FAMILY & COMMUNITY NEWSLETTER

Dear Bryan ISD Families,

It's hard to believe that we have two months remaining in the school year. I am grateful to our staff and students, who understand how important it is to finish strong. Thank you for your continued support as we work together to ensure that every student reaches their full potential.

Celebrations

$2 Million! That's how much money was spent at the Brazos County Youth Livestock Show as our community rallied behind local students in agriculture. Our CTE programs continue to make a strong impact with a multitude of students competing at the highest levels. Our district remains committed to preparing students for futures beyond their imaginations, including college and the workforce.

The Bryan Collegiate High School Junior Service Showcase was an incredible display of the many ways juniors have served the community throughout the school year. As part of their graduation requirements, students complete community service hours, and this event highlighted how they have gone above and beyond in giving back. Families, community members, and fellow students had the opportunity to learn more about their impact. We are incredibly proud of our BCHS Panthers!

The Bryan Lions!

Last weekend, the Area 6 Special Olympics were held and our Bryan ISD Bryan Lions were terrific! From the torch relay at the Opening Ceremonies to the excitement of each competition, the day was filled with meaningful and inspiring moments. We are proud!

STATE CHAMP!

Bryan High School powerlifter Chester Gooden is your new State Champion! In addition to finishing at the top of the podium at the State Powerlifting Tournament, Chester set a new state record in the deadlift. Congratulations!
