Friday, April 17 @ 6:30-9:00pm (in the school gym)

Stay tuned for more information.

Toronto Public Library Outreach Program
for our
JK/SK Classes and Grade 4 Classes

We had the best time ever!

The Children's Dept. Librarians from the Toronto Public Library made a special visit to our school and shared some stories, songs, and a hands-on robotics activity to promote their programs and services.

Each JK/SK student learned about all the different wonderful types of materials offered by the TPL. They also learned about many of the programs and services available to them and they each received a coupon for a free canvas tote bag on their next visit to the Toronto Public Library.

Our grade 4 students were introduced to a coding robot named "Sphero," and had a chance to watch him in action. They received a fact finding mission booklet to use at the TPL, to learn about the different sections of the Children's Department. Once they complete their mission, they receive a colorful library themed pencil case.

Many of our students that signed up, also received a new Toronto Public Library card!

If you would like to find out more about the programs offered by the *Toronto Public Library* or register for a new library card, please visit their website at:

https://kids.tpl.ca/

We lose ourselves in books. We find ourselves there too!

Ms. Landolfi
Library Technician
St. Robert

Immunization Requirements to avoid suspensions

Submit students' updated information to Toronto Public Health one of two ways:

Online via ICON: toronto.ca/StudentVaccines

By phone: 416-338-7600

If the student needs vaccination, obtain vaccines as soon as possible. Students can receive the vaccine at their health care providers office and then report them to Toronto Public Health (providers will not do this for parents). Book an appointment at a TPH clinic at tphbookings.ca.

If parents are unsure about their child's vaccination history, have records in other languages, cannot find their child's records, or are unsure about what they need to do next, encourage them to call Toronto Public Health at 416-338-7600 for assistance.

Parents who choose not to vaccinate their child, should apply for an exemption and attend the required education session. Details are available at toronto.ca/StudentVaccines.

Parents wishing to appeal a suspension order may request a hearing with the Health Services Appeal and Review Board (HSARB). They must notify the principal as part of this process. No action is required from principals unless directed. TPH will provide further guidance if needed. You may receive a letter of rescission as part of the formal hearing process.

*By law, students aged 16 or older are required to give consent directly to Toronto Public Health if they want their parent/legal guardian to access or update their immunization record (Personal Health Information Privacy Act, 2004).

Please contact us with any issues or concerns:

Call our Immunization Information Centre at 416-338-7600 between the hours of 8:30 a.m.to 4:30 p.m., Monday to Friday. Support is available in multiple languages.

Chocolate Fundrais

Chocolate Fundraiser – Less than one month to go!

End of fundraiser: Tuesday March 24th

1. We will place one more chocolate order. **If you would like to sell more cases**, please place your request at the office OR by emailing the CSPC at cspc.strobert@tcdsb.org.

   Please provide the student's name, teacher, and the number of cases you'd like to order.
   - **Deadline** to request more cases: **Thursday March 5th**
   - Chocolate will be delivered to school before March Break

2. If you have chocolate that you do not plan to sell (either a complete case OR a partial case) please **return the chocolate (+ the money for the boxes you sold) to the school ASAP** so that another family can sell it.

   Help us save on the cost of returning chocolate later!

3. If you have **already sold** your chocolate, **return the money** to your child's teacher in bag or envelope (labelled with your child's name and teacher). Complete case sold = $100

The more you sell, the more chances to WIN!

Top seller wins a pair of Blue Jays tickets!

Each complete case sold will be entered into a raffle for Raptors tickets, a Weber Charcoal Grill, and great gift cards!

REGISTRATION IS OPEN
