Happy Thanksgiving!

Promise to Progress! The new field house at Merrill Green renderings were approved by the Bryan ISD Board of Trustees at a recent board meeting, and we are looking forward to this incredible project coming to life!

This year, 416 students in grades 2-4, proudly represented Bryan ISD and participated in the 2026 Elementary UIL Meet!

Our annual Thanksgiving Lunch was a success at our elementary schools! We love welcoming all of our families to enjoy a meal together!
