- Any 4U mathematics
- 2 additional 4U/M courses

[See Ontario high school course codes.](#)

Additional Admission Criteria

A high school transcript is just 1 piece of information Queen's University uses when making an admission decision. Each applicant to Queen's has a personalized To Do List, detailing exactly what is needed to complete their application. Students can review their To Do List (and associated due dates) on their Queen's SOLUS Student Centre. Applicants to Commerce, Health Sciences, and Nursing are required to complete a Supplementary Application. Students will receive instructions for accessing SOLUS and their Supplementary Application after they apply.

Alternative Offers

Queen's does not make alternate offers of admission. Applicants will be considered only for the program(s) to which they have applied (or amended) via the Ontario Universities' Application Centre (OUAC) by the published deadlines.

EXPERIENTIAL LEARNING	Clinical placement
ENROLLMENT	124
GRADE RANGE	High 80s

☒ Requirements

Admission

All offers of admission made to Ontario high school students by Queen's University, prior to receiving final grades and completing the Ontario Secondary School Diploma (OSSD), are conditional. Decisions can be based on final Grade 11 results (with registration in appropriate Grade 12 courses), final first semester Grade 12 results and/or Grade 12 interim results.

Basic Requirements for Admission

The OSSD and six 4U/M courses, including English 4U, are required. Please review the specific program requirements for more details, as some programs require additional courses at the U-level. Average calculation is based on prerequisite subjects, plus the next best 4U/M courses, for a total of 6 courses.

Note:

- Students in francophone schools may offer EAE4U or FRA4U in place of ENG4U.
- The Engineering admission average is calculated using only the 5 prerequisite courses.

A high school transcript is just 1 piece of information we use when making an admission decision. Each applicant to Queen's has a unique To Do List, detailing exactly what is needed to complete their application. Students can see their To Do List (and the due dates) on their SOLUS Student Centre. We will send students SOLUS access information after they apply.

Failed and Repeated Courses

Ontario universities support full disclosure of all marks achieved in all attempts at a high school course. At Queen's, all undergraduate programs will use the most recent grade achieved when calculating the admission average.

Timing and Process for Admission Decisions

Admission decisions will be made once all required documentation is submitted to Undergraduate Admission and Recruitment. March 31 is the deadline to submit all documents including English test scores and transcripts for students studying outside of Ontario (not including the Supplementary Application). Queen's receives Ontario high school grades from the Ontario Universities Application Centre (OUAC) by April 30.

Admission decisions will be made on an ongoing basis from early November to mid-May. Ontario high school students are required to respond to offers of admission by June 1.

Alternative Offers

Queen's University does not make alternative offers of admission. Applicants are considered only for the program(s) to which they have applied (or amended) through the OUAC by the published deadlines. Students should ensure all program choices are listed on their application.

McMaster University

The Campus

Located in the vibrant city of Hamilton, Ontario, Canada, McMaster University is the proud home to over 33,000 undergraduate students. As one of Canada's most research-intensive universities, we cultivate a community that unites the best and brightest minds within our diverse student body. Our unique program combinations encourage collaboration across disciplines, inspiring transformative, real-world change.

Special Characteristics

- #1 in Canada for student services (Maclean's University Rankings, Medical Doctoral Category 2026)
- Top 1% of universities worldwide (Center for World University Rankings 2026)
- 2nd in Canada for total research dollars (Maclean's University Rankings, Medical Doctoral Category 2026)
- More than 3,500 international students from over 120 different countries

Applying to Ontario's Universities

Undergraduate Application

Instructions for Ontario High School Students

www.ouac.on.ca/undergrad-guide

UNDERGRAD

LAW

MEDICINE

REHAB

TEACHER ED

Ontario Universities'
Application Centre

Step 1:

Research Your University Options

- Visit **OUIInfo** (www.ouinfo.ca) to find what each university has to offer.
- Read the **Undergraduate Application Guide** (www.ouac.on.ca/undergrad-guide) for up-to-date information about universities and programs.
- Check out university publications and websites.
- Talk to guidance counsellors, family, teachers and friends.
- Make a list of your preferred program codes and keep it handy.

Step 2: Get Your OEN

You will need your Ontario Education Number (OEN) to apply.

The OEN is a 9-digit, unique identification number assigned to elementary and high school students across the province.

You can find your OEN on your report card. Your high school guidance counsellor will also have it on record.

Step 3: Mark Your Calendar

- **Late September 2026:** The Undergraduate application opens.
- **January 15, 2027:** Deadline to submit your completed application to the OUAC.
- **May 28, 2027:** Last day you can expect a response from an Ontario university if you applied by the January 15 deadline.
- **June 1, 2027:** The earliest day you may be required to respond to an offer and give a financial commitment (e.g., registration or residence deposit).

Step 4: Apply!

Ready to Apply?

Once you've decided which programs you're interested in, it's time to start your application to Ontario's universities.

2 My Background

Review the helpful tips on the Welcome page.

Navigating the Application

The screenshot displays the QUAC Ontario Universities' Application Centre interface. At the top, the QUAC logo and name are on the left, and navigation icons for HUB, MESSAGES, MY FEES, and PROFILE are on the right. Below the header, a breadcrumb trail reads: Home > Undergraduate > My Personal Details > The Basics. The main content area is divided into three sections. On the left is a sidebar with a purple graduation cap icon and the word 'UNDERGRADUATE'. Below this is a 'Quick Links' section with three buttons: 'Welcome' (with a person icon), 'My Personal Details' (with a person icon and a dropdown arrow), and 'The Basics' (with a plus icon). The central section is titled 'The Basics' and contains a 'Help' button. Under the 'Name' heading, there is a text instruction: 'Enter your name as it is written on your passport, health card or other official document. If you are not able to change your name or date of birth, contact the QUAC for assistance.' Below this are four input fields: 'First/Given Name (required)' with the value 'Timothy', 'Middle Name(s)' with the value 'Allen', 'Last/Family Name (required)' with the value 'Smith', and 'Former Last Name/Family Name' which is empty. A text prompt asks 'What name do you prefer to be called in university correspondence?' with a question mark icon and an empty input field. The 'Other Personal Information' section includes 'Date of Birth (required)' with fields for Year (20), Month (July), and Day (16), and 'Gender (required)' with a dropdown menu set to 'Choose'. On the right side of the main content area is an 'Application Status' sidebar. It features a vertical timeline with four steps: 1. 'My Personal Details' (In progress, with a person icon), 2. 'My Background' (Not started, with a folder icon), 3. 'My Choices' (Not started, with a list icon), and 4. 'My Supporting Documents' (Not started, with a document icon). Two large yellow curly braces are positioned on the left and right sides of the application form, spanning from the 'The Basics' section down to the 'Application Status' section.

My Background – Education

Education

Provide information about **all institutions** and **all years** when you completed secondary or postsecondary courses.

Have you attended a postsecondary institution? (required)

☐ Yes

☒ No

High School

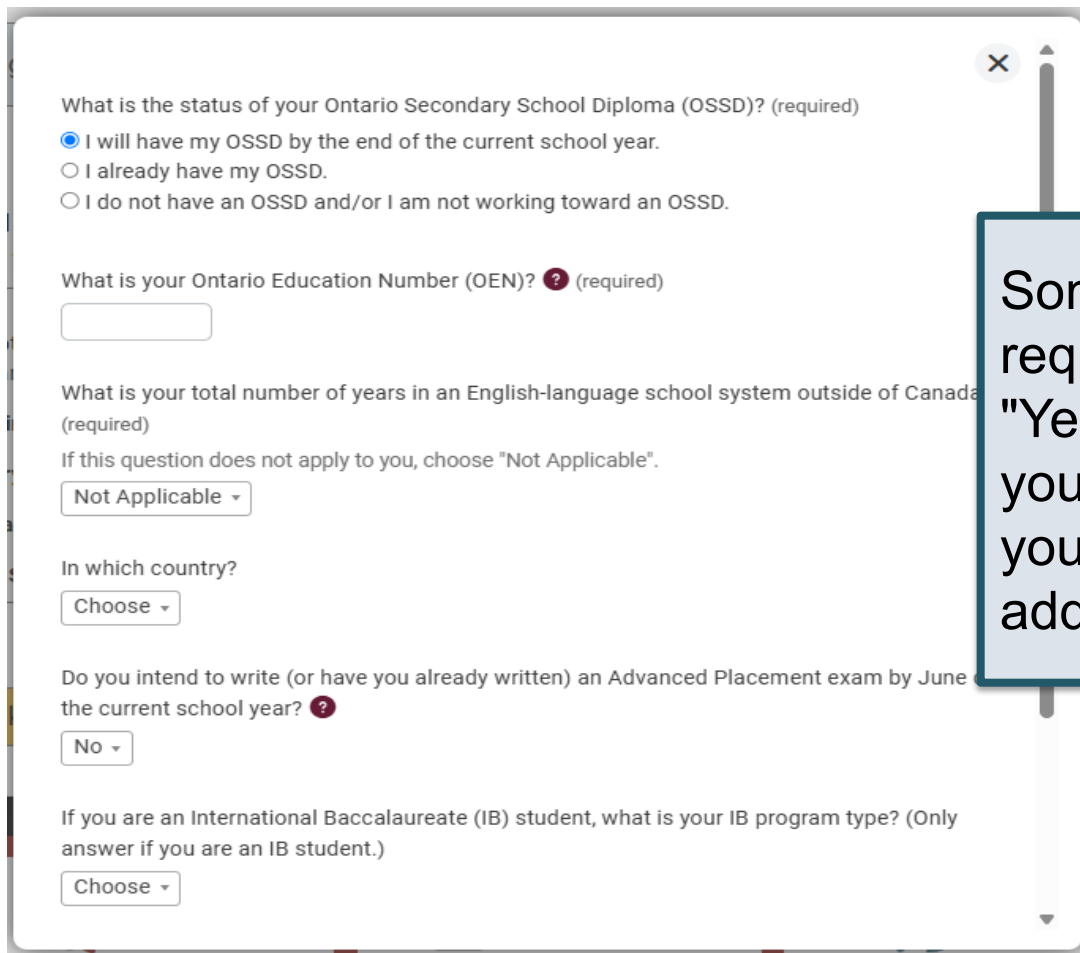

You must include **all** high schools you attended from Grade 9 to Grade 12, including international high schools.

You do not need to include institutions where your home high school registered you for courses, e.g., board virtual school, dual credit, Specialist High Skills Major, e-learning through a consortium.

Provide information about **all** institutions where you registered in 1 or more high school courses.

Provide information about postsecondary courses you have taken.

My Background – Tell Us More

What is the status of your Ontario Secondary School Diploma (OSSD)? (required)

☒ I will have my OSSD by the end of the current school year.

☐ I already have my OSSD.

☐ I do not have an OSSD and/or I am not working toward an OSSD.

What is your Ontario Education Number (OEN)?  (required)

What is your total number of years in an English-language school system outside of Canada? (required)

If this question does not apply to you, choose "Not Applicable".

In which country?

Do you intend to write (or have you already written) an Advanced Placement exam by June of the current school year? 

If you are an International Baccalaureate (IB) student, what is your IB program type? (Only answer if you are an IB student.)

Some fields are required. Select "Yes" to indicate you will achieve your OSSD, then add your OEN.

Once you complete your payment, you will receive your OUAC Reference Number.

The OUAC cannot process your application without the application fee.

Submitting Your Application

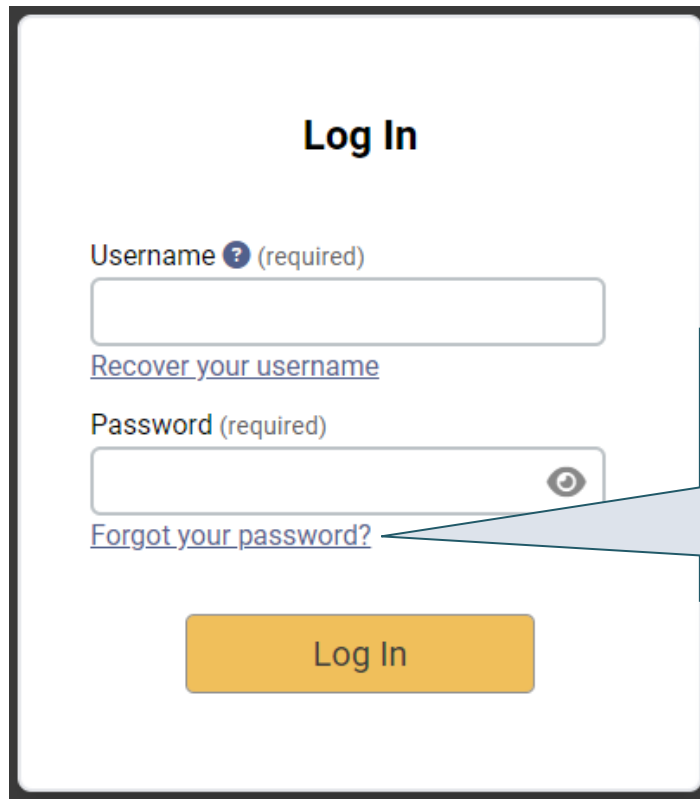

- Record your OUAC Reference Number, displayed on the Complete page, as you will need to include it when communicating with the OUAC and the universities.

The screenshot shows the 'Complete' page of the OUAC application process. At the top, a progress bar indicates four steps: 1 Summary, 2 Declaration, 3 Payment, and 4 Confirmation (the current step). Below the progress bar, the heading 'Complete' is followed by a message: 'You are now logged out of your account. ([Log back in.](#))'. A green checkmark icon is displayed next to the text: 'Timothy Allen, your application has been submitted. Your OUAC Reference Number is: **2026-010044**. All fees are non-refundable.' Below this, an 'Important' note states: 'Do not click "Back" in your browser after you submit your payment.' A 'What Now?' section follows with three bullet points: 'You will receive an email with your confirmation number that outlines your next steps.', 'Applications are sent to the universities in the mornings, Monday through Friday.', and 'Check your Hub for updates.'

If you're a fortunate candidate who's been invited for a scholarship interview, congratulations! You've progressed through some tough competition and are nearing the finish line. I've got some interview preparation advice for you, including some tips so you can make impact.

It's imperative to prepare thoroughly for an interview so you can make an impact in your short meeting with panelists.

STEP 1: Brain Dump

Get started by doing a brain dump on paper of all the details about you, what makes you tick, and so on. This goes way beyond a cut-and-dry resume. You may want to take your resume out and use it as a guideline. Take time to think about every aspect of your personality, skill set, values, hopes & dreams, life experiences, and struggles and failures.

Whether or not the interviewer touches on these categories is not the point; what matters is having as many facts, skills, and experiences you can think of on the tip of your tongue to share, in a smart way, if needed during the interview. This is a valuable preparation practice.

STEP 2: Talk the Talk

Have casual conversations with family and friends to get comfortable talking about yourself. Figure out what makes YOU "you." Discuss the following topics, openly, naturally, and authentically: personal values; strengths; weaknesses; areas of passion.

STEP 3: Questions

What questions will be asked?

I can't answer that! (I don't know exactly...). Think about a whole bunch of possibilities. There are probable questions, depending on the job or position to be filled.

Questions very likely to be asked in a job/school interview:

- 1 Why do you want this position?
- 2 Why should we hire you?
- 3 What challenge or failure have you overcome?
- 4 Describe how you handled a recent conflict with someone.

Found under student resources in myBlueprint.ca

NOW WHAT??

- ✓ **Research** your programs choices
- ✓ **Attend** information fairs to speak with university reps
- ✓ **Visit** the campus of choice
- ✓ **Speak** to your parents, teachers and guidance counsellors
- ✓ **Start** your application!!!

Thanks for Listening
