

BRYAN ISD

Bryan ISD has been honored to celebrate Black History Month the entire month of February. In addition, at a recent board meeting, the Bryan ISD Board of Trustees approved a resolution recognizing February as Black History Month.

FAMILY & COMMUNITY NEWSLETTER

Dear Bryan ISD Families,

The spring semester is in full swing, and there is so much to celebrate across Bryan ISD! I am continually inspired by the talent, dedication, and passion our students display each and every day. With Spring Break just one week away, excitement is definitely in the air as our students look forward to some well-deserved fun and relaxation. In the meantime, take a look at a few of the recent highlights and happenings from around the district!

Celebrations

Huge congratulations to Bryan ISD's two National Merit FINALISTS! Earlier this year, we proudly shared that Rudder High School's Michael Farnsworth and Bryan High School's Katherine Keyser were named National Merit Semifinalists, and now it's official: both of these outstanding seniors have advanced to National Merit Finalist status! We are incredibly proud of their hard work, dedication, and academic excellence.

Bryan ISD recently had the honor of celebrating 159 teachers who earned a new or higher Teacher Incentive Allotment (TIA) designation, bringing our district total to an impressive 422 TIA-designated teachers! These outstanding educators receive a state-funded allotment ranging from \$3,000 to \$28,000 based on their designation level. The TIA program was created to elevate the teaching profession in Texas by supporting districts in recruiting promising educators, retaining top talent, and prioritizing student growth and achievement. We are proud!

At Bryan Collegiate High School, AVID is a core part of the school's identity, and it was on full display during their recent AVID Showcase. Guests from across Bryan ISD and seven other districts visited with students and staff, explored AVID classrooms, and learned more about the strategies that make the program successful at BCHS.

National CTE Month

February is National Career and Technical Education (CTE) Month, and Bryan ISD is proud to be recognized as a CTE District of Distinction, offering one of the strongest CTE programs in the state. With 20+ career pathways available, our students consistently earn industry certifications across a wide range of fields—preparing them for success in college, careers, and beyond.

Zoe Sonnier of Bryan High School captured the top spot at the UIL State Wrestling Meet, becoming the Texas State Champion in the 145 lb Division! Congratulations also to Katelynn Dockery for finishing 2nd at State, and to the two wrestlers from Rudder High School, Ava Fillio and Alaina Palacios who proudly competed at the State Meet.

Save the Date

There are many exciting and important events coming up in Bryan ISD. Be sure to mark your calendars so you don't miss out!

RUDDER WINS!

Congratulations to the Rudder High School Culinary Team for bringing home the Silver Fork and Championship Crown at the annual Taste of Aggeland event! The Rangers impressed judges with a perfectly prepared herb-crusted chicken breast topped with a rich lemon beurre blanc.

From Promises to Progress

Take a look at the new Bryan High School and Rudder High School new band trailer renderings. We hope to have them by the start of next football season. Thank you, voters!

HELP US SPREAD THE WORD BY CLICKING HERE!

Bryan ISD is currently enrolling for next school year. Tell your friends and invite them to join our family!

Thank you for your continued support. Enjoy Spring Break!

Always Real. Offering More.

Sincerely,

Ginger Carrabine
Superintendent, Bryan ISD
