Catherine Temple Mathematics Award

For more information: https://www.tcdsb.org/page/scholarships-and-awards

The *Catherine Temple Mathematics Award* is presented annually to an eligible female student graduating from a TCDSB secondary school to encourage and support her in her pursuit of studies in mathematics or mathematics related field at a Canadian post-secondary institution.

A scholarship shall be awarded to a graduating female student pursuing studies in mathematics:

i. Academic standing shall be the main criteria used in the selection of the recipient.
ii. The student will also have a record of significant contribution to the school community especially in areas related to mathematics (such as participation in a math club, in mathematics contests, etc.).
iii. Financial need, in the broad sense, may be considered as a "tie breaker" in the event that there are a number of students who demonstrate academic merit.

THE AWARD, of no less than $4,000.00, will be given to a graduating female student upon proof of registration in mathematics or in a mathematics related program at a recognized Canadian post-secondary institution. An award letter will be presented to the recipient during the recipient's school's annual graduation/closing ceremonies.

APPLICATION PROCEDURE: Students are invited to submit an application together with:
(please indicate with a √)

- ☐ Applicant's covering letter describing her contribution to the school community
- ☐ Applicant's résumé
- ☐ Details of achievements (e.g. contests)
- ☐ Copy of most current transcript
- ☐ Other documentation *(please identify)* _____
- ☐ Testimonial/reference letter (*max. 2*)
- ☐ Post-secondary institution & program information (*proof of offer & confirmation of acceptance*)

SELECTION PROCEDURE: The final selection of the recipient will be made by a selection panel comprising the Superintendent of Curriculum and Accountability, the Mathematics Program Co-ordinator, a Superintendent of Schools of the Board and a member of the Temple family. If, for whatever reason, the selected recipient does not pursue her post-secondary education in her intended field, the selection committee reserves the right to award the scholarship to the second place applicant.
