SW03 Parent Notification & Staff Qualifications (Staff Qualifications)

Dear Parent or Guardian,

Our school receives federal funds for Title I programs that are part of the Every Student Succeeds Ace (ESSA). Under ESSA, you have the right to request information regarding the professional qualfications of your child's classroom teacher(s).

As Always, we want to keep our parents informed on the quality education we deliver, and sharing staff qualficiations is an excellent way to illustrate our commitment to our students. The staff at any school defined the education environment, and we are devoted to finding the best quality teachers and paraprofessionals to work with your children to ensure our school is a place where they can succeed.

Below is a table that lists the teaching staff at our school, their current position, degree mahor, any other graduate degree, certification or endorsement, years of teaching experience, whether or not they meet the state qualifications and licensing requirements.
