Approval of the new signage at DES. The iconic, wooden DES sign that faces Durham-Dayton highway is quickly fading and will soon need attention and is soon being replaced with a bright, new metal sign. In addition, two other signs will be placed outside the new DES office and inside the DES office behind the secretary area. The funds for the project are being coordinated with PTS and GALA funds.

Background:

Due to 2026 being an election year, the Annual Organizational Meeting must be held within the 15-day period beginning with the second Friday in December. For 2026, that window is December 11 through December 25, 2026. To be in compliance the December Board Meeting needs to be changed to a date within the 15-day period window.
