	TPS Community Officer Visit		ISP Meeting (PM)	

A Message from the Principal

Dear SJF Families,

Welcome back to another exciting school year! It was wonderful seeing so many happy faces throughout our first week back, and we are looking forward to another fantastic week of learning and growth together.

As we settle into September, we will be focussing on our Virtue of the Month—Hospitality. We encourage our entire school community to practice warmth, kindness, and inclusion toward one another during this transition.

Another important part of beginning a new school year is re-establishing proper school routines early as it is essential for helping students feel secure and ready to learn. Please ensure your child arrives on time, as our school day now begins at 9:00am sharp. Our front doors open early at 8:40am each morning; please do not drop children off before 8:40am, as there is no supervision available. Also please note that our school day now ends at 3:30pm. We kindly ask parents to avoid early pickups—especially during the final hour of the day—as disruptions during this time interfere significantly with classroom instruction and routines.

Thank you for your continued support in making this a successful week ahead!

Regards,

Ryan Vlasschaert
