**This program is Highly Competitive.**

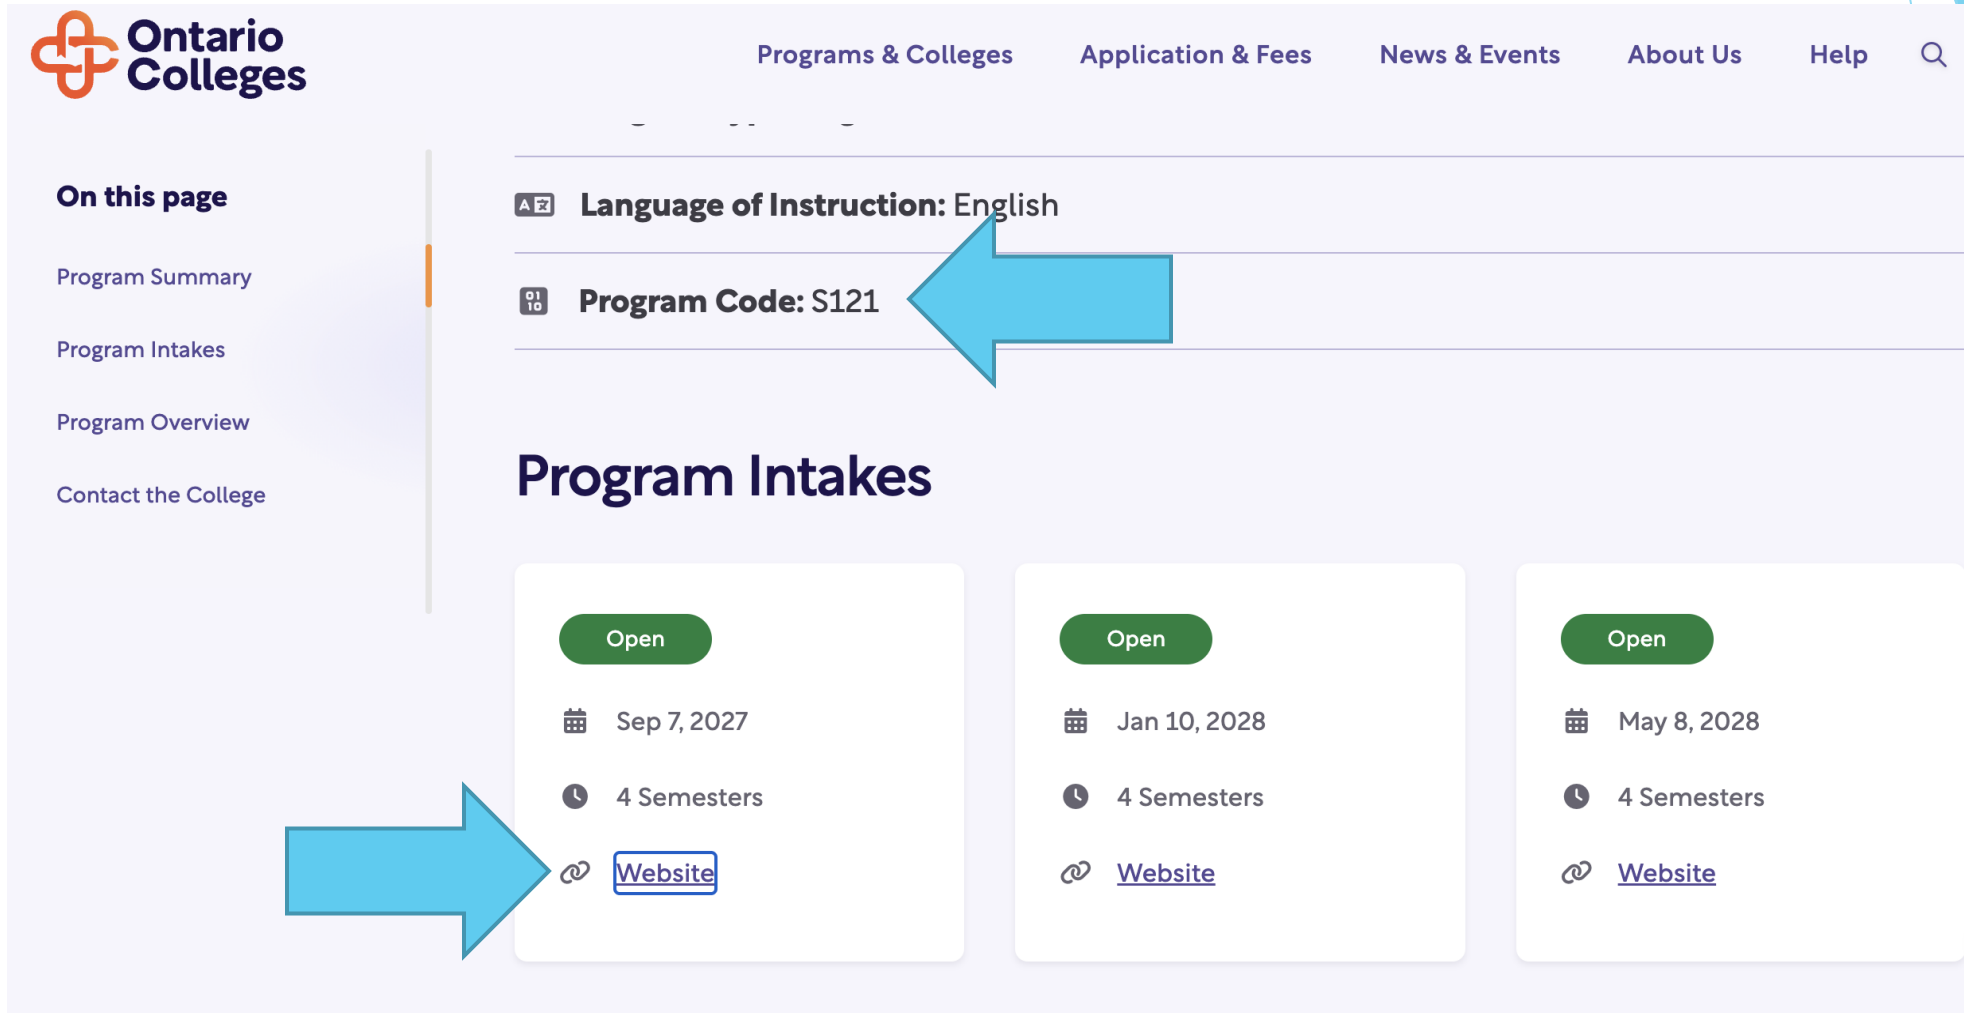

George Brown Polytechnic's **Practical Nursing** program will teach you the foundational skills required to work as a Registered Practical Nurse (RPN) in Ontario. Following successful completion of this program, you will be eligible to write the [Registered Practical Nurse \(RPN\) Registration Examinations](#) – two qualifying examinations required by the College of Nurses of Ontario.

**If you apply to the May 2027/28 intake for this program, you will start in May 2028.**

The **Practical Nursing (S121)** program will teach you the required knowledge and skills you need to become a Registered Practical Nurse (RPN). This two-year diploma program has been designed to meet the [College of Nurses of Ontario \(CNO\)](#) program approval requirements and program standards set by the [Ministry of Colleges and Universities](#).

Classes and labs are held at the Daphne Cockwell Centre for Health Sciences located at our [Waterfront Campus](#) and are scheduled between 8 a.m. to 8 p.m., Monday to Saturday. Clinical placement experiences are unpaid and are conducted under direct faculty supervision within varied patient care settings across the Greater Toronto Area (GTA). Students may participate in placements requiring extended shifts that include evening and weekend hours and may start as early as 6:30 a.m.

The screenshot displays the Ontario Colleges website interface. The top navigation bar includes links for Programs & Colleges, Application & Fees, News & Events, About Us, and Help. On the left, a sidebar titled 'On this page' lists links for Program Summary, Program Intakes, Program Overview, and Contact the College. The main content area features a section for 'Language of Instruction: English' and 'Program Code: S121', with a blue arrow pointing to the code. Below this is a 'Program Intakes' section with three cards, each showing an 'Open' status, a start date, a duration of 4 semesters, and a 'Website' link. A large blue arrow points to the first intake card.

## Examples of Highly Competitive Programs:

- ▶ Aviation
- ▶ Child and Youth Worker
- ▶ Dental Hygiene
- ▶ Engineering
- ▶ Firefighter
- ▶ Health Sciences
- ▶ Media and Communications
- ▶ Medical Lab Technician
- ▶ Paramedic
- ▶ Nursing
- ▶ Trades
- ▶ Veterinary Technician

# Best Practice when Applying to Competitive Programs:

- ▶ Apply Early
- ▶ Be sure you meet the minimum cutoff average
- ▶ Book Assessment Tests Early (if applicable)
- ▶ Think positively, but have a backup plan

# English Proficiency Test

Most of the colleges will require that applicants whose first language is one other than English, or who have been educated in a country where English is not normally the language of instruction, to write or take an English Language Proficiency Test. Each institution has its own requirements and deadlines for submission of test results.

Make sure to read the fine print for your college, if this applies to you.

# How It Works

The ontariocolleges.ca app, by OCAS, allows you to:

- Create an OCAS account and your college application
- Log in to your existing application
- Search and add up to 5 programs to your application, with no more than 3 at any one college
- Request transcripts from Ontario secondary and postsecondary institutions
- View your Ontario secondary school grades
- Pay for and submit your application
- View, accept, and decline offers of admission
- Track your progress easily using the convenient dashboard and notifications
- Get help with your application through in-app chat support

Ontario's public colleges provide the education you need for the career you want, in flexible formats that suit your lifestyle. Innovative programs, cutting-edge technologies, and industry partnerships ensure you graduate prepared for success.
