WayMaker Training

BASKETBALL

WayMaker Training aspires to teach every athlete the discipline required to build character, develop a sense of community, and foster excellence in teamwork and leadership.

- WMT teams are scheduled around the school sports schedule.
- WMT teams decide on what tournament to enter, if any at all.
- WMT has amazing sponsors so that each team has a team account to help offset tournament fees.
- If we don't have enough players for a full team, we will focus on skills training. 3-on-3 tournaments and summer camps are an option. If interest exceeds a single roster, we will explore forming two teams.
