! We celebrated our runners with a spaghetti banquet, recognizing their hard work and growth. A special thank-you goes to Nurse Amanda, who prepared spaghetti for nearly 100 people! Watching our youngest athletes cross the finish line with determination and pride was a wonderful reminder that success isn't always about winning, but about giving your very best effort.

Inside our classrooms, academic excellence remains at the forefront of everything we do. Our teachers continue to use assessment data to identify student needs, strengthen instruction, and provide targeted interventions. Our second- and third-grade departmentalized classrooms are creating focused learning opportunities in literacy and mathematics. One example of intentional instruction comes from second-grade teacher Mr. Jaramillo, who analyzed academic vocabulary across iMSSA practice assessments, SAVVAS, and Amira Math to identify common mathematical language. By incorporating this vocabulary into daily instruction, he is giving his second graders a head start as they prepare for third grade. These thoughtful instructional decisions demonstrate how small changes in teaching practices can have a lasting impact on student success.

October also brought plenty of excitement to our cafeteria as we celebrated National School Lunch Week with an "Under the Big Top" circus theme! Our cafeteria staff transformed lunchtime into a colorful celebration while helping students learn about nutrition and healthy food choices. The decorations, activities, and enthusiasm created a memorable experience for our Mustangs and reminded everyone that learning opportunities extend well beyond the classroom.
We also celebrated our students during our first-quarter Glow Up Awards Assembly, recognizing academic achievement, growth, attendance, and positive character. Our schoolwide commitment to "Stay the Course" continues to encourage students to persevere through challenges, celebrate their progress, and take responsibility for their learning. Through Capturing Kids' Hearts and our Leadworthy character lessons, students are learning that kindness, responsibility, and perseverance are just as important as academic success.

Algodones Elementary

Our Mustang family also came together in a special way during October by wearing pink in recognition of Breast Cancer Awareness Month. This cause is especially meaningful to our school community, as one of our own Mustang family members is currently battling cancer. Students and staff proudly wore pink to show their love, encouragement, and support, while recognizing the many families who have been impacted by cancer. It was a powerful reminder that being part of the Mustang family means showing up for one another, especially during difficult times. Even our youngest learners are discovering that small acts of compassion can make a tremendous difference.

School spirit has also been running high as our Mustangs celebrate Bernalillo High School Homecoming! Students and staff are participating in themed dress-up days and preparing to show their Mustang and Spartan pride during the Homecoming Parade. Our staff members have worked together to create a special Homecoming float, making this celebration another wonderful example of collaboration and community spirit. We love reminding our students that they are the future Spartans of Bernalillo High School. After all, every Spartan needs a Mustang!

As October comes to a close, we are looking forward to celebrating Red Ribbon Week, encouraging students to make healthy choices, build positive relationships, and take responsibility for their actions. We are also preparing for our annual Mustang Fall Fest on October 28, an evening designed to bring our families and community together. With Trunk-or-Treat, food trucks, telescopes, and hands-on experiences provided by Explora, we are excited to create another memorable evening for our Mustang families.

We are also excited to welcome Mary Katherine Davey back to the Algodones family as a part-time special education teacher, shared with Santo Domingo Elementary. We anticipate her arrival in November and look forward to the experience and dedication she will bring to our students. Our staff continues to demonstrate remarkable flexibility, collaboration, and commitment as we strengthen student supports and ensure every child has opportunities to succeed.

At Algodones Elementary, we are proud of the progress we are making and the school community we continue to build. Whether our students are mastering a new academic skill, crossing a finish line, demonstrating kindness, or overcoming a challenge, every accomplishment matters. Our dedicated staff, supportive families, and incredible students remind us daily that excellence isn't achieved through one giant leap, but through consistent effort, meaningful relationships, and a shared commitment to growth.
We may be a small school, but we are making a BIG impact! Together, we will continue charting our course to excellence, one small move at a time.
Stay the Course, Mustangs!

Bernalillo Elementary School

October 2026 Highlights — Lil' Spartans Learning, Leading, and Celebrating!

October was an exciting month at Bernalillo Elementary School, filled with cultural celebrations, student learning experiences, family engagement, and school spirit! Our Lil' Spartans continued to demonstrate pride in their school while embracing opportunities to learn, grow, and celebrate their diverse community.

🎈 Balloon Aloft Celebration

We kicked off October with a wonderful Balloon Aloft experience! Our students enjoyed the excitement of seeing hot air balloons and experiencing a special New Mexico tradition. A heartfelt thank-you to Dr. Marr for helping make this memorable experience possible for our Lil' Spartans.

📚 Student Learning and Family Engagement

October brought opportunities to strengthen our school-home partnerships through Parent-Teacher Conferences on October 9. Families and teachers connected to celebrate student accomplishments, discuss academic progress, and establish goals for continued growth.

Our students also participated in remote learning on October 8, demonstrating responsibility and flexibility in their learning.

🌎 Celebrating Culture and Heritage

Throughout October, BES recognized the importance of cultural identity, diversity, and community. We celebrated Indigenous Peoples' Day and recognized the conclusion of Hispanic Heritage Month, emphasizing respect, belonging, and appreciation for the rich cultural traditions represented in our school.

On October 20, our school hosted Katishtya Cultural Day, providing students with meaningful opportunities to learn about traditional practices, cultural knowledge, and the importance of honoring the heritage of our community. We are grateful to the cultural representatives and everyone who helped make this experience possible.

🦖 Fourth-Grade Science Adventure

On October 16, our fourth-grade students enjoyed an educational field trip to the New Mexico Museum of Natural History and Science. This hands-on learning opportunity allowed students to explore science, history, and the natural world beyond the classroom.

❤️ Lil' Spartan School Spirit and Homecoming

Our Lil' Spartans proudly participated in the district's Homecoming festivities on October 22! Students and staff came together to celebrate Spartan pride through the Homecoming Parade and our school float. Thank you to the dedicated staff, students, and families who contributed their time, creativity, and support to make our participation a success.

📈 Growing Together Through Instructional Excellence

Behind the scenes, our teachers continued strengthening instruction through professional learning communities, Kagan cooperative learning strategies, high-quality instructional materials, and ongoing review of student achievement data.

Our focus remains on providing targeted interventions, strengthening literacy and mathematics instruction, and ensuring that every Lil' Spartan receives the support and opportunities needed to succeed.

A Month of Spartan Pride!

October reminded us that Bernalillo Elementary is more than a school—it is a community where students learn, lead, belong, and grow. We are proud of our students, grateful for our dedicated staff, and appreciative of the families and community partners who make these experiences possible.

Once a Spartan, Always a Spartan!

Cochiti Schools

A Glimpse into High School: Our 8th Graders Visit BHS!

Our Cochiti Elementary and Middle School eighth graders had another exciting opportunity to visit Bernalillo High School (BHS), this time to experience the energy and excitement of a high school pep rally! From the school spirit and enthusiastic cheers to the excitement of students coming together, our Cougars got a firsthand look at some of the fun and memorable experiences that await them in high school. Although our visit was short, it was a wonderful opportunity for our students to begin envisioning themselves as future Spartans!

As we continue preparing our eighth graders for their transition to high school, we want to provide meaningful opportunities for them to explore and experience all the amazing things BHS has to offer. These visits help build excitement, strengthen connections, and remind our students of the many opportunities ahead of them. We are so proud of our Cougars and look forward to continuing to support them as they prepare for this exciting next chapter.

Lady Cougars Finish Strong! What a Season!

What an incredible way to wrap up our volleyball season! Our Lady Cougars finished strong and brought home a WIN at the Flying Hands Tournament! Throughout the season, our girls demonstrated determination, teamwork, perseverance, and outstanding sportsmanship. They worked hard, supported one another, and, most importantly, had a whole lot of fun along the way! We couldn't be prouder of the growth, dedication, and Cougar pride they showed on and off the court. Outstanding job, ladies! WOOHOO!
Thank you to our wonderful school community for coming out to cheer on our Lady Cougars! It was amazing to see so many students, families, and supporters in the stands, celebrating and encouraging our athletes. Your support means so much and reminds us just how special our Cochiti community truly is. Congratulations to our Lady Cougars on a fantastic season! You made us proud, and we cannot wait to see what you accomplish next! GO COUGARS!

Celebrating Our Cougars: Student Awards & Special Recognition!

What an exciting week at Cochiti Elementary and Middle School! We had a wonderful time celebrating our students at our Student Awards Assembly, recognizing their accomplishments, outstanding attendance, and commitment to our Cougar Creed. We also welcomed visitors from Calvert School through our World Leadership School partnership. Of course, we couldn't let them visit without a little Cougar fun! Our students challenged our guests to a lively game of musical chairs, filling the room with laughter, excitement, and friendly competition. It was a fantastic way to celebrate and build connections!

One highlight of our assembly was recognizing students who consistently demonstrate the values of our Cougar Creed through their actions, kindness, and leadership. From this outstanding group, we selected one student for our district's Student of the Month recognition. We are thrilled to announce that Derek, one of our amazing eighth graders, was named Student of the Month for the entire Bernalillo Public Schools district! What an incredible honor that reflects his outstanding character and commitment to our school community.

Congratulations to Derek and all our Cougar award recipients! We are so proud of your accomplishments and the positive examples you set for others. Keep shining, Cougars!

Cochiti Schools

POG Focus: Creativity, Identity & Cougar Pride on Display

Our Cochiti Cougars recently had a very special opportunity to use their creativity, culture, and identity to create something that will travel throughout Bernalillo Public Schools!

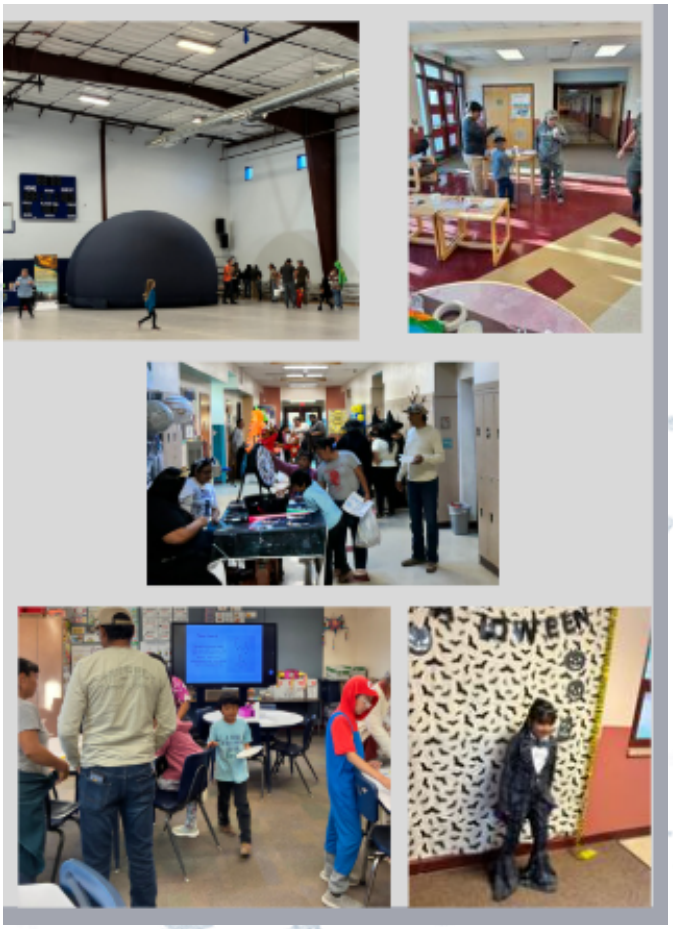

As part of a districtwide project, students from each school have been invited to create traveling trophies that are presented during School Board meetings. These unique pieces will be given to district award recipients and then continue traveling to future honorees. This time, it was Cochiti Elementary and Middle School's turn to create! Students were challenged to create something that represented themselves, their community, their culture, and their school. Our young artists took that challenge and turned their ideas into beautiful, meaningful works of art. The finished pieces were truly breathtaking.

This project was also a wonderful example of our Bernalillo Public Schools Portrait of a Graduate focus: Adaptable & Productive. Our students were given a challenge and an authentic purpose for their work. They had to develop an idea, make decisions, adjust along the way, use the materials available to them, and work toward a finished product that would represent our school beyond our campus. They demonstrated that being adaptable and productive is something our Cougars can put into action. Together, their work beautifully captured the many things that make Cochiti Elementary and Middle School special.

Even Superintendent Montaño was presented with one of the student-created pieces to keep! As these trophies travel throughout our district, they will carry something very special with them: the creativity, identity, culture, and Cougar pride of our students. We are incredibly proud of our young artists for showing us what it means to be Adaptable & Productive while creating something that is authentically their own. Our Cougars created with purpose, represented with pride, and showed our district just what they can do!

A Night Under the Stars: Science, Smiles, and Community Fun!

What an incredible evening at Cochiti Schools! This week's Stargazing Event was a wonderful celebration of science, exploration, and community, bringing our students, families, and staff together for a night filled with excitement, laughter, and unforgettable memories!
There was something for everyone to enjoy! From exploring the wonders of space in the AstroLab to participating in hands-on activities and enjoying our festive Trunk or Treat, the evening was filled with opportunities for learning, discovery, and fun. Our young scientists had the chance to spark their curiosity, explore new ideas, and experience how exciting science can be beyond the classroom.

One of the most special parts of the evening was seeing our school community come together. Families filled our campus, students eagerly explored the activities, and smiles and laughter could be found everywhere. It was wonderful to see so many people enjoying time together, making memories, and celebrating the joy of learning.

Events like these remind us that our school is more than a place to learn. It is a community where relationships grow, curiosity thrives, and families come together. We are incredibly grateful to our staff, volunteers, community partners, and families who helped make this event such a success. Thank you to everyone who joined us and helped create such a memorable evening. Seeing our community come out, participate, and have so much fun was truly the highlight of the night! The stars were shining, but our Cochiti Cougars and families shined even brighter!

La Escuelita Preschool

We have spirit, yes we do, we have spirit, how about you?

Though the results have not been released just yet, we are confident that the judges loved our Midnight In Rio themed float for the Bernalillo Public Schools homecoming parade. Our amazing school community worked hours creating a special float, complete with a sparkling waterfall, numerous real life palm trees, beautiful student artwork, and the star of the float, our students dressed colorfully as birds from Rio. We were certainly a beautiful site to see. We want to thank everyone involved for their hard work and commitment to making our float the best in the parade!

To support NM PreK standards (EI#2.1a: Fine Motor, 5.2: Follows Directions, 6.1: Conversational Ability, 8.3: Writing), the change of seasons, time with amazing families, and in preparation for our upcoming theme, Farm to Table, our students recently visited the Galloping Goat Pumpkin Patch on a field trip.

In preparation for the family involvement event, students learned what to expect at this pumpkin patch. Students were encouraged to have conversations with their families on this field trip. Included in these conversations were topics about animals, about Fall, about the fun activities students would get to engage in, and about steps taken to get the pumpkins to the pumpkin patch for families to take home to enjoy. As always, this event was a great time!

Placitas Schools

🐾 Placitas Panthers Celebrate Quarter 1 and Show Their P.A.W.S.!

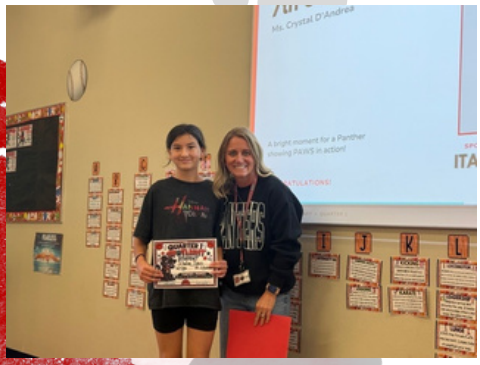

Placitas Elementary School wrapped up the first quarter with a special Spotlight Assembly, celebrating students who demonstrate what it truly means to be a Panther! Students were recognized for showing kindness, respect, responsibility, perseverance, and other positive character traits that make our school such a wonderful place to learn and grow. We also celebrated our Perfect Attendance winners and enjoyed musical performances by our kindergarten and 7th-grade students!

Adding to the excitement, we officially launched our new schoolwide positive behavior recognition program, "SHOW US YOUR P.A.W.S.!" 🐾

At Placitas, P.A.W.S. stands for Positive Choices, Act Responsibly, Work Hard, and Show Respect. Through this program, students are recognized with PAWS tickets for demonstrating these expectations throughout the school day, with opportunities to win fun prizes!
We were excited to celebrate our very first PAWS ticket winners this week! These Panthers are already leading by example and showing us what positive Panther behavior looks like!
At Placitas, we believe that celebrating positive choices helps create a school culture where students feel valued, encouraged, and motivated to do their best.
Way to go, Panthers! Keep showing us your P.A.W.S.!

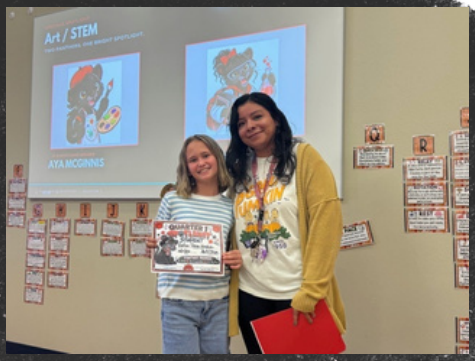

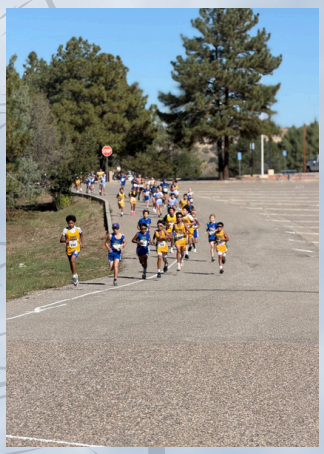

Santo Domingo Schools

Santo Domingo Students Kick off Supercomputing Challenge 2026!

Seven students from Santo Domingo participated in the New Mexico Supercomputing Challenge Kick-Off conference held October 10-11 at New Mexico Tech in Socorro. The two-day conference marked the beginning of the 26/27 Supercomputing Challenge season providing students with valuable opportunities to explore computational Science, programming, artificial intelligence, and Science research. The conference introduced important skills that will help them develop their research projects with real-world problems and develop innovative solutions. Thank you to Mr. Sayat, our STEAM Teacher and Ms. Abeita, our Registrar for accompanying them on this exciting field trip!

Santo Domingo ES/MS are proud to recognize two extraordinary educators who go above and beyond for our school community for the month of September!
Our Teacher of the Month is Alicia Barreras, our art teacher! Not only does Mrs. Barreras helps students explore their creativity through art, she also shows her dedication to our school through the amazing things she does outside of teaching and that is why we were excited to celebrate her. .

Our Staff Member of the Month is Stephanie Hubley, our MLSS and Testing Coordinator and Reading Interventionist! Mrs. Hubley plays an important role in supporting student learning and success. Through her work coordinating MLSS and testing, as well as providing reading intervention, she helps ensure that students receive the support and resources they need to grow academically.
We are grateful to both Alicia Barreras and Stephanie Hubley for the important roles they play in our school community. Their hard work, commitment, and dedication to our students make a difference every day.
Making Their Mark.....
Our Little Trojans made their mark at The Traditions Run which took place in San Felipe on Saturday, October 10th. Our 4th and 5th grade ladies took first place with 3 runners in the top ten, and our boys had 4 runners place in the top ten.

Our MS Trojan Cross-Country team also made their mark on Saturday October 10th. Our ladies took
2nd place, finishing behind Cuba, and our boys took 3rd place, finishing behind Jemez
and Socorro.

Spartan Learning Academy

During the week of 10/26/2026, students participated in a hands-on cultural and culinary experience where they will work in small teams to prepare their own traditional Mexican Pan de Muerto. This activity gives students the opportunity to learn about Día de los Muertos traditions while using Spanish in a meaningful and engaging context.

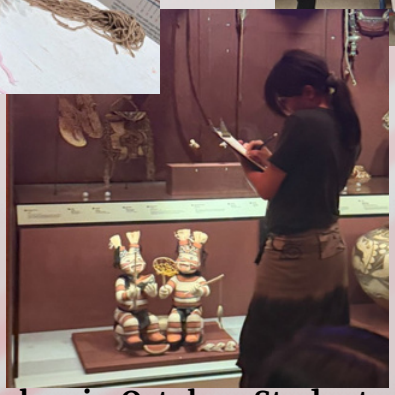

In October, Student Council held a community service project for the New Mexico Dream Center. The mission of NMDC is to provide a comprehensive strategic approach to addressing human trafficking in New Mexico through prevention activities, outreach to victims, services for survivors, and a support system that empowers clients in their self-determination. We will be collecting socks throughout the entire month of October, and of course, we're going to have a little friendly competition between homerooms!

SLA students embrace a global perspective through field trips taken in October. Students attended A Feast Day at SFIS on Indigenous Peoples Day, honoring the history and traditions of the pueblo people.

Ms. Silverman and Ms. Sandoval's art and Santa Fe Keres classes visited the Museum of Indian Art and Culture in Santa Fe.

MESA students also attended the National Museum of Nuclear Science & History, where they explored how information becomes useful intelligence. Students came face-to-face with exhibits about spies, gadget-makers, scientists, and engineers, and tried their hand at code-cracking activities.
On October 23, we celebrated our outstanding honor roll students. A total of 170 students earned a place on the Quarter 1 honor roll.

WD Carroll Elementary

W.D. Carroll Elementary Celebrates Student Success!

W.D. Carroll Elementary School held its first Character Counts Assembly of the school year, celebrating students for their outstanding character and academic growth! Students from each grade level were recognized for demonstrating respect, kindness, and responsibility in their daily interactions. Additionally, students were celebrated for making progress in reading, writing, and Lectura for our dual-language learners.

We are incredibly proud of our Coyotes for their hard work, positive attitudes, and commitment to learning. It was a wonderful opportunity to recognize their accomplishments and celebrate their success as a school community. Way to go, Coyotes!

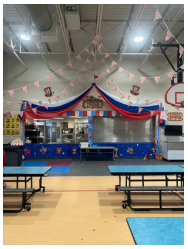

W.D. Carroll Elementary Celebrates National School Lunch Week!

Our Coyotes had a circus of fun celebrating National School Lunch Week! Students were welcomed into a cafeteria transformed into a colorful circus, complete with festive decorations and fun menu items like pretzels, burgers, and popcorn! The special celebration brought excitement and smiles to lunchtime, giving students a unique and memorable dining experience.

A special thank-you to our amazing cafeteria team for bringing the circus to Carroll and creating such a fun experience for our students. We love seeing our Coyotes enjoy moments that make their school day extra special!
