A Message from the Principal

Dear SJF Families,

I hope that you are all having a lovely weekend as we prepare for Week #3 of school! Our routines are rolling right along, and our students are settling beautifully into the rhythm of learning and growing together. A big thank you for your support at home for getting students to school on time, prepared, and in proper navy/white uniform each day. These little things do not go unnoticed. Again, thank you!

This week Father spoke about the Parable of the Workers in the Vineyard, reminding us of God's boundless generosity, patience, and love for everyone—no matter when they arrived or where they are on their journey. At SJF, this is a wonderful reminder that every child grows and thrives at their own pace. Whether your child felt ready on Day #1 or is still finding their way in Week #3, God invites each of us into His vineyard with open arms, equal value, and abundant grace.

This week, let us celebrate each child's unique journey and practice generosity and kindness toward one another.

Wishing you all a blessed and wonderful week ahead!

Ryan Vlasschaert
