BRYAN ISD

The 2nd Annual Bryan ISD Spring Pep Rally was the place to be! We loved celebrating our campuses, clubs, teams, and organization!

FAMILY & COMMUNITY NEWSLETTER

Dear Bryan ISD Families,

2026 is off to a terrific start in Bryan ISD! While January has brought plenty of cold weather and required some flexibility, our schools have remained productive and full of energy. We are committed to ensuring that students reach their full potential.

Student Achievement

The road to achievement is a shared journey. We appreciate your support and encourage you to work with your child's teacher(s) to help position them for success. For example, talk to your child's teacher about individual academic growth goals and opportunities for enrichment and or improvement. Working together, anything is possible.

Attendance Matters

As communicated throughout the year, attendance matters. When students are present at school every day, they can fully engage in learning, build strong relationships with teachers and peers, and stay on track academically. Whenever a student is absent, they miss valuable learning opportunities, creating learning gaps. Every day matters. We appreciate your support.

Celebrations

January is School Board Appreciation Month! It is an honor to recognize the hard work and dedication of all seven members of the Bryan ISD Board of Trustees. Their unwavering support of the district, strong leadership, and commitment to our school community is to be commended. We celebrate them not just in January, but every every day of the year.

Welcome Home!

Bryan ISD is proud to announce the hiring of Blake Joseph as the new head football coach and campus athletic coordinator of the Bryan High School Vikings, marking a special homecoming for the 2005 Bryan High School graduate. Click **HERE** to learn more about Coach Joseph.

PARENT SQUARE

DISTRICT COMMUNICATION PLATFORM

Bryan ISD has begun transitioning to ParentSquare over the next few months.

ParentSquare

ParentSquare will be a one-stop shop for district and campus communication, while current platforms will remain in use during the transition.

Bryan ISD was honored to be included in the 30th annual Dr. Martin Luther King, Jr. Freedom March over the holiday weekend. The march started at Sadie Thomas Park and concluded at Kemp-Carver Elementary. Students and staff from across Bryan ISD joined together for the walk and program, honoring the enduring legacy and influence of Dr. Martin Luther King Jr. across multiple generations. We are thankful for a community that stands together, championing love, unity, and progress!

Thank you for your flexibility during our Bad Weather Days!
