Elliott Point Elementary School

Home of the Eagles!

Our Shared Vision

Our shared vision is to educate Every student, Every day to reach their maximum potential and be on grade level or better by the end of the school year.

Our Shared Mission

Our shared mission is to educate every student, every day by fostering a safe, supportive classroom community where students feel welcomed and take ownership of their learning. We provide purposeful, on-grade-level instruction through explicit and engaging data-driven lessons. We maintain high expectations for all, and will continue to collaborate towards common learning targets so every student may reach their maximum potential.
