The staff of the 1978 Wildcat is proud to dedicate this yearbook to Mr. Roscoe McBee. Mr. McBee has been a dedicated teacher at Mogadore High School since 1954. He received his Bachelor of Science and Master of Arts Degrees from Middle Tennessee State University. He has attended both the University of Illinois and the University of Akron. Mr. McBee has been the Senior Class Advisor for eighteen years and is quoted as saying, "I've enjoyed ALL the classes!" He has always been a monumental help in getting the seniors "over the

hump" to that long-awaited day of graduation. Despite his heavy schedule with the seniors, he always seems to maintain his infamous sense of humor. Mr. McBee has taught Junior History, World Geography, Freshman Civics, Seventh and Eighth Grade Social Studies, Seventh and Eighth Grade English, Seventh and Eighth Grade Science, and of course, Senior P.O.D. He is also Minister of Silver Park Church of Christ in Alliance. Whenever that "next year" comes in which Mr. McBee retires, we will all be missing one fantastic person.

The Undeniable, Unquestionable,  
Unbeatable  
Year!

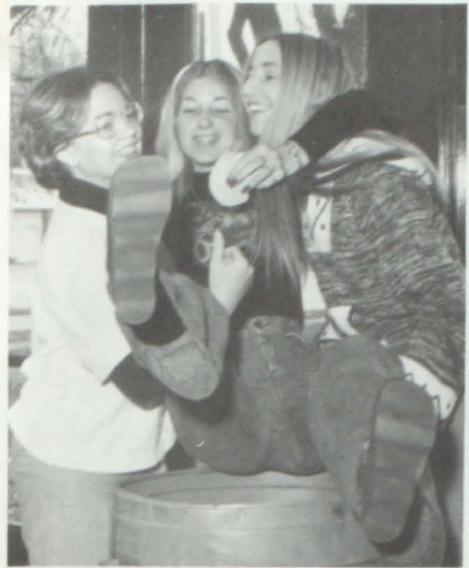

UNdoubtedly, You Will Notice  
That There Are Many  
Words In This Year's  
Thematic Approach To

The Yearbook That  
Begin With The  
Prefix "UN." It Is  
UNlikely That  
You Will UNderstand  
Or UNravel The  
Puzzle As To Why  
This Is,

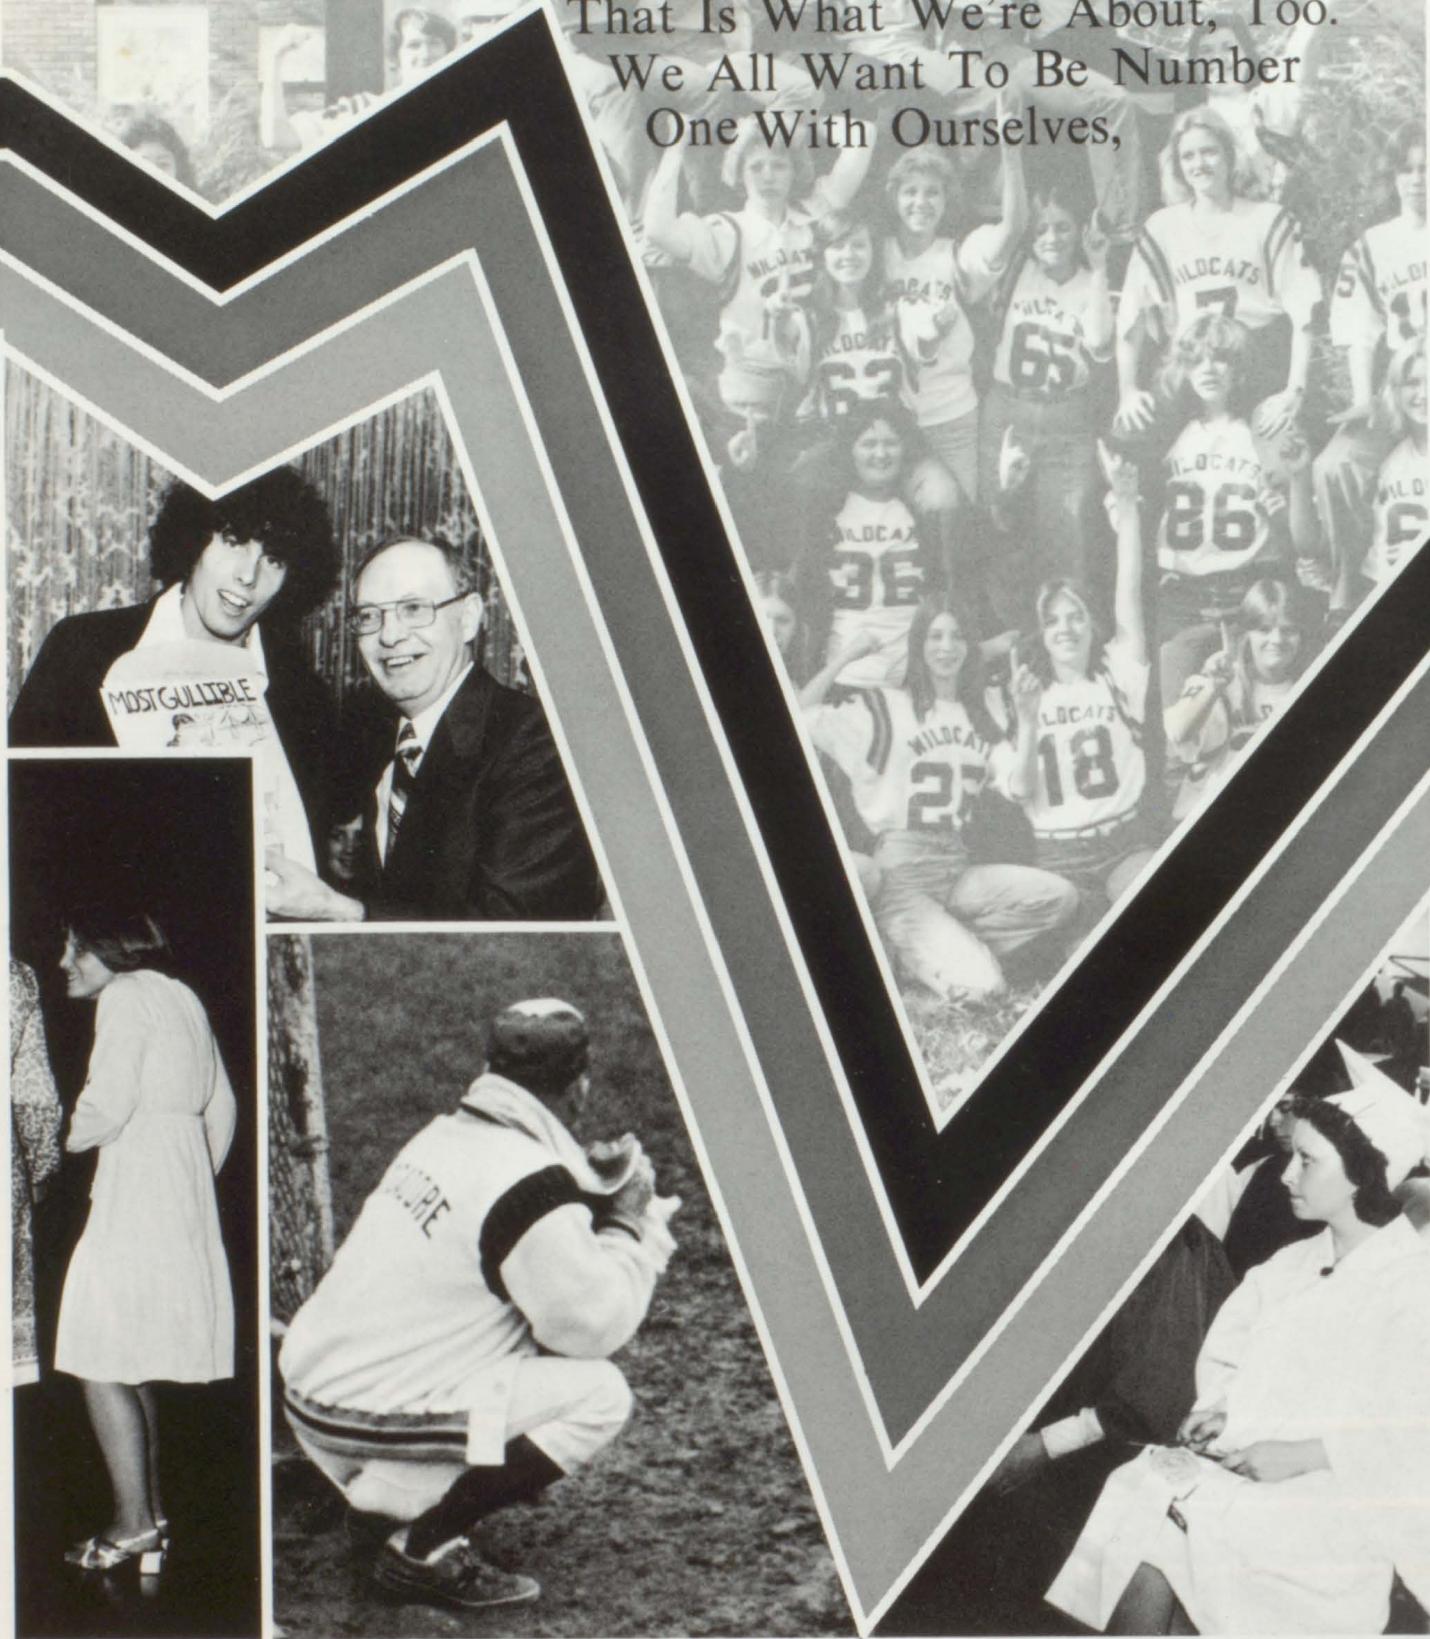

and UNderstandably so, UNless you happen to be a scholar of the French language. "UN" means "ONE" and "ONE" is what we are about. We all certainly hold Mogadore as number one in our hearts.

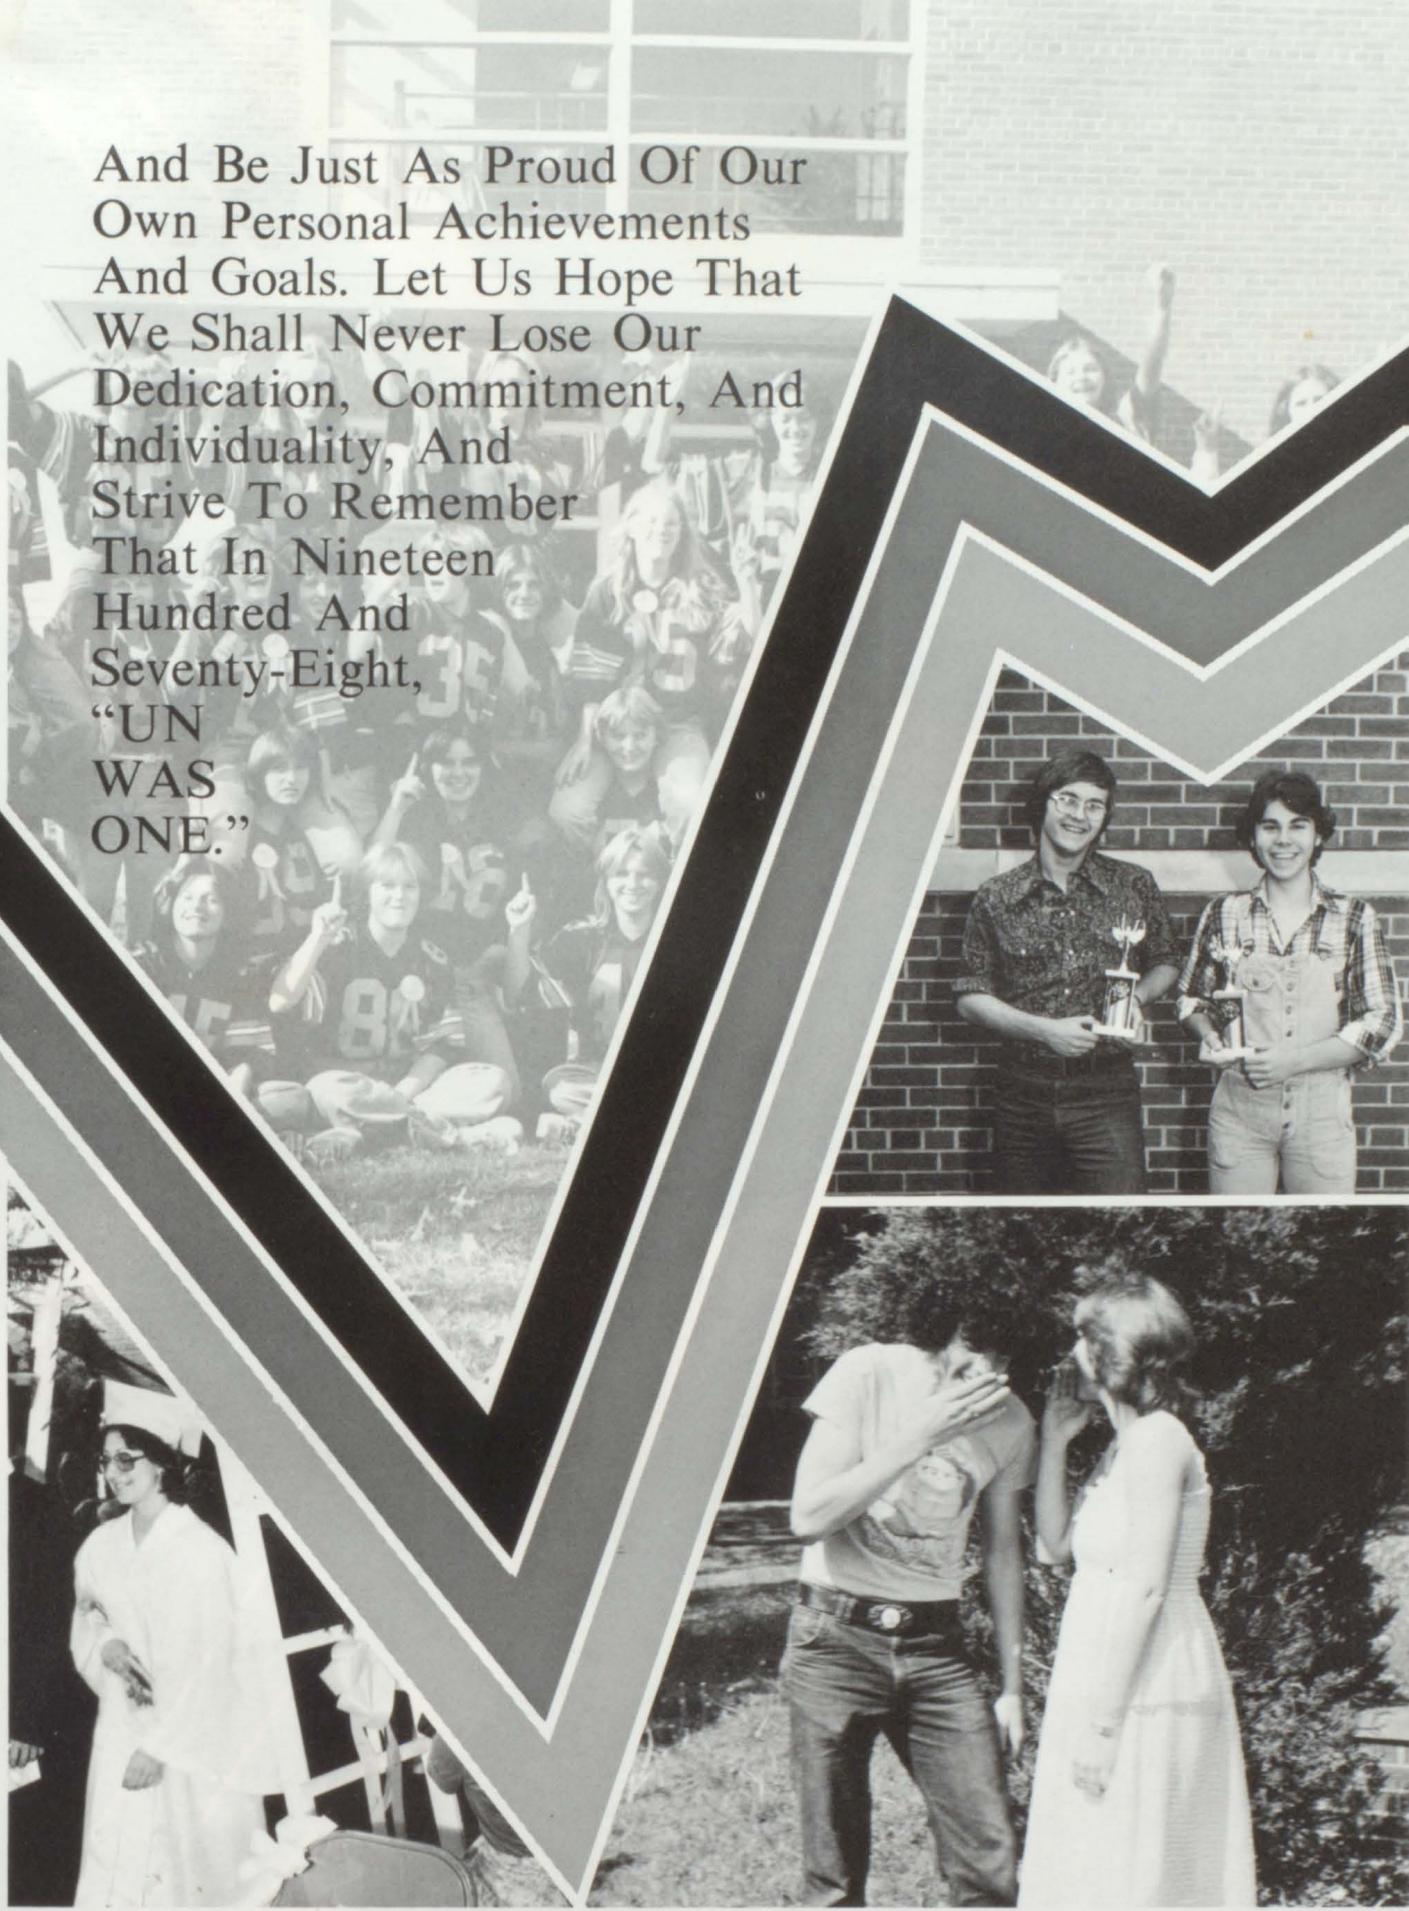

Our pride is symbolically represented on this year's cover—the large capital "W," bold and bright, shouts out to all that We, the Wildcats, are one. UNforgettable? Yes. As we grow together and as we prepare to leave Mogadore High,

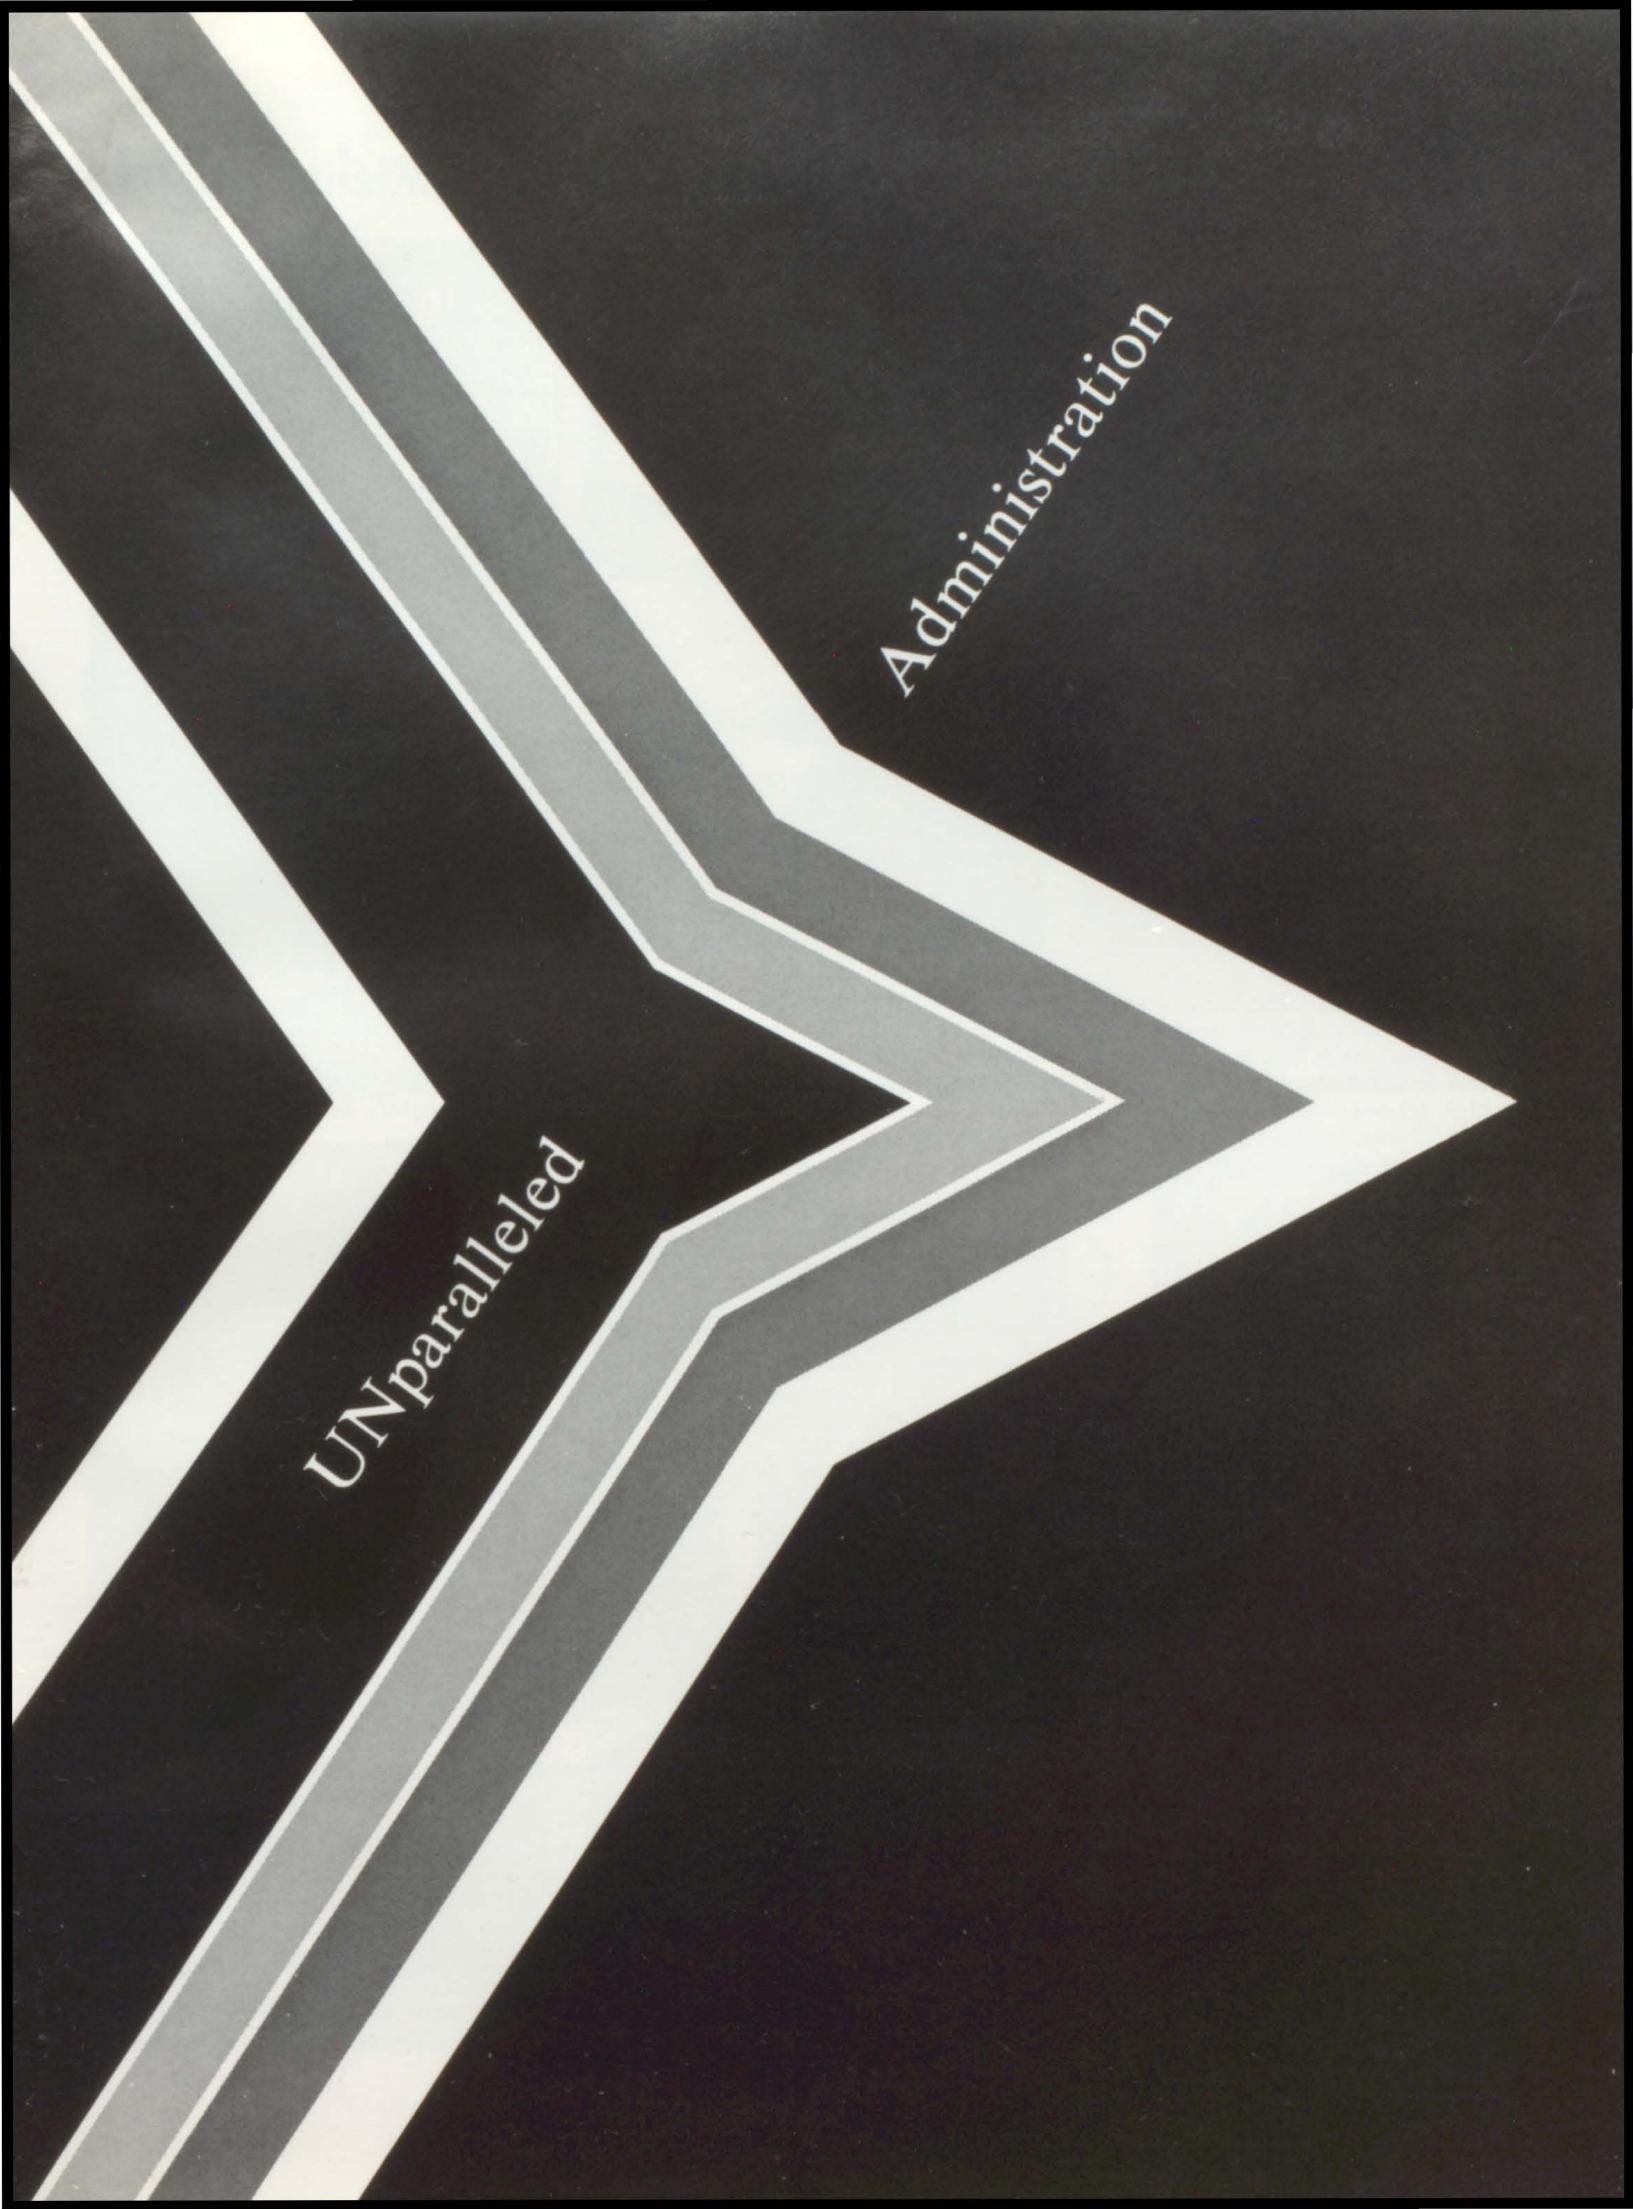

An Undying Commitment To The Old Alma  
Mater Will Hopefully Remain With Us.  
Remember The Old T.V. Commercial,  
"Be Different . . . Drink The Uncola?"  
That Is What We're About, Too.  
We All Want To Be Number  
One With Ourselves,

And Be Just As Proud Of Our Own Personal Achievements And Goals. Let Us Hope That We Shall Never Lose Our Dedication, Commitment, And Individuality, And Strive To Remember That In Nineteen Hundred And Seventy-Eight, "UN WAS ONE."

# Homecoming 1977... "You Light Up My Life"

The 1977 Homecoming Queen-Miss Shari Murphy.

The Homecoming game this year was played against the Crestwood Red Devils on Friday, October 21. The girls in the Homecoming Court were driven around the field in Corvettes during Pregame, and the crowning took place at halftime. Shari Murphy was crowned the Homecoming Queen by co-crowners Ruth Hotchkiss and Perri Petit. The following evening the annual Homecoming Dance took place in the school gym.

The Homecoming Committee outdid itself this year in presenting "You Light Up My Life," on Saturday evening, October 22. "Jerome" provided the music for the evening, entertaining the couples in attendance with a good variety of slow-dance numbers and rock.

Our gym was transformed into a dance hall with crepe paper and glitter, providing a beautiful atmosphere for all the festivities.

The Queen and her court were introduced by the lead singer of the band. They were then escorted across the floor by their dates, as they posed endlessly for pictures.

This year's court consisted of: Freshman Valerie Whetsell, escorted by Chris Adams; Sophomore Suzanne Watts, escorted by Andy Englehart; Junior Jackie Dengler, escorted by Tom Pollock; Senior Crowned Perri Petit, escorted by Ray Butler; Senior Crowned Ruth Hotchkiss, escorted by Ron Messenger; and Queen Shari Murphy, escorted by Joe Pry.

# The Senior Talent Show . . .

Laura Keller and her first place act.

"Coneheads" Kathy and Charisse grab third place.

Sponsored again this year by the senior class, the Talent Show was a smashing success. The acts ranged from comedy to singing, combining for a delightful morning of entertainment for all those attending. Kurt Richards, a 1977 MHS graduate, was invited back this year to assume the duties of Master of Ceremonies. His one-man skits on smoking in the restroom and other high school parodies kept the audience in stitches between acts. First place honors went to Laura Keller, a senior who played and sang an original composition entitled "Always on My Mind." A group of senior girls pooled their talents and came up with the second place prize with an act imitating various teachers, called "Santa in the Halls." Another group of seniors captured third place with their interpretation of "Saturday Night's" Coneheads. Santa Claus (expertly portrayed by Tom Williamson), and his elf (Cheryl Metz) put the Christmas spirit in full swing by distributing candy during the show and posing for "Pictures with Santa" after the show. Joe Pry, resident photographer, was on hand to take and develop pictures of students on Santa's lap. All in all, the last day of school before Christmas vacation was transformed by the Seniors (and Mr. McBee's restroom carols) into a Christmas Wonderland and was an enjoyable day-off for all.

They were all made by the girls in FHA and much time was spent on them.

The first game of the season, against Coventry, got the season off to a great start. The defense hit hard and caused five fumbles as the highlight of the game.

The second game of the season was against Field. This big "rivalry" was decided by turnovers. Mogadore had five big turnovers while the Falcons had four.

Our first league game was very disappointing. Penalties killed the Cats in this game. But the major disappointment was that the Cats couldn't get the running game to go along with the pass. Turnovers hurt the Cats in the Rootstown game.

Our defense had its best game of the season against the Garfield G-Men. The defense allowed only 40 yds. rushing and 25 yds. passing.

The next game was against Waterloo. Despite very poor field position the entire game, the Cats got 147 yds. rushing.

In playing against Windham, three big plays were the difference in the game. The Cats moved into the end zone and fumbled at the wrong time.

Playing against the undefeated leader of the PCL, Crestwood, the Cats gave the Devils all they wanted. The Devils earned a hard fought victory in the second half.

The turning point in the season took place against Streetsboro. After a shaky first half, the Cats dominated the game.

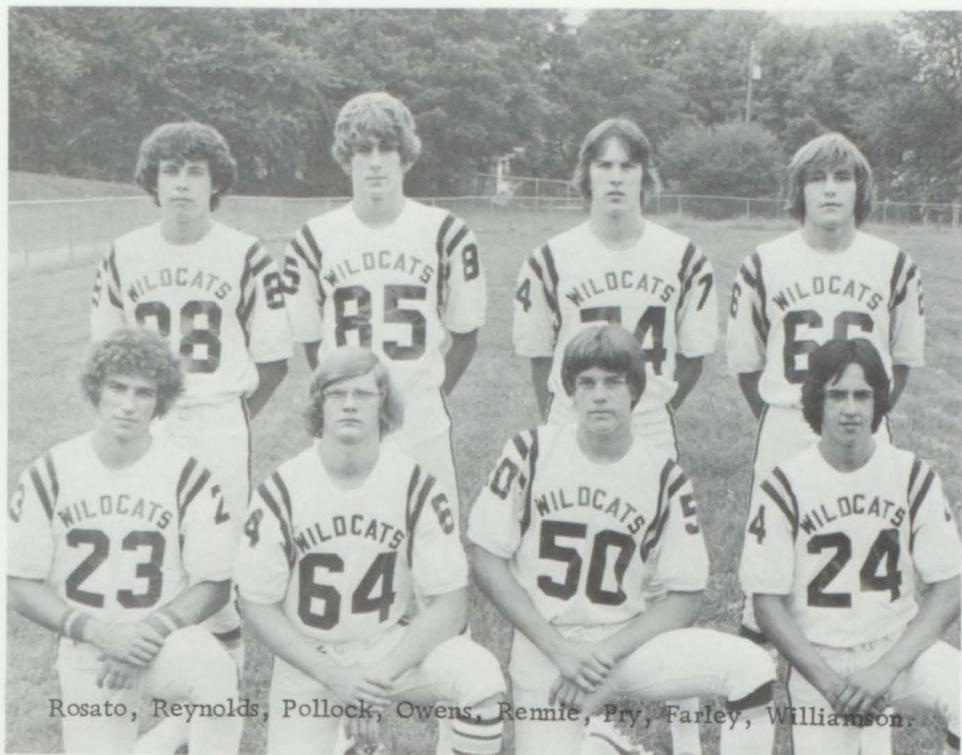

The Cats defeat of Southeast put them in a tie for third place with Southeast at 4-3. The highest point total of the season came as a result of five fumbles caused by the hard hitting defense.

Black River hosted the Cats in a game played in freezing snow. The Cats gave the Pirates their roughest game of the year. All in all this season was one to be proud of.

The football cheerleaders this year were a very spirited group of girls. They spent much of their time making signs, and if there was anything to be sold, they sold it. They worked many long hours on scrapbooks that they presented to the Senior football players. In June, the girls, along with their advisor, Miss Vicki Thomas, participated in a week-long clinic on the campus of Findlay College.

The Freshman Football Cheerleaders this year were advised by Mrs. Jan Yorsey. Their spirit and attitude led the Freshman Football Team to an undefeated season. They sold spirit badges and programs for the Athletic Boosters at the Varsity Football games. The Freshman Cheerleaders also cheered for the Junior Varsity Football Team. All in all, both squads proved to be a valuable asset to school spirit.

The Girl's Volleyball team ended their season with a record of 0-12. The team's unsuccessful record was due to the inexperience of the team. The team spent most of the season learning the basic skills. If they play to-

gether and work as a team, they will do well in the coming seasons. The Volleyball team was coached by Mr. and Mrs. Mestancik.

# Basketball Cheerleaders Inspire Roundballers

Left to right - Jackie Dengler, Christi Clevenger, Joan Kline, Janet Spagnuolo, Jill Murphy, Kristy Richards, Captain.

This year's Varsity Basketball Cheerleaders consisted of Juniors Kristy Richards, Jill Murphy, Christi Clevenger, and Jackie Dengler, and Sophomores Janet Spagnuolo and Joan Kline. The captain of the squad was Kristy Richards. The girls worked after school on their cheers, perfecting each one. These girls had a head start on their cheers; they were football cheerleaders together, also.

To become a Wildcat cheerleader, one must try out. The requirements are one required cheer and one make-up cheer. Many of these girls work months in advance on their make-up cheers, making them the best they can be. The girls all try out together and the judges are usually non-partial people from outside the school.

Cheerleaders rarely get the credit they deserve. They are a very important part of any sport. Without these cheerleaders, there would be very little school spirit or team support.

Left to right - Kelly Yorkey, Captain; Lori Poth, Debbie Pfaff, Dawn Landenberger, Konnie Crew.

The Junior Varsity Cheerleaders are Junior Debbie Pfaff, Sophomores Konnie Crew, Dawn Landenberger, and Lori Poth, Freshman Kelly Yorkey. Kelly also served as captain of the squad. A few activities both squads participated in were making numerous signs for games, preparing team breakfasts, and selling green foil hats in preparation for the tournament games. Miss Vicki Thomas supervised the cheerleaders for both Football and Basketball. She attended the games and rode on the bus with them when there was an away game. Miss Thomas gives up a great deal of her time to advise the girls, and she should be commended for her fine job.

This year's Junior Varsity squad was one of the most improved ever. Under Kelly's direction, the girls cooperated and worked very hard to show everyone their pride in their squad as well as in their team.

There were only two Seniors on the team, and they led the rest with their winning attitudes. Sophomore Tom Pollock played excellent ball throughout the season. He was chosen to be on both the Beacon Journal and Record Courier all-star teams.

This year, George Tompkins achieved the honor that all wrestlers work toward, to be a state champion. George started the year out by winning 1st place in the 132 lb. division of the Lake Tournament. He was also named MVW of the tournament. George then moved down to the 126 lb. weight class. He won the PCL title, at 126 lbs., placed 1st in the Sectional, 1st in the District, and went on to win the State title at Otterbein College. George finished the season with a 26-0 record, and is looking forward to another winning season next year.

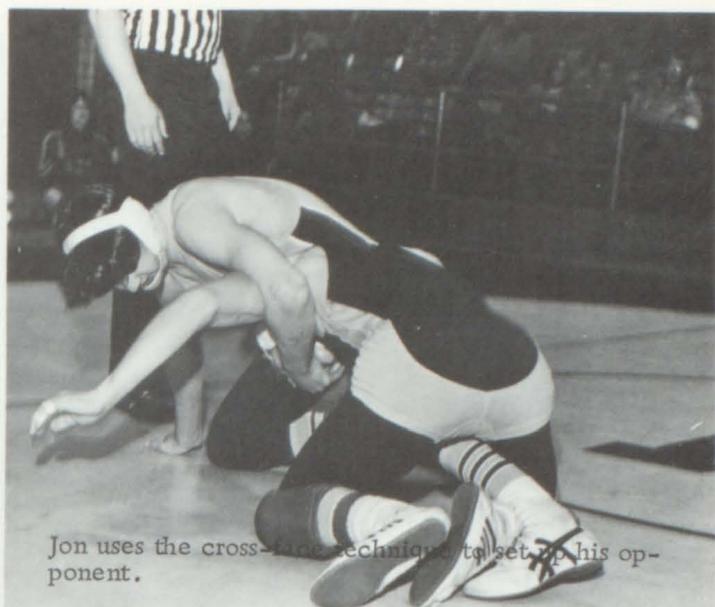

This year's Wrestling Team consisted mainly of underclassmen, with only two Seniors and three Juniors. This inexperience, plus the penalty of forfeiting one or two weight classes, cost the Cats any chance of winning a dual meet. They did, however, perform well in tournaments. 98 lb. Ron Whitby placed a 2nd in the PCL, 3rd in the Sectional, and 3rd in the District. 119 lb. Bob Davis came in third in the Sectional. 138 lb. Marty Cliff placed 4th in the PCL and 2nd in the Sectional. 145 lb. Dave Reynolds came back from an ankle injury, placing 3rd in the PCL with a 3rd in the Sectional and 4th in District. 155 lb. Joe Sentelik had 4th in the PCL and 3rd in the Sectional. Don Conley had 4th in the Lake Tourney and 4th in the PCL. They were coached by Tom Murphy, with John Murphy, John Tompkins, and Mark Novell.

Junior Steve Kot, at first base, had one home run. This year's team consisted mostly of Sophomores and Freshmen. Sophomore Steve Lutz was catcher and had a home run. Sophomore Tom Pollock played shortstop and pitched. Bruce Neal, Sophomore, occupied right field and Freshman Rusty Swartz played left field. Sophomore Kevin Gasaway was third baseman while brother Kurt, Freshman, played second base. Freshman Kenny Dunlap pitched and also played shortstop. This year, through hard work and much practice, the Varsity Track Team obtained the title of "1978 PCL Champs." Jerry Schaible and Pat Ritchie worked along with Jerry Reller to form a track team that earned a 2nd place in Districts. Field events lacked experience, but even though there were only two Seniors, this area showed great improvement throughout the season. Shot and Discus were thrown by Tom Williamson, John Cain, Don Conley and Larry George. Glen Rennie, Dave Stormer and Rick Gilger were the Pole Vaulters this year. Long Jumpers were all lower classmen who did very well. Mark Walkley and Brian Gilchrist placed in almost every meet, while High Jumper Glen Rennie improved greatly. A strong point in the team this year was its sprinters. Bill Rosato, Joe Pry and George Tompkins, along with Tom Kennedy, composed the body of the sprinters. The Hurdlers for the season were Joe Pry, who became a State finalist, Frank Murphy, Craig Thompson, and Jim Tomlins. Distance runners were yet another strong point. Once again, Jeff Moneypenny was a State finalist. Frank Sneyd, Devon Bray, Eric Whitmer, Jim Cross, Ron Orman, Ross Sneyd, Tom Rick, Jim Ciocca, and John Hanigofsky composed the distance runners. All in all, the 1978 Cindermen have certainly brought pride to M.H.S.

## Newspaper Staff Produces "Cat Crier" This Year

The 1977-78 Newspaper staff had a fine year. They made this year's edition smaller, but with added pages. They also changed the name from "Mogadore Megaphone" to "Cat Crier". Members are - sitting - Frank Park, Eric Whitmer - Editor, Bev Anthony. Standing - Bill Brown, Ted Evans, Joe Pry, Mrs. Shoemaker - Advisor. Not Pictured - Kristy Richards, Devon Bray, Kevin McGiffen, Bill Rosato, Dave Moutz.

One of the most energetic crews ever to toil and labor over the yearbook was headed this year by Miss Vicki Thomas, second-year advisor. The staff, organized by co-editors Carole Cliff and Marcia Biondi, both Juniors, consisted of seven dedicated members who used every spare minute, and then some, to create one of the finest yearbooks ever at Mogadore High. Junior Julie Evans, copy editor, spent much of her time behind a typewriter. Aided by Junior Jackie Dengler, these two typed, re-typed, and checked every page until perfection was obtained. Jackie, along with Senior Laura Keller, did a little of everything necessary to putting the book together, including layouts, sales, typing, mailing, phoning, and writing. Ross Sneyd, layout editor, was responsible for much of how the pictures appear on the page. Ross was the only Sophomore on this year's staff. Rachel Wear, Junior, designed this year's cover along with our introduction and divider pages. Carole and Marcia organized the entire staff and were mainly responsible for the entire production of the book. Along with Miss Thomas, who contributed the idea of the "-un" theme to the book, the staff spent their evenings, study halls, lunches, (classes?!) and every weekend preparing this yearbook, which we are very proud and pleased to present to you.

Members of the Society worked diligently to prepare a program to honor the new inductees. As each inductee was tapped, his or her name and class were announced and the parents of the inductee were escorted into the gym from the lobby. The quiet attention of the audience added an air of seriousness and formality rarely experienced at a school assembly.

They performed at the Manchester Band Show, and hosted the annual Mogadore Band Show, Sunday, Sept. 25th. The band was directed by Mr. John Ebner. Mr. Ebner was a great help to the band and under his direction the band improved immensely throughout the season. Mr. Ebner was able to win the hearts of the band members as well as their respect, both very important in the direction of a band. Mr. Joe Geophert was the asst. director. He became an invaluable asset to the band. He aided both Mr. Ebner and members of the band in any way he could. The band is indeed grateful for his help. Miss Cindy Masters directed the Belles and Majorettes. She developed, on her own time, entertaining routines for the girls to perform.

# We Got The . . . Jolly, Jolly Juniors!

This year's Junior Class started the year off with a bang. The class had never had, in previous years, the type of unity that bonded its members together, until this year. It all started out with the building of the class float. After the class had spent a few days of fruitless thinking, Kristy Richards's brother, Kurt, came up with a real winner, "Show the Devils a Homecoming Holocaust." Of course, probably half the school did not know the meaning of the word "holocaust", but the class was positive the originality of the theme would be a big plus in the judging. The class worked every night on the float, and after the final pieces of tissue paper had been applied, everyone agreed that this was the best float the class had ever created. The Juniors were so sure of a first place win, they formed a caravan to the school complete with a police escort.

The Junior Class's Float placed third.

Unfortunately, the judges didn't agree with the Juniors' opinion and awarded the float a mere third place. This action, however, led the Juniors to higher aspirations for next year.

Jackie Dengler represented the Junior Class in the Homecoming Court. She was nominated, along with two other girls, by the Junior Class. The winner was chosen by the boys' fall sports teams. She was escorted on the field by her father, Mr. Dan Dengler, and at the dance by Tom Pollock.

The Juniors chose as their class officers this year Kristy Richards, President; Jodi Bixler, Vice-President; Carole Cliff, Secretary; and Andy Englehart, Treasurer. These officers were the main organizers of the big event of the year, the Junior-Senior Prom. The Juniors scraped up money in any way they could. They sold Homecoming Mums, Halloween Insurance, pizzas, donuts, and Easter Candy. They also received the profits from the Junior Class Play, "M.A.S.H.". The class chose as the theme of the prom as "Keep Holding On To Yesterday", with the major colors being green and silver.

The Junior Class is very proud of one of its members, George Tompkins. George went on his second trip down to state wrestling this year. Last year, George also went to compete for the state title, but failed to place. This year he achieved his goal, and became the 1978 Single "A" Class, 126# wrestling champ. George is the second wrestler in Mogadore history to become a state champ. We will be looking forward to next year to see if George can capture the title a second time.

The members of Student-Faculty Senate that represent the Junior Class are Jackie Dengler and Matt Shannon. These two participate in the monthly meetings. They vote on new rules and have an opportunity to oppose any new bills not to their liking. They also take suggestions from fellow classmates on issues to bring forth for consideration by the senate.

This year, twenty-two Juniors attended Maplewood Joint Vocational School. They entered the school to learn a vocational skill. Many of the students attending Maplewood find it to their

liking, but many feel the opposite. The most common complaints are that they feel left out of Mogadore affairs, they miss their old friends, and they dislike the long bus ride to and from Maplewood. Some good points Juniors state about Maplewood Joint Vocational School are that they enjoy meeting students from area schools, they make new and interesting friends, and they learn a trade they can use when they graduate.

The track team chose Jackie Dengler as this year's Junior attendant of the Wildcat Relays.

The Junior class was aided greatly by two teachers, Mr. McClellan and Miss Smith. These two helped the class in all their money-making ventures and should be commended for their fine help. Other Junior class advisors are Mr. Lingle, Mrs. Knopf, Mrs. Mestancik, and Mr. Weaver.

The following Juniors were not pictured in this year's yearbook: Ron Brown, Robin Casto, Bob Hayes, Tracey Lane, Dwayne Walkerow, Mark Boylen, Laura Fassnacht, Tina Moore, and Karl Vanhorn.

## Silly, Silly Sophomores!

The Sophomore Class is one of the closest classes in the school, cheering each other on at sports events, and generally staying together.

This year, the Sophomores captured first place in the Homecoming float contest. The theme of their float was, "Put Out the Devil's Fire." Traditionally the Seniors seem to claim the first place prize, but the Sophomores upset the upperclassmen for this year's honor. The Sophomores constructed the float at Kevin Gasaway's house. As usual, most of the class turned out to work on the float. One of the big events, in making a class float, is to check out and generally

criticize the other floats even though there is the fear that the others will be better. And you can bet the Sophomores gave the other classes something to worry about!

This year, Suzanne Watts was chosen to represent the Sophomore class on the Homecoming Court and was escorted on the field by her father, Mr. Robert Watts, and at the dance by Andy Englehart. She was nominated by her class, along with two other girls, and was chosen above the other two by the fall boys' sports teams.

The Sophomores voted as their class officers Craig Thompson, President; Nancy Romano, Vice-President; Carolyn West, Secretary; and Dave Keller, Treasurer. One of the biggest money-making projects they ran was selling tickets for a half-court shooting contest. They held this contest during half-time at all the home Varsity basketball games. This venture and brainstorm of the class turned out to be quite popular and successful. They sold pizza for the "Academic Boosters".

He was picked for the All-PCL Basketball Team, second team All-Northeast Ohio, and honorable mention on the All-Ohio State Team. Tom is also a top-notch football and baseball player.

Faculty-Student Representatives for the Sophomores were Joan Rosak and Ross Sneyd.

## Teeny, Weeny FRESHMAN!

The Freshman Class is a class that is very athletic-minded. Most of the students participate in some type of sport, or participate by being a cheerleader. This can account, then, for their fine athletic teams.

The Freshman Class worked on their first float at Judy Davis' house. They came in fourth place, in the judging done down at the school. This can be expected, since they have had no previous experience building a class float. The theme of their float was written on a tombstone and it said "Crestwood Red Devils Died 10-21-77." They worked long and hard on this project and became a close class because of it. The Freshman Class nominated three girls for Homecoming Attendant. Valerie Whetsell was

The Freshman Class Officers were Laura Biondi, President; Jim Ciocca, Vice-President; Valerie Whetsell, Secretary; and Traci Williamson, Treasurer. These officers were in charge of the class's money-making projects. They included sponsoring a flea market, and holding a magazine drive. The Freshman year is the first year of three that a class will spend in trying to raise money for their Prom.

Laura Biondi was also the Student-Faculty Senate representative for the Freshman Class.

The Freshman's football team had a season this year that held only victories. They finished the season 7-0. They were coached by Mark Novell. Their captains were Bob Davis, Don Reynolds, Bob Mishler, and Ken Dunlap.

This year, the Seniors' strategy of using the Homecoming theme as their float theme failed to capture them the first place honor they had last year. This year, they had to settle for second place behind the Sophomores. The Seniors' float was done in rainbow colors, with a spotlight illuminating the glitter-edged slogan. The Seniors arranged a silhouette figure of a boy and girl under a colorful tissue paper rainbow. The Seniors constructed the float at Denise Budacki's home, and had many an underclassman fooled on the quality of the float, due to its small size. All in all, the Seniors fared well at the contest.

This year the students of Mogadore High School were told that in January they would be having an exchange student from Brazil visit our school for the remaining semester. This student was Joao Garcia, or as everyone called him, simply "Joe". Joe started in our school in January and went back to Brazil the end of July. He has two sisters -- Daniele, 2, and Aurora, 17. Joe was quoted as saying, "I was glad to come here because the things I learned, I could use in the future. I also improved my English a lot." Joe's many hobbies include photography and playing the guitar. He gave a beautiful demonstration of his abilities on the guitar at the Wildcat Follies and at the Academic Boosters Dinner. In Brazil, Joe was a member of the State Volleyball Team. He also enjoys watching soccer and boxing. We all wish Joe the best of luck in the future.

This year, twenty-three graduating Seniors attended Maplewood Joint Vocational School in Ravenna. These students commuted to the school either by bus or by their own transportation. Miss Read visited Maplewood every Friday in order to keep these students up to date on Mogadore affairs. She also counseled them on any questions or problems they had. Virginia Talbott was the Maplewood student representative, and kept communication going between the two schools and their students. At Maplewood, there are many fields in which to study. The number of students each school is permitted to enroll is figured by the size of the school. In some areas Mogadore does not fill their quota, so another school is given the option of sending more of their students in that field. The following is a list of the fields in which Mogadore Seniors were enrolled: PAULA BALL-Account Computing; JOHN BOWERS-Industrial Plastics; JAMES BUEHMAN-Electricity; DENISE CHOPEK-Cosmetology; DUANE CLATWORTHY-Machine Trades; SUSAN GARL-Office Secretary Training; DANIEL HANSHAW-Auto Body; STEPHANIE HARTMAN-Horticulture; DALE HOUSLEY-Electronics; DEANNA LONG-Child Care; DOUGLAS LOTT-Welding; BRENDA MILLER-Restaurant Management; BRENT MILLER-Engineering Drafting; RANDY MILLER-Electronics; JEFFREY MONEY PENNY-Welding; PAUL NEAL-Restaurant Management; ROBERT OWENS-Graphic Communications; TODD POLLOCK-Welding; JOHN SCHILLINGER-Auto Mechanics; VIRGINIA TALBOTT-Cosmetology; DAVID THORICHT-O.W.E.; MARK WIEBRECHT-Auto Mechanics; BRUCE WILSON-Industrial Plastics.

This year's Manhood Award goes to Mr. David Reynolds. David fills all of the qualifications needed to become the recipient of the award. To win the award, one must demonstrate leadership, dedication, character, and scholarship. It is a great honor to be chosen by one's peers to receive this award. David was very active in athletics. He played Varsity Football for three years and was a captain his Senior year. David also participated on the Wrestling Team for four years, being captain his Junior and Senior years. He was also chosen as Runner-up Sweetheart King.

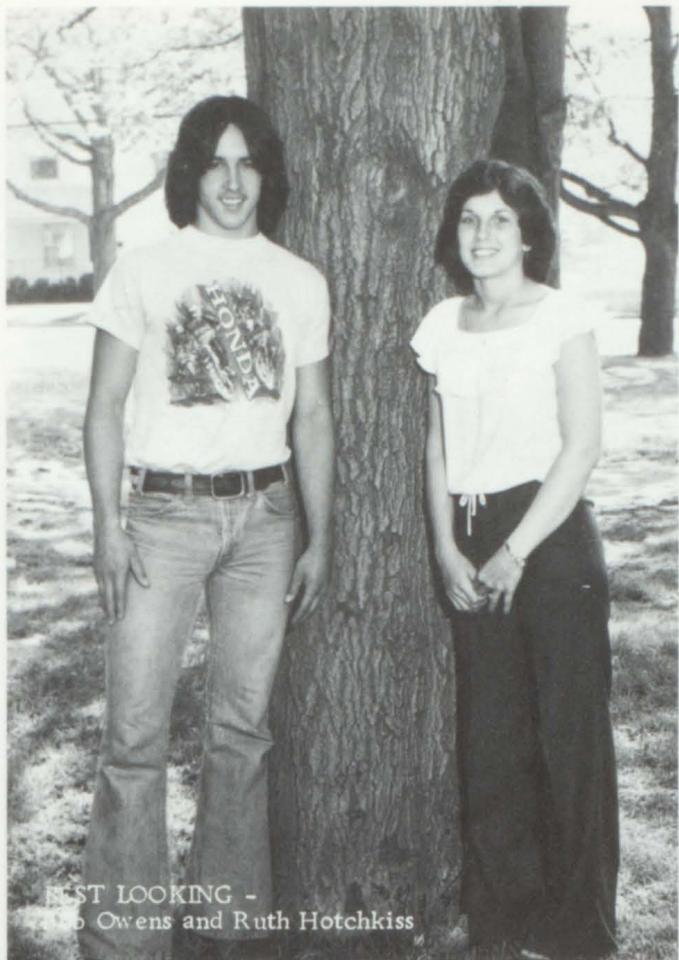

Miss Lisa Kagarise, Senior Class Valedictorian, has been awarded this year's Womanhood Award. Lisa was involved in a great number of activities while attending Mogadore High. She was a member of the Wildcat Marching Band, Concert Band, and Band Council for her four high school years, and was President of Band Council this past year. Lisa was also Treasurer of her class during her Junior year, and was class Historian this year. Lisa was a member of National Honor Society for three years. # "Keep Holding On To Yesterday . . ."

Couples dance a fast number to the music of "Free-way."

Kim, Rachel and Kristy show off some of the art of "Disco Dancing."

This year, the Junior-Senior Prom adopted the theme of "Keep Holdin' on to Yesterday." The Prom was held at Stan Hywet Carriage House from 8:00 until 11:00 PM. The band, "Free-way," provided the music which consisted of both slow and fast numbers, allowing everyone to join in the dancing.

Afterprom was once again held at Kent's Eastway Center, providing bowling, pool, pinball, and a large game room.

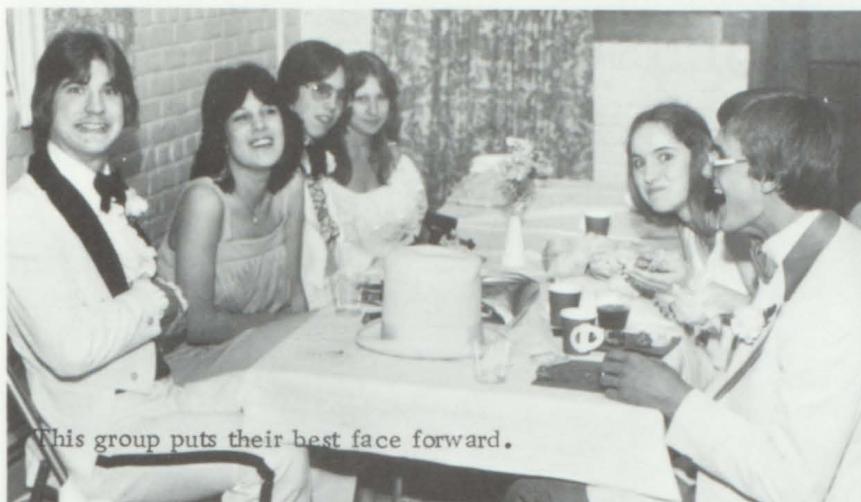

The girls on the Prom Committee spent many hours on favors and centerpieces, which were, as shown in the pictures, arrangements of silk roses and baby's breath.

This year's Junior Class worked very hard to make Prom a success and their efforts were well worth it. Everyone who attended had a fine time.

Carole, Frank, Pam, and others are having a good time.

Donna and John move around the floor.

The floor fills as a slow dance is played.

# Seniors Hold Banquet At Town And Country

What?? Charisse and Mr. McBee? Sweethearts?!

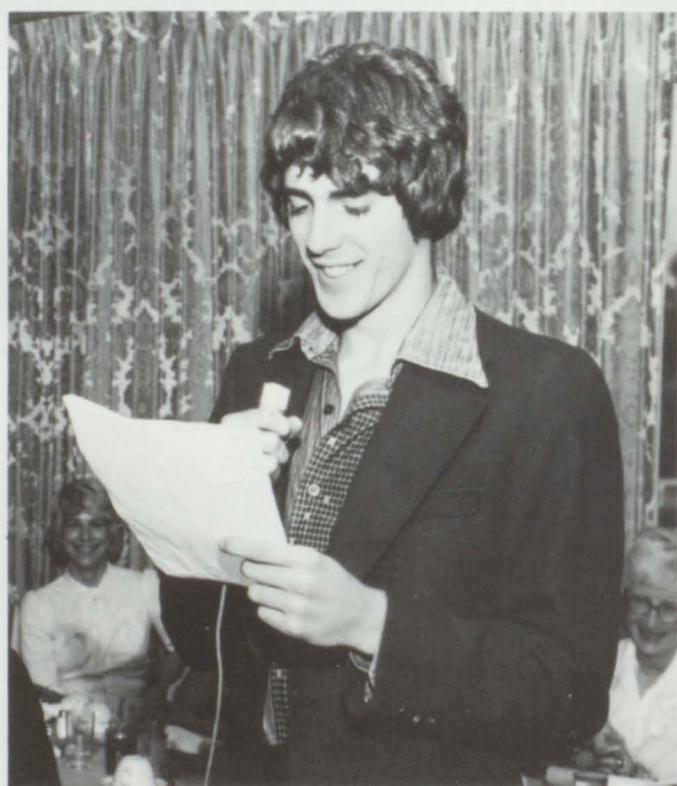

The Class of 1978's annual Senior Banquet was held at the Town and Country Restaurant in Canton again this year. Lots of delicious food was eaten, while the graduates listened to Mr. McBee present the Senior Superlative Awards to each and every deserving winner.

Senior men wait in anticipation.

Laura Keller finds something to chuckle about.

Joe Pry reads the Senior Story.

Don Gordon makes a trip up to pick up his Superlative Award.

Jeff Moneypenny receives his award for Nicest Hair.

Dave Reynolds looks pretty happy with what's on his plate!

# Senior Picnic—Their Last Fling . . .

Mark and Frank display their talent.

What form!!

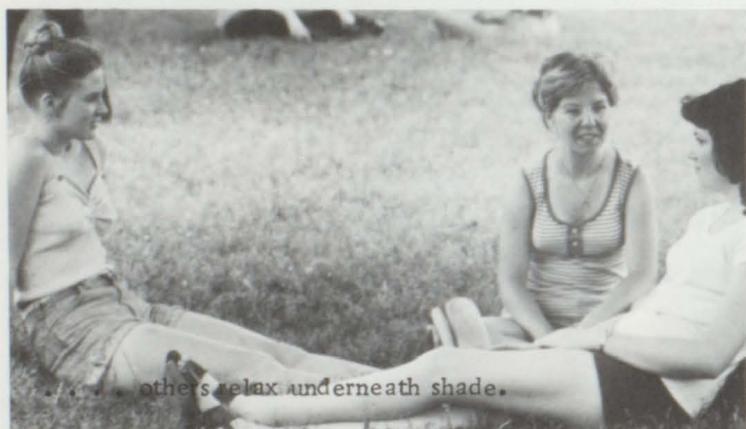

Dianne cools off.

On June 2, from 12 to 5, the Seniors spent their last Friday together at Firestone Park. Much food was consumed as the Seniors frolicked.

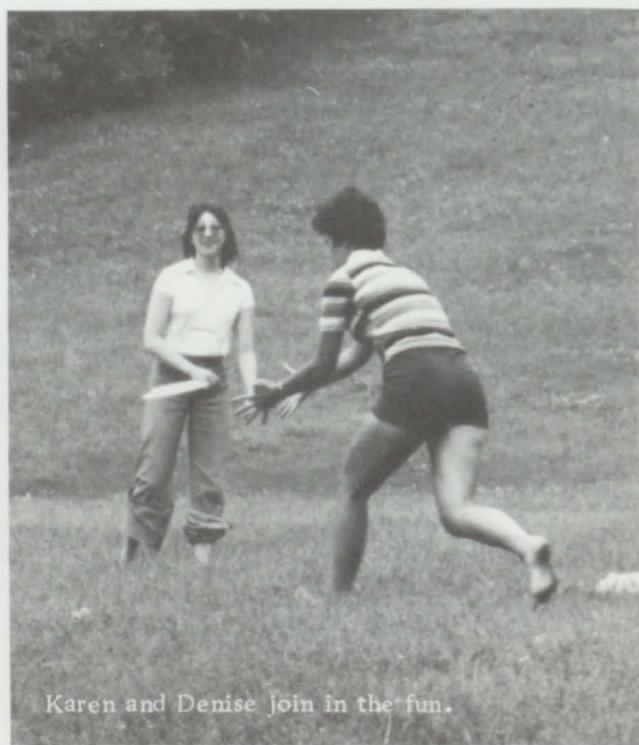

Some Senior girls have the gift of gab . . .

... others relax underneath shade.

Will she catch it?

Karen and Denise join in the fun.

# Commencement 1978 . . . A New Beginning . . .

On perhaps one of the most beautiful days for graduation that Mogadore has ever seen, 96 Senior men and women were graduated. Sunday, June 4th was the date chosen by the class for the most important event of the seniors' school years. Miss Perri Petit, Class President, gave the welcoming speech, as Miss Lisa Kagarise and Miss Beth McCallister gave the Valedictory and Salutatory Addresses. Dr. David Riede of the History Department at Akron University, guest speaker, spoke to the graduates on "A Look Ahead," and inspired the graduates to be proud of themselves in the future.

Many thanks to Mr. McBee for all of his direction during the seniors' last year, and especially during the final weeks and days of anticipation and preparation. Thanks also to the other advisors - Miss Thomas, Mrs. Kot, Mr. Butcher, and Mrs. Wilkinson.

Seniors participating in the invocation.

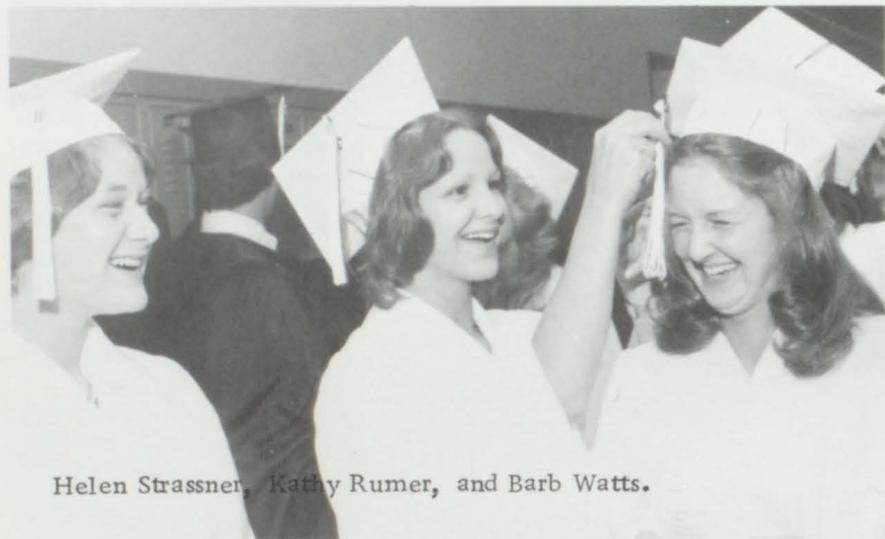

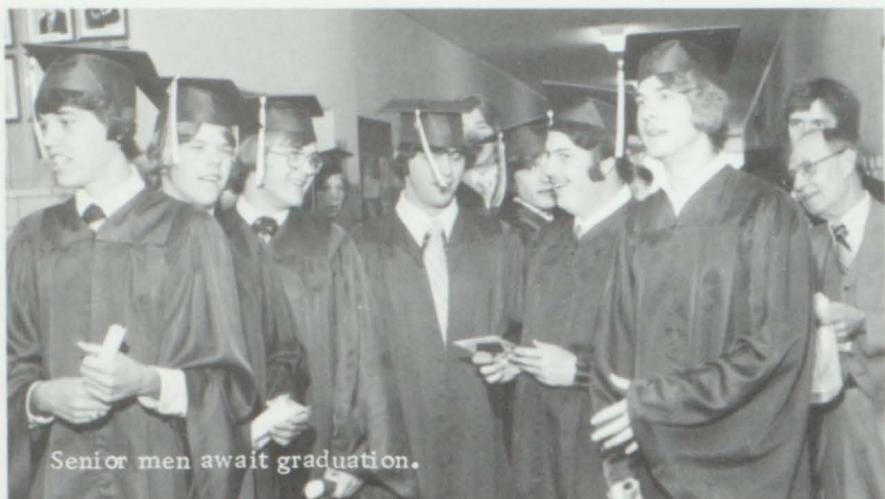

Lori Shaffer and Dan Hanshaw.
