

CCCS SCHOOL CLUB

Spirit of Giving

Let's show our appreciation for those who teach, challenge, inspire, serve, and love our kids!

In the spirit of the Christmas season, the Corpus Christi School Club is offering parents an opportunity to acknowledge the dedicated and caring faculty and staff by collecting Christmas donations. The donations received will be evenly distributed to each faculty and staff member at Corpus Christi school. The donations will be placed in a Christmas card, along with a list of the students who contributed.

This is purely a voluntary contribution, and all donated amounts are strictly confidential. If you choose to participate, we encourage only to give what works for your family. No gift is too small when it comes from the heart. In the past, many families have chosen to participate in this opportunity in lieu of a teacher gift.

To participate:

- Fill out the bottom portion of this letter – if you do not want to be identified, please write anonymous.
- Place the bottom portion of this letter in the attached envelope with your donation.
- Checks should be payable to “Corpus Christi School Club”
- Venmo donations can be sent to @CorpusChristiCatholicSchool
- Students may bring the envelope to their homeroom or to the office.
- **Donations must be received no later than Friday, December 12th.**

Thank you and we hope you have a blessed Advent season as we prepare to celebrate our Savior's birth.
