The Honourable Paul Calandra
Ontario Minister of Education
438 University Avenue, 5th Floor
Toronto, ON, M5G 2K8

Dear Minister Calandra,

Re: Director of Education / CEO Performance Appraisal TCDSB

Since the TCDSB has been under supervision, the Board's Chief Executive Officer, Dr. Brendan Browne, has reported directly to me.

Over the past year, I have worked directly with Dr. Browne. We have focused on developing and implementing a plan to return the Board to a balanced financial position while protecting the best interests of students.

I completed a Performance Appraisal of Dr. Browne's performance for the 2025-2026 academic year. The letter herein is to be posted on the Board's website.

I would be pleased to respond to questions.

Yours very truly,

Frank A. Benedetto
Supervisor of the Toronto Catholic District School Board
