Bryan ISD Virtual Academy

Bryan ISD is excited to introduce a new, tuition-free virtual learning option for students in grades 3–12 who thrive in a non-traditional setting. Beginning in August 2026, the Virtual Academy will offer a rigorous online education with two flexible pathways: Full-Time Virtual [grades 3-12] and Full-Time Hybrid [grades 7-12] (a blend of virtual and in-person learning). Out-of-district transfers are also welcome. Students will have access to advanced academic courses while staying connected to the full Bryan ISD experience through extracurricular opportunities like athletics, fine arts, CTE, and student organizations. To learn more and/or apply, click **HERE**.

Grad Walks

Graduates from all four high schools returned to the hallways of their elementary schools for one final walk. Current students lined the halls with signs, smiles, and high fives as they cheered on and congratulated the seniors.

Looking toward next school year!

We are excited about all of the events unfolding for next school year! Be on the lookout in future newsletters and/or information from your campus about more times and details. Campuses will communicate if any changes are made to the schedule.
