As we begin another exciting school year, I encourage you to join me in recognizing and celebrating the dedicated staff members who have served the School District of Lomira for 25 years or more. Their commitment, passion, and unwavering support of our students have helped shape generations of learners and strengthened our community in countless ways.

The start of a new school year brings fresh opportunities for learning, growth, and achievement. Throughout the summer months, our staff have been actively preparing for student success by enhancing learning spaces, refining instructional practices, strengthening support systems, and ensuring our schools are ready to welcome every child on the first day. Whether your student is beginning their educational journey in 4K or preparing for life after graduation, our commitment remains the same: to provide a safe, supportive, and engaging environment where every student can reach their full potential.

Like many school districts across Wisconsin, Lomira continues to face significant financial challenges stemming from rising costs, increased student needs, and state funding mechanisms that have not kept pace with inflation. Despite these pressures, our district has remained committed to responsible stewardship of taxpayer resources while maintaining the high-quality educational opportunities our students deserve. Through careful financial planning, strategic budgeting, and our staff's dedication, we have successfully navigated these challenges without losing sight of our mission. While difficult decisions have sometimes been necessary, we have continued to invest in student learning, student supports, facility maintenance, and curriculum tools. The resilience of our community, the support of our families, and the commitment of our staff have allowed Lomira to remain strong and focused on providing exceptional educational experiences for every student. As we look to the future, we will continue to advocate for sustainable public school funding while ensuring that every dollar entrusted to us is used effectively to support student success.

Our district remains grounded in the values of collaboration, respect, equity, and excellence. These principles guide our decisions and shape the experiences we provide for students each day. We deeply appreciate the partnership of our families, community members, and local organizations whose support helps make Lomira a special place to learn and grow. Looking ahead, we will continue building upon the strong foundation established through our literacy initiatives, social-emotional learning programs, and student support systems. We are also committed to creating additional opportunities for family engagement and meaningful dialogue as we work together to meet the evolving needs of our students and community.

Thank you for your continued trust and partnership. Together, we look forward to another year of learning, growth, and success for every student.

With gratitude and excitement,
Ty Breitlow

A Note From Your

NEW PRINCIPAL!

Hi, I'm Ms. Izquierdo!

My why

I was drawn to Lomira because of the small-town warmth, strong sense of community, and the way people show up for one another. It's the kind of place where every student is known, valued, and supported and where relationships come first. I can't wait to build those same connections with our students, staff, and families as we learn, grow, and celebrate together as one community.

Family is at the heart of everything I do. My husband, Victor, and I love spending our weekends cheering on our two kids, Nora and Joel, as they chase their passions. When we're not on the sidelines, you'll usually find us exploring somewhere new. Traveling together has become one of our favorite ways to learn, grow, and make lifelong memories. My time serving as a Peace Corps Volunteer in Moldova deepened my appreciation for different cultures and reminded me that some of life's greatest lessons come from listening, connecting, and seeing the world through someone else's eyes. And then there's Rocky, our energetic German Shepherd. He never misses a chance to remind us he's in charge of keeping our family and home safe.

PRINCIPAL PONDERINGS

Mrs. Shannon Izquierdo | 4K-5 Principal | 2026-2027

Welcome back to our returning families, and a special welcome to those joining us for the first time! I'm equally new here myself. I began as your elementary principal on July 1, and I've spent this summer getting to know our staff, our building, and the community that makes Lomira Elementary and Theresa Learning Community such special places.

One of the first things I did was send out a survey to our staff, asking what they love about our schools and where they'd like to see growth. I was completely moved by the response. Again and again, staff described a small-town community where teachers know almost every student by name, where genuine relationships with kids and families are the norm, and where colleagues show up for one another. One staff member summed it up perfectly, calling ours one of the most welcoming, caring, and talented teams they've ever worked with, and that spirit of collaboration and support came through in nearly every response. Staff also shared how much they value our focus on reading readiness and behavior support, and their hope for even more open, two-way communication going forward. I'm listening, and those themes will shape my priorities this year.

Now I'd love to hear from families too. Please take a few minutes to share your thoughts by completing this Family Survey.

What I already know for certain is this: strong schools are built on strong partnerships between home and school. Your involvement, encouragement, and support at home make a real difference in your child's growth, and I'm looking forward to working alongside you. I don't have every answer yet, but I bring genuine excitement, a willingness to listen, and a commitment to putting kids first in every decision.

As I settle in, my door is open. If you have questions or concerns, or just want to introduce yourself, please stop by or reach out. You can always reach me at sizquierdo@lomira.k12.wi.us or (920) 269-4396, ext. 106. I'd love to meet you.

Here's to a wonderful year of learning, growing, and getting to know each other.
Thank you for welcoming me into the Lion family!

PRINCIPAL PONDERINGS

Mrs. Deb Janke | 6-12 Principal | 2026-2027

Hi Lions,

I hope this message finds you all enjoying a beautiful summer filled with family, friends, fun, and maybe even a little work too. It's been an exciting few months here in Lomira! We've celebrated another team of state champions, witnessed immense success from our students showing livestock at the local fairs, and watched our student leaders working their fundraising magic at local brat fries and during bingo nights in the park. There are always teenagers working hard to showcase their talents, and this school district makes me so incredibly proud to serve our kids and this community every single day. Keep up the great work!

And now, here we are, gearing up for another school year: another opportunity to grow smarter, stronger, and more confident in our abilities. Staying busy, getting involved, and being accountable through great attendance, as well as showing commitment to employers or teachers, are the keys to future success at this point in your life. Whether that's through a summer job, volunteering at your church or a favorite organization, or hitting the weight room every morning, whatever you're passionate about, give it 100%. That's how you build a strong, life-long work ethic.

We're excited to welcome students back for clubs like FFA and FBLA meetings as well as the start of fall sports in the coming week. Pick something that sounds fun and get involved; it's the best way to make the most of your school experience. Be ready to meet lots of new students who have registered over the summer and show them what it means to be a Lomira Lion: welcoming, dedicated, and ready to mix fun with learning.

We'll be kicking off this fall with Homecoming right away in September, so get your Lion Pride stoked up and ready to roar. It's going to be our best year yet!

HEALTH SERVICES UPDATE

SCHOOL NURSING COVERAGE PLAN

I wanted to share an update regarding health services in the Lomira School District.

Beginning at the start of the school year, Deborah Serwe, RN will serve as the district's substitute nurse during my leave. Deb brings 42 years of nursing experience, and I am grateful to have her providing excellent care and support to our students and staff in both the Theresa and Lomira schools.

I plan to return from maternity leave on Monday, November 2. At that time, we will continue providing nursing services through a flexible coverage model designed to meet the needs of both school buildings. When the nurse is at the opposite building, staff and students will have access to virtual nursing support through Google Meet, allowing for real-time assessment, guidance, and communication. This approach helps ensure that students have timely access to nursing care regardless of which building the nurse is serving.

As always, families are encouraged to contact the school health office with any health-related questions or updates. We appreciate your support as we continue to provide safe, high-quality health services to all students throughout the school year.

Thank you for your flexibility and partnership as we continue to provide safe and effective health services to our students. I appreciate everyone's support during my leave and look forward to being back in the district. Please do not hesitate to reach out with any questions regarding nursing coverage or health room procedures.

Annual Notice of Special Education Referral and Evaluation Procedures

Upon request, the School District of Lomira is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Chris Keiler, Director of Pupil Services, School District of Lomira, at 920-269-4396 ext.112, or by writing to him at PO Box 919 Lomira, WI 53048.

Special Needs Scholarship Program

The State of Wisconsin has created a special education scholarship program. The Special Needs Scholarship Program allows a student with a disability, who meets certain eligibility requirements, to receive a state-funded scholarship to attend a participating private school (governed by Wis. Stat 115.7915 and Wisconsin Administrative Code Chapter PI 49). For additional details, visit the following website: https://dpi.wi.gov/sms/special-needs-scholarship

Child Development Day

The School District of Lomira, in collaboration and cooperation with surrounding community agencies that provide services to families with young children, will host a Child Development Day (CDD), a free preschool screening for children ages 2 ½- 4 who reside in the Lomira School District. Your child will be encouraged to participate in a play group where social, communication, motor, and early learning skills will be observed. There will be a vision and hearing screening for 3 ½-4-year-old children. The screenings provide information on a child's growth and development; help build awareness of community resources and address concerns parents may have regarding personal development. The screenings may also help to identify children who may need further assessment. We cordially invite you to participate in this free 30-minute screening of your child's development. Please reach out to **Kileen Rosenberg at (920)269-4396 ext.107** to schedule your child's 30-minute screening.

This event will be held October 3, 2026, 8:00 am -12:00 pm. It will be held at Theresa Learning Community, 422 S. Milwaukee St, Theresa, WI.

STUDENT TRANSPORTATION for 2026-2027

BUS COLOR/ANIMAL BANDS

Students will be able to get their bus color/Animal tag for backpacks and times at Back-to-School Night - August 26th 4:30-6:00 PM

As we prepare for the upcoming school year, here are some important reminders regarding student transportation:

- **Be Ready Early:** Students are urged to be ready earlier than usual during the first couple of weeks of school until more exact pickup times are established.
- **K4 Start Date:** Please note that K4 classes begin the second week of school on **Monday, September 8**, which may result in slight changes to the bus schedule.
- **Be On Time:** It is always more feasible for students to wait for the bus than for the bus to wait for students. **Please be out and ready at your stop at the designated time.**
- **Video Cameras on Buses:** The School District of Lomira has authorized the use of video cameras on all school buses. These are primarily used to reduce disciplinary issues and prevent vandalism.

Bus Routes and Driver Shortage Update

- **Routes:** Routes for the 2026-2027 school are being finalized. No late additions will be allowed, the only exception of adjustments is for any new students joining the district.
- **Number of Routes:** The District is planning on having 6-7 routes this school year (depending on school bus driver availability). If you know someone interested in becoming a bus driver, please encourage them to contact the District Office.

Transportation Forms Reminder

Previous route accommodations will not carry over into the 2026-2027 school year. A new transportation form must be completed annually per DPI transportation requirements.

For questions or concerns, please contact **Sara Drews** at **(920) 269-4396 ext. 100**.
Thank you for your understanding and cooperation as we work to ensure a smooth and safe start to the school year!

Youth Risk Behavior Survey

In early spring, students in grades 6-12 may be provided with an opportunity to complete the Youth Risk Behavior Survey. The survey will ask about health behaviors that keep young people healthy, as well as behaviors that result in unintentional and intentional injuries, tobacco use, and alcohol and other drug use. It will also ask about bullying, sexual risk behaviors (mostly for high school students), online risk behaviors, stress and anxiety, self-harm, dietary behavior and physical activity. It also focuses on positive things like strong connections to the school and to other people. Students will be asked to fill out an anonymous, online questionnaire that takes about 25-35 minutes to complete. Completing this anonymous survey will cause little or no risk to your child. The survey has been designed to protect your child's privacy. The results of this survey do help students by providing schools and the community with information that is used to improve health and safety programs. We would like all students to take part in the survey, **but the survey is voluntary**. If you have questions about the survey, please call Kara Martin, 6-8 School Counselor or Bridget Walsh, 9-12 School Counselor 920-269-4396

2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not been told your children will get free meals, please call the school districts homeless liaison: Bridget Walsh P:(920) 269-4396 extension 186 or e-mail her at bwalsh@lomira.k12.wi.us.

3. HOW DO I KNOW IF MY CHILDREN QUALIFY AS MIGRANT? Does your family relocate on a seasonal basis? On the Free and Reduced Application, there is a box behind each student's name and grade information. Check the Migrant box. When the application is received, the school is responsible for verifying this information with the state's WISE database. If your student cannot be found on this database they will be ineligible for the benefit until it can be updated and verified. If you believe your student should be in the WISE database for migrant children, please visit: https://dpi.wi.gov/migrant for more information on how to obtain documentation and verification.

   The best practice is to fill out the entire application to prevent delays in benefits. Whatever benefits are greater will be applied. If migrant status can be verified, the application will be approved without further details being needed, but if it can not your family may quality on income alone.

4. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Use one Free and Reduced Price School Meals Application for all students in your household. Please look over the application and fill it out completely, including signature. We cannot

approve an application that is not complete, so be sure to fill out all required information. We are able to call to clarify if there is a question, but if the signature is missing we will have to send the application back which can lead to delayed benefits.

Please return the completed application to: Lomira School District ATTN: Tracy Flasch PO Box 919 Lomira, WI 53048

5. WHAT IF THERE IS NOT ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper and attach it to your application.

6. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE OR REDUCED PRICE MEALS? Please read the letter you received carefully and follow the instructions. If your letter indicated you qualify for free meals, then no application is needed.

   If any children in your household were missing from your eligibility notification, immediately contact Tracy Flasch PO Box 919 Lomira, WI 53048. P:(920) 269-4396 ext 156 or e-mail tflasch@lomira.k12.wi.us If your household was notified it qualified for reduced price meals, we encourage you to complete an application to potentially qualify for free meals based on household size and income.

7. WHERE CAN I FIND AN APPLICATION FOR FREE/REDUCED MEALS? There are a number of ways to apply for Free and Reduced meals with the Lomira School District. The most common is during school registration on your family Skyward account. You will be prompted to fill an application out during that process.

   If you are unable to fill the application out at that time, you can submit an application at a later date; either on Skyward or by printing a new physical copy. A PDF of the application and instructions on how to fill the application out can be found in the food service tab of the school website: http://www.lomira.k12.wi.us. A copy is available in both English and Spanish.

   You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application but will reduce the amount of time it takes the Food Service Coordinator to receive the application.

   Contact our Food Service Coordinator Tracy Flasch at PO Box 919 Lomira, WI 53048. P:(920)269-4396 ext 156 or by e-mail tflasch@lomira.k12.wi.us if you have any questions about the application process.

8. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first 30 days of this school year, through October 15th, 2026, or when a new eligibility is determined. You must submit a new application unless the school informed you that your child is eligible for the new school year. If you do not submit a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals. Free and Reduced benefits start the day the application is processed and can not cover any debit accrued before that date.

9. I GET WIC. CAN MY CHILDREN GET FREE MEALS? WIC is not qualifying program, but children may be eligible for free or reduced price meals based on household income. Please submit an application.

10. MY CHILD PARTICIPATES IN BADGERCARE PLUS OR MEDICAID. CAN MY CHILD GET FREE MEALS? BadgerCare Plus and/or Medicaid are not qualifying programs, but children may be eligible for free or reduced price meals based on household income. Please submit an application.

11. WILL THE INFORMATION I GIVE BE CHECKED? Yes. Starting in October our verification process starts. If randomly chosen, we will ask you to send written proof of the household income you report. If chosen, a packet will be sent to you in the mail.

12. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed or experience financial hardship may become eligible for free and reduced price meals if the household income drops below the income limit.

13. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by contacting the school's hearing official: Ty Breitlow PO Box 919 Lomira, WI 53048 P: (920)269-4396 ext 103 or by e-mail at tbreitlow@lomira.k12.wi.us

14. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.

15. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

16. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

17. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Do not include any combat pay resulting from deployment as income.

18. IF MY STUDENT QAULIFIES FOR FREE AND REDUCED ARE OTHER SCHOOL COSTS COVERED? Not automatically. If your student qualifies for Free and Reduced Meals, the parent or guardian must fill out a separate form indicating what programs your family would like to share this information with.

    A PDF of this form is available in the Food Service tab on the Lomira School District website: http://www.lomira.k12.wi.us. Alternatively, a printed copy can be found outside administrative offices or be request by you via e-mail from Christine Stark at (920)269-4396 ext 143 or cstark@lomira.k12.wi.us.

    We cannot and will not share your student's Free and Reduced status with other departments, programs, or individuals unless we have received a completed and signed copy of this form.

19. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for FoodShare or other assistance benefits outside of the school, contact your local assistance office or call 1-800-362-3002.

20. IF THIS APPLICATION IS APPROVED WILL MY CHILD RECEIVE SUMMER EBT BENEFITS? Yes. An approved Household Application for Free or Reduced Priced Meals qualifies your household for Summer EBT benefits. More information is available at https://dpi.wi.gov/school-nutrition/programs/SummerEBT.

If you have other questions or need help, contact Christine Stark at (920) 269-4396 ext 143 or e-mail at cstark@lomira.k12.wi.us

RELEASE STATEMENT

The Lomira School District today announced its policy for children unable to pay the full price of meals served under the National School Lunch Program and School Breakfast Program or milk for split-session students served under the Special Milk Program. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals or free milk if a split-session student does not have access to the school lunch or breakfast service.

Application forms are being sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals or free milk, households must fill out the application and return it to the school (unless notified at the start of the school year that children are eligible through direct certification). Additional copies are available at the office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by agency or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals or free milk for children in a household where one or more household members receive FoodShare, Food Distribution Program on Indian Reservations (FDPIR), or Wisconsin Works (W-2) cash benefits, list the FoodShare, FDPIR or W-2 case number, program name, list the names of all school children, sign the application, and return it to the school office.

For the school officials to determine eligibility for free or reduced price meals or free milk of households not receiving FoodShare, FDPIR or W-2 cash benefits, the household must provide the following information requested on the application: names of all household members, total number of household members, and the adult signing the application form must also list the last four digits of his or her Social Security Number or mark the box to the right of “Check if no SSN”. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal and free milk policy Tracy Flasch PO Box 919 Lomira, WI 53048 (920) 269-4396 ext 156 or tflasch@lomira.k12.wi.us will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to: Ty Breitlow Lomira School District Superintendent PO Box 919 Lomira, WI 53048 (920) 269-4396 ext. 104

If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals or free milk if the household income falls at or below the levels shown above, and they may reapply at that time.

Children formally placed in foster care are also eligible for free meal benefits. Foster children may be certified as eligible without a household application. Households with foster children and non-foster children may choose to include the foster child as a household member, as well as any personal income available to the foster child, on the same application that includes their non-foster children.

The information provided by the household on the application is confidential. Public Law 103-448 limits the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs. Consent of the parent/guardian is needed for other purposes such as waiver of textbook fees.

Wisconsin Department of Public Instruction
MEAL MODIFICATIONS IN THE USDA CHILD NUTRITION PROGRAMS
PI-6314 (Rev 06-24)

U.S. Department of Agriculture (USDA) regulations 7 CFR Part 15b requires school meal modifications be made for children with dietary disabilities when requests are supported by a written statement from a state authorized medical authority or registered dietitian.

A. Rehabilitation Act of 1973 and the Americans with Disabilities Act

Under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2008, “a person with a disability” means any person who has a physical or mental impairment which substantially limits one or more major life activities or major bodily functions, has a record of such an impairment, or is regarded as having such an impairment.

Major life activities include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. A major life activity also includes the operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

These Acts can be found in their entirety at https://www.eeoc.gov/statutes/rehabilitation-act-1973 and http://www.eeoc.gov/laws/statutes/adaaa.cfm.

B. Individualized Education Program

The Individualized Education Program (IEP) is a written statement for a child with a disability that is developed, reviewed, and revised in accordance with the IDEA and its implementing regulations. The IDEA can be found in its entirety at https://sites.ed.gov/idea/statuteregulations.

When a child’s IEP or 504 plan contains the same information that is required on a medical statement, then it is not necessary to get a separate medical statement from a state authorized medical authority or registered dietitian.

C. Authorized Medical Statement

An authorized medical statement must:

- Include an explanation of how the child’s physical or mental impairment restricts the child's diet
- Identify the food(s) to be avoided
- Identify the food(s) to be substituted
- Be signed by a state authorized medical authority or a registered dietitian.

Per USDA memo SP 32-2015, a state authorized medical authority is a state licensed health care provider who is authorized to write medical prescriptions under state law. In Wisconsin this is a physician, dentist, optometrist, podiatrist, physician assistant, or nurse practitioner. In addition, the Final Rule-Child Nutrition Programs: Meal Patterns Consistent With the 2020-2025 DGAs, section 14 permits registered dietitians to request meal modifications on behalf of a child with a dietary disability.

If the request for a meal modification is not for a disability or has not been signed by one of these practitioners, the school is not required to provide a meal accommodation.
